Sexuality And The Jesus Tradition:

Sexuality and the Jesus Tradition William Loader, 2005-02-03 Discourse related to sex excites passion and debate partly because sexuality is a central aspect of what it means to be human Following up on his recent book on sexuality in the Septuagint William Loader here explores what the Christian Gospels and related writings have to say about sexuality how they reflect the faith and social values of their day and what impact they've had on our own Sexuality and the Jesus Tradition is thorough in its investigation and compelling in its analyses Loader examines all of the passages that convey views about sexuality in the Gospels and other first century literature including the Gospel of Thomas and the influence in Paul of the Jesus tradition Among the interesting topics covered are attitudes concerning lust perspectives on marriage and divorce and views about celibacy Loader shows how despite the passing of two thousand years and massive social change these ancient texts contain common issues that we still grapple with today

Sexuality in the New Testament William R. G. Loader, 2010-01-01 Loader has brought together sources from the ancient world and opinions from a wide range of scholarship in many contentious areas concerning sexuality homosexuality divorce submission of women sex outside marriage and celibacy in all of these he avoids leading the witness letting the texts speak for themselves He states the opinion of other scholars and occasionally of himself but his aim is to educate and not preach Dr David Instone Brewer Senior Research Fellow in Rabbinics and the New Testament Tyndale House Cambridge UK Loader brings an honest and authoritative voice to the discussion of what the New Testament says about human sexuality He invites his readers to join in a serious engagement with the scriptural texts in their social and historical context and in so doing he leaves them with the challenge of wrestling with how those texts should be read today Dr Judith Lieu Lady Margaret's Professor of Divinity University of Cambridge UK Loader looks at hotly contested New Testament passages on sexuality and offers a fair and balanced treatment of what scholars say about them He also offers an analysis of why interpreters say what they say and demonstrates how texts may be interpreted specifically to support a preformed opinion Written in straightforward nontechnical language this timely and informative text is ideal for college classes as well as Bible study groups

BOOK JACKET The Sexuality of Jesus William E. Phipps, 2010 In 1970 William Phipps rocked Christianity with his controversial Was Jesus Married The Distortion of Sexuality in the Christian Tradition ushering in a generation of critical study of this sacrosanct subject The Sexuality of Jesus is the harvest of his research Carefully analyzing such subjects as celibacy sexuality and gender in first century Palestine Phipps suggests how Jesus's life and teaching undermined traditional attitudes toward women and the human body and how the Jesus of the Gospels can inform discussions of gender and sexuality today How does the Christian tradition of sexual renunciation reflect or distort biblical and Christian understandings of the body Does Jesus represent the full flowering of sexuality or its rejection How did women particularly Mary Magdalene view Jesus Addressing these and other questions Phipps seeks to release the pivotal personality of Jesus

from the dehumanizing treatments found in much of the Christian tradition Unabashedly dealing with the most contentious of topics The Sexuality of Jesus is a fresh and provocative analysis of sexuality and religious faith Book jacket **Human Sexuality in the Catholic Tradition** Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality Human Sexuality in the Catholic Tradition meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality explore the integration of our sexuality and our spirituality and develop life affirming and life sustaining ways of approaching contemporary sexual issues This book explores sexuality from spiritual psychological moral and ministerial perspectives and addresses specific issues such as sex and marriage celibacy homosexuality and cohabitation

The New Testament on Sexuality William Loader, 2012-09-13 This is the fifth and final installment of William Loader's authoritative acclaimed series on attitudes toward sexuality in the ancient world Sexual themes are never far beneath the surface where there are human beings This was certainly the case for Christians in the first century world Some began in a strongly Jewish context and worked out their faith in dialogue with their scriptural heritage Others had to work out their sexual ethics in a world strongly influenced by Greco Roman ideals and practices In The New Testament on Sexuality William Loader explores the relevant cultural contexts and looks at New Testament texts related to sexuality highlighting both the warnings about sexual wrongdoing and the affirmations of sexual union He deals with specific themes such as divorce same sex relations women and men in leadership and celibacy individual behavior gender roles and rules preferences and hopes also fall under the scope of his investigation Broad ranging and thorough this book engages both the biblical texts and the diverse ways in which they have been interpreted **"Conception, Reception, and the Spirit"** J Gordon McConville, Lloyd

K Pietersen, 2016-07-28 A number of distinguished biblical scholars and theologians come together in this volume to honour the work of Andrew T Lincoln Conception Reception and the Spirit reflects Andrew Lincoln's lifelong interest in Christian origins the reception of biblical texts in believing and scholarly communities and the embodiment of the Gospel in believing communities made possible by the Spirit Here scholars converse with Lincoln's work engaging with his monographs Born of a Virgin and Truth on Trial These essays examine a wide range of topics such as N T Wright's exploration of demonic politics in John and the significance of wine to the Holy Spirit in Ephesians by Lloyd K Pietersen These theological interpretations go so far as to question the foundations that make New Testament theology what it is today with experts like Loveday Alexander and John Goldingay confronting sexuality spirituality ethics and memory in Lincoln's work with sensitivity and nuance
