Sex in Antiquity Mark Masterson,Nancy Sorkin Rabinowitz,James Robson,2018-02-05 Looking at sex and sexuality from a variety of historical sociological and theoretical perspectives as represented in a variety of media Sex in Antiquity represents a vibrant picture of the discipline of ancient gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections Sex in Antiquity is a major contribution to the field of ancient gender and sexuality studies

The Handbook of Sexuality in Close Relationships John H. Harvey,Amy Wenzel,Susan Sprecher,2004-04-26 Although sexuality is an integral part of close romantic relationships research linking these two constructs has been less systematic than other areas pertaining to close relationships To date researchers in communication sociology family studies psychology and psychiatry have made significant advances in both of these fields The editors goal is to integrate this research into one volume They bring together major scholars from the diversity of fields working on close relationship topics to examine past contributions and new directions in sexuality The emphasis is on theoretical integration and stimulation methodological rigor and critical analysis This volume explores early sexual experiences and their impact on late life sexuality how life s stresses impact sexuality and satisfaction with closeness the affect of postpartum depression on sexuality and the relationship between control power anger as well as revenge and sexual processes in couples The Handbook of Sexuality in Close Relationships is intended for students and researchers in the disciplines of social clinical developmental and health psychology family studies counseling and interpersonal family and health communication An excellent reference in advanced courses in close relationships taught in psychology communications sociology anthropology and family studies the material in Part V will also appeal to clinical psychologists health professionals and policymakers

Feminism and Sexuality Stevi Jackson,Sue Scott,1996 A comprehensive overview of feminist debates surrounding sexuality identifying the main theoretical positions and trends Contributors include Judith Butler bell hooks Luce Irigaray Catherine MacKinnon Adrienne Rich Gayle Rubin Judith Walkowitz and Monique Wittig

Politics and Sex Edna Keeble,2016-05-02 Starting with the feminist insight that the personal is political this engaging text underscores the centrality of gender and sexuality to the discipline of political science and encourages inquiry into the gendered dynamics at work in contemporary politics Politics and Sex problematizes

the public private distinction arguing that the way power is exercised over female sexuality and reproduction results in the restriction of women s public roles allowing gender inequality to persist in many areas With topics as diverse as body politics the veiling of women female genital mutilation rape and sexual violence pornography and prostitution and trafficking the text explores significant cases in the contemporary context and ultimately repositions the private as a site of power Edna Keeble takes a much needed feminist liberal perspective through which readers can engage with questions of gender culture public policy and human rights Each chapter is rich with pedagogical features including lists of recommended films video clips websites and additional readings Interdisciplinary in nature this text is a welcome resource for students and scholars interested in exploring topics in gender and sexuality not commonly covered in political science courses

Cancer and Sexual Health John P Mulhall, Luca Incrocci, Irwin Goldstein, Ray Rosen, 2011-04-23 The average physician and even cancer care givers are not knowledgeable about the effects of cancer treatment on sex and reproductive life They are even less aware of the options available for treatment of such patients Cancer and Sexual Health fills a great need for a reference work devoted to the link between cancer and human sexuality The volume is designed to give a comprehensive and state of the art review of the sexual and reproductive consequences of cancer diagnosis and treatment It will prove an invaluable resource for those clinicians caring for cancer patients as well as acting as a reference text for the sexual medicine clinician who may not see a large number of cancer patients

Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

Immigrants on Grindr Andrew DJ Shield, 2019-11-07 This book examines the role of hook up apps in the lives of gay bi trans and queer immigrants and refugees and how the online culture of these platforms promotes belonging or exclusion Within the context of the so called European refugee crisis this research focuses on the experiences of immigrants from especially Muslim majority countries to the greater Copenhagen area a region known for both its progressive ideologies and its anti immigrant practices Grindr and similar platforms connect newcomers with not only dates and sex but also friends roommates and other logistical contacts But these socio sexual platforms also become spaces of racialization and othering Weaving together analyses of real Grindr profile texts immigrant narratives political rhetoric and popular media Immigrants on Grindr provides an in depth look at the complex interplay between online and offline cultures and between technology and society

Provocateur Anthony J. Cortese, 2015-10-01 In the fourth edition of Provocateur sociologist Anthony J Cortese offers an up to date critical analysis of modern advertising Though we often hear that we live in a period of unprecedented gender and racial equality both racism and sexism persist in a most telling area the ads with which we are inundated every

day in newspapers and magazines and online Cortese examines the ideologies surrounding gender and race by delving into the presentation of women ethnic minorities children and anyone who is qualified as other in society Featuring a fresh selection of nearly 400 advertisements this edition includes new scholarship from gender racial and cultural studies new chapters on gay and lesbian marketing and aggression and violence in the media an expanded chapter on race in advertising and more This edition is ideal for sociology communication and gender and ethnic studies courses as well as for use as go to reference

Welcoming LGBT Residents Tim R. Johnston, 2019-09-30 *Welcoming LGBT Residents* is the first comprehensive guide to working with LGBT older adults in senior living settings The LGBT older adult population represents one of the fastest growing subpopulations within our aging society Despite the increasing demand for LGBT affirming services there is an absence of training books for care providers This dual purpose text is appropriate for training and as a guide to answer questions that may come up during daily tasks It is based on the most recent research and includes stories and testimonials from LGBT older adults and providers in the field Chapters include LGBT inclusive intake and conversations Gender identity and expression Memory care and LGBT people Navigating family dynamics Addressing conflict between residents Staff opinions beliefs and training This timely book will be of interest to professional care providers from long term care nurses and assisted living administrators to staff in retirement communities as well as students in gerontology health care administration and social work courses

Sexuality and the Sacred, Second Edition Marvin M. Ellison, Kelly Brown Douglas, 2010-09-21 Christian discourse on sexuality spirituality and ethics has continued to evolve since this book's first edition was published in 1994 This updated and expanded anthology featuring more than thirty contemporary essays includes more theologians and ethicists of color and addresses issues such as the intersection of race racism and sexuality transgender identity same sex marriage and reproductive health and justice

Gendered Outcasts and Sexual Outlaws Chris Kendall, Wayne Martino, 2012-12-06 A candid re examination of what it means to be a gay man *Gendered Outcasts and Sexual Outlaws Sexual Oppression and Gender Hierarchies in Queer Men's Lives* explores the impact and effects of sexual oppression and power relationships within the gay male community This controversial book features thoughtful and provocative essays from authors educators and activists who challenge the stigmatization and issues of power they face as gay men who don't fit the masculine mold formed by the gay porn industry and the media Their poignant words reveal the sting of finding discrimination and alienation where least expected as the rise of sexualized hyper masculinity racism and femiphobia among gay men has created a need to re examine appropriate gay male identity and sexuality Editors Christopher Kendall and Wayne Martino who have written about and researched the negative side of gay male pornography the links between sexism and homophobia gay male suicide and the impact of masculinity and sexuality on gay men divide the book's powerful essays into two sections *The Dynamics of Sex Gender Oppression and When Gender Harms and Oppression Becomes the Norm* The first section challenges the assumptions that form the basis of gay male identity Relying on the work

of radical feminists and cultural theorists the authors explore the meaning of gender in a society that expects men to act according to a masculine ideal and punishes them when they don't. The book's second section analyzes the reality of gender oppression caused by inequality and sexualized gender hierarchies. Contributors discuss what can happen when gay men take seriously the sexual role models that are offered and what happens if they dare to reject them. *Gendered Outcasts and Sexual Outlaws* examines effeminacy in gay men's lives, the idealization of the gay male body, straight acting masculinities and the rejection of the feminine, narcissism, masculinity and body absorption, racialized masculinity, the feminization of the Asian gay male in gay pornography, gay male rape, domestic violence and much more. *Gendered Outcasts and Sexual Outlaws* is an eye opening re-evaluation of what being gay means, why being gay is still considered socially unacceptable and how the gay male community can respond to systemic stigmatization and hate.

The Routledge Handbook of Male Sex Work, Culture, and Society John Scott, Christian Grov, Victor Minichiello, 2021-03-20 Panoramic and provocative in its scope, this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities, male sexuality, sexual health and sexual cultures. This groundbreaking volume will have a powerful impact on our understanding of this challenging, elusive subject. While the internet has brought the previously hidden worlds of male sex work more starkly into public view, academic research has often remained locked into descriptions of male sex workers and their clients as perverse. Drawing from a variety of regions, the chapters provide insights into the historical, popular, cultural, social and economic aspects of sex work as well as demographic patterns, health outcomes and policy issues. This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon. The book challenges myths and reconceptualizes male sex work as a discrete field. Importantly, it provides a vehicle for the voices of male sex workers and new and established scholars. This richly detailed, humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other. The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities. A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work, this handbook will be of great interest to scholars of criminology, sociology, gender studies and cultural studies and all those interested in male sex work. *Sexuality Quizzes*
