Sexuality And War

Virginia Scharff

Sexuality And War:

Love, Sex, and War John Costello,1985 **Sexuality, War, and Schizophrenia** Victor Tausk,2018-04-27 Tausk was a major figure among pre World War I psychoanalysts and a prominent pupil of Freud Twelve of his papers are collected here and introduced by Pa Roazen social and political science York U Indexed by name only Annotation copyright Book News Inc Portland Or Sexuality after War Rape Nena Močnik,2017-09-01 This book examines the potential impact of rape survivors traumatic experiences in post conflict zones With specific attention given to the experiences of women who were sexually abused during the breakup of the former Yugoslavia it addresses the sexuality of survivors which has so far been inadequately researched and challenges the stereotypical and victimized images and narrations that have so far prevailed in academic and public discourse about women survivors while exploring the effects of those narratives on the political social and economic status of the survivors themselves Methodologically innovative the book questions the processes of re victimization that can follow fieldwork with survivors and introduces the theoretical and practical foundations of applied drama and community theater as a research approach in this field revealing its potential as a means of expressing a range of ethnographic anthropological and case study research findings Based on the narratives of advocates scholars and different social stakeholders together with new drama based methodologies employed directly with survivors *Sexuality after War Rape From Narrative to Embodied Research* offers a sensitive and ethically responsible research approach to contesting assumptions about the sexualities of survivors of sexual violence and revealing the emancipatory potential of testifying This book will appeal to scholars of sociology and gender studies victimology and sexuality **Women, Sexuality and War** P. Goodman,2001-12-03 This book examines women s experiences in Britain during the Second World War drawing on women s own memories and archival sources It explores the myths and silences surrounding women s contribution to the war effort Part of the text is devoted to women s experience of paid employment and how their sexuality became a contentious workplace issue This theme is continued in the accounting for the sexuality of women on other spaces and places and how women re negotiated their femininity and thus their own war experiences *The Sexual Economy of War* Andrew Byers,2019-05-15 In *The Sexual Economy of War* Andrew Byers argues that in the early twentieth century concerns about unregulated sexuality affected every aspect of how the US Army conducted military operations Far from being an exercise marginal to the institution and its scope of operations governing sexuality was in fact integral to the military experience during a time of two global conflicts and numerous other army deployments In this revealing study Byers shows that none of the issues related to current debates about gender sex and the military the inclusion of LGBTQ soldiers sexual harassment and violence the integration of women is new at all Framing the American story within an international context he looks at case studies from the continental United States Hawaii the Philippines France and Germany Drawing on internal army policy documents soldiers personal papers and disciplinary records used in criminal investigations *The Sexual Economy of War*

illuminates how the US Army used official policy legal enforcement indoctrination and military culture to govern wayward sexual behaviors Such regulation and its active opposition leads Byers to conclude that the tension between organizational control and individual agency has deep and tangled historical roots *Sexuality and War*, 1990 "Braveheart". *Sexual Supremacy as a Weapon of War* Joelle Schmidt, 2022-03-02 Seminar paper from the year 2021 in the subject Didactics for the subject English Miscellaneous grade 2 3 Free University of Berlin course Cultural Studies Medieval film language English abstract The goal of this term paper is to analyse whether the sexual supremacy and the exposure of it in the film Braveheart functions as a weapon of war In order to answer this question the first chapter will focus on the fact of King Edward reinstating an old tradition called prima nocte the right to the first night which allows the King s lords to share the bed with a Scottish woman on her wedding night 3 The use of the male genitals as symbol of dominance will be discussed within the second chapter The third chapter will examine the representation of the English Prince Edward as very feminized homosexual and its effects on his capability of leading a war The emphasis of the final chapter before summarizing the papers analysis will be the fact of William Wallace seducing and impregnating Prince Edward s wife Princess Isabella as the final motive of sex as a war weapon **Wartime Sexual Violence** Kerry F. Crawford, 2017-09-01 Reports of sexual violence in armed conflict frequently appear in political discussions and news media presenting a stark contrast to a long history of silence and nonrecognition Conflict related sexual violence has transitioned rapidly from a neglected human rights issue to an unambiguous security concern on the agendas of powerful states and the United Nations Security Council Through interviews and primary source evidence Kerry F Crawford investigates the reasons for this dramatic change and the implications of the securitization of sexual violence Views about wartime sexual violence began changing in the 1990s as a result of the conflicts in the former Yugoslavia and Rwanda and then accelerated in the 2000s Three case studies the United States response to sexual violence in the Democratic Republic of Congo the adoption of UN Security Council Resolution 1820 in 2008 and the development of the United Kingdom s Preventing Sexual Violence in Conflict Initiative illustrate that use of the weapon of war frame does not represent pure co optation by the security sector Rather well placed advocates have used this frame to advance the antisexual violence agenda while simultaneously working to move beyond the frame s constraints This book is a groundbreaking account of the transformation of international efforts to end wartime sexual violence

Managing Sex in the U. S. Military Beth Bailey, Alesha E. Doan, Shannon Portillo, Kara Dixon Vuic, 2022-05 The U S military is a massive institution and its policies on sex gender and sexuality have shaped the experiences of tens of millions of Americans sometimes in life altering fashion The essays in *Managing Sex in the U S Military* examine historical and contemporary military policies and offer different perspectives on the broad question How does the U S military attempt to manage sex This collection focuses on the U S military s historical and contemporary attempts to manage sex a term that is in practice slippery and indefinite encompassing gender and gender identity sexuality and sexual orientation and sexual

behaviors and practices along with their outcomes In each chapter the authors analyze the military's evolving definitions of sex sexuality and gender and the significance of those definitions to both the military and American society The Sexual History of the World War Magnus Hirschfeld,1934 **Taking it Like a Man** Adrian Caesar,1993 **Psycho-analysis and the War Neuroses** Sándor Ferenczi,1921 **Seeing Nature Through Gender** Virginia Scharff,2003 Environmental history has traditionally told the story of Man and Nature Scholars have too frequently overlooked the ways in which their predominantly male subjects have themselves been shaped by gender Seeing Nature through Gender here reintroduces gender as a meaningful category of analysis for environmental history showing how women's actions desires and choices have shaped the world and seeing men as gendered actors as well In thirteen essays that show how gendered ideas have shaped the ways in which people have represented experienced and consumed their world Virginia Scharff and her coauthors explore interactions between gender and environment in history Ranging from colonial borderlands to transnational boundaries from mountaintop to marketplace they focus on historical representations of humans and nature on questions about consumption on environmental politics and on the complex reciprocal relations among human bodies and changing landscapes They also challenge the ecofeminist position by challenging the notion that men and women are essentially different creatures with biologically different destinies Each article shows how a person or group of people in history have understood nature in gendered terms and acted accordingly often with dire consequences for other people and organisms Here are considerations of the ways we study sexuality among birds of William Byrd's masking sexual encounters in his account of an eighteenth century expedition of how the ecology of fire in a changing built environment has reshaped firefighters own gendered identities Some are playful as in a piece on the evolution of snow bunnies to shred betties Others are dead serious as in a chilling portrait of how endocrine disrupters are reinventing humans animals and water systems from the cellular level out Aiding and adding significantly to the enterprise of environmental history Seeing Nature through Gender bridges gender history and environmental history in unexpected ways to show us how the natural world can remake the gendered patterns we've engraved on ourselves and on the planet Women in War Kjersti Ericsson,2016-03-09 This book examines what happens to women and gender relations in times of upheaval The experience of Norway during World War II with some visits to other parts of the world as well is used to demonstrate general gendered issues that are actualized in wars both past and present The authors explore whether gendered cultural conceptions influence the way war is remembered and represented both collectively and individually The collection discusses the various roles of women during the war from resistance fighter to German tart and how they were dealt with and treated in the aftermath The chapters examine the position of Jewish victims of persecution foreign female labourers and gay men as well as the gendered response exhibited by the courts in post war trials of female state police employees The book concludes by following the struggle to bring women's role in war and peacebuilding onto the international agenda This book will be of interest to students and

scholars in the field of criminology as well as peace and conflict studies political science sociology of law history social work social pedagogy psychology and gender studies

War, Sadism and Pacifism Edward Glover, 1946 **The Laws of Generation, Sexuality and Conception** Henri Médile Gourrier, 1886 *Love and War* Tom Digby, 2014-10-28

Ideas of masculinity and femininity become sharply defined in war reliant societies resulting in a presumed enmity between men and women This so called battle of the sexes intensifies in tandem with dispositions to fight actual wars These are among the fascinating discoveries Tom Digby shares in *Love and War* which describes the making and manipulation of gender in both militaristic and nonmilitaristic societies and the consequences for men and women in their personal romantic sexual and professional lives Drawing on cross cultural comparisons and examples from popular media including sports culture the rise of gonzo and bangbus pornography and Internet trolls Digby shows how misogyny and toughness are deployed to construct masculinity in ways that undermine relations between women and men Through diverse philosophical methodologies he identifies the cultural elements that contribute to heterosexual antagonism such as an enduring faith in male force to solve problems the glorification of violent men who suppress caring emotions the devaluation of men's physical and emotional lives an imaginary gender binary male privilege premised on the subordination of women and the use of misogyny to encourage masculine behavior Digby tracks the collateral damage of this disabling misogyny in the lives of both men and women but ends on a hopeful note He ultimately finds the link between war and gender to be dissolving in many societies war is becoming degendered and gender is becoming demilitarized

Mind, 1921 Issues for 1896 1900 contain papers of the Aristotelian Society *The Longest War* Carol Tavris, Carole Offir, Carole Wade, 1977 *Battle Scars* Catherine Clinton, Nina Silber, 2006-02-23

Over a decade ago the publication of *Divided Houses* ushered in a new field of scholarship on gender and the Civil War Following in its wake *Battle Scars* showcases insights from award winning historians as well as emerging scholars This volume depicts the ways in which gender race nationalism religion literary culture sexual mores and even epidemiology underwent radical transformations from when Americans went to war in 1861 through Reconstruction Examining the interplay among such phenomena as racial stereotypes sexual violence trauma and notions of masculinity *Battle Scars* represents the best new scholarship on men and women in the North and South and highlights how lives were transformed by this era of tumultuous change

This is likewise one of the factors by obtaining the soft documents of this **Sexuality And War** by online. You might not require more time to spend to go to the ebook inauguration as skillfully as search for them. In some cases, you likewise do not discover the message Sexuality And War that you are looking for. It will unconditionally squander the time.

However below, following you visit this web page, it will be therefore completely easy to get as skillfully as download guide Sexuality And War

It will not consent many grow old as we notify before. You can realize it even though perform something else at home and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we meet the expense of below as capably as review **Sexuality And War** what you later than to read!
