Booklist on *An Affair to Dismember*: *An Affair to Dismember* Three months has been Gladie Burger's limit when it comes to staying in one place. That's why Gladie is more than a little skeptical when her Grandma Zelda, who is more than a little psychic, recruits her into the family's matchmaking business in the quaint small town of Cannes, California. What's more, Gladie is also highly unqualified, having a terrible track record with romance. Still, Zelda is convinced that her granddaughter has her clairvoyant gift. But when the going gets tough, Gladie wonders if this gift has a return policy. When Zelda's neighbor drops dead in his kitchen, Gladie is swept into his bizarre family's drama. Despite warnings from the distractingly gorgeous chief of police to steer clear of his investigation, Gladie is out to prove that her neighbor's death was murder. It's not too long before she's in way over her head with the hunky police chief, a dysfunctional family full of possible killers, and yet another mysterious and handsome man whose attentions she's unable to ignore. Gladie is clearly being pursued, either by true love or by a murderer. Who will catch her first? Citizen Pain. Since joining the family matchmaking business run by her eccentric and psychic Grandma Zelda, Gladie is always looking for love. But when an unbearable toothache knocks her out of commission and into the dentist's chair, she prays only for relief. No such luck. Emerging from an anesthetic haze, Gladie awakes to find that not only is her tooth still throbbing, but her dentist is dead, and the lead suspect in the murder, office receptionist Belinda, just so happens to be Gladie's first real client. Now it's up to Gladie to find Belinda, a man, and keep her from being locked up behind bars. As if that weren't

enough distraction two gorgeous men are vying for Gladie's attention Spencer the playboy chief of police and Holden Gladie's secretive gorgeously muscled neighbor Still Gladie's not complaining about having a helping hand or two when the case leads her to a dangerously bizarre cult She may have met her match and if she's not careful it could be her last The Wizard of Saws Five months have passed since Gladie Burger came to Cannes California to join her eccentric Grandma Zelda in the family matchmaking business and Gladie is quickly mastering the rules of attraction Her latest fix up is still going strong and Gladie's bank account is back in the black until a rival matchmaker arrives in town and has both Gladie and Zelda seeing red Not only is self-proclaimed psychic Luanda Laughing Eagle stealing Grandma Zelda's clients but Zelda is convinced that Luanda's ESP is total BS She tasks Gladie with exposing Luanda as a fraud but Gladie's attention is diverted when murder comes a calling Spencer Bolton the gorgeous chief of police and Gladie's on again off again flame wants her to stay out of the investigation and away from the deliciously chiseled detective who also aims to win Gladie's heart But the one thing Gladie's learned is that in business love and murder it's always personal Field of Screams Since joining the family matchmaking business run by her eccentric and psychic Grandma Zelda Gladie has had little success Involved on one level or another hot sex almost committed and crying in her pillow with three men Gladie distracts herself by giving up on matchmaking and starting a new career But when Gladie stumbles on body parts of dead baseball players all over town she's dragged into solving yet another murder mystery With her life in chaos and the killer getting closer Gladie has to come to terms with the fact that love is murder From Fear to Eternity It's still up in the air whether Gladie really has her psychic grandmother's gift but she's determined to finally give matchmaking her best shot She's also determined to give her new relationship with hottie Police Chief Spencer Bolton a shot that is if she can find him Despite her good intentions Gladie is being sued by a matchmaking client but even with bankruptcy around the corner that's not her biggest problem There seems to be a rash of dead senior citizens popping up at the tea shop owner's family home Gladie is recruited to find the murderer but this time she may have met her match and if she's not careful it could be her last West Side Gory Life is going great for Gladie Burger She's having lots of sex with her hottie boyfriend Chief of Police Spencer Bolton she's settled into her matchmaking career she's got a new car and it's been over two weeks since she's stumbled on a dead body It seems like she's finally got her life on track since she moved in with her psychic grandmother to help her with her matchmaking business But when a stomach ache proves to be more serious she finds herself in West Side Hospital preparing for surgery Befriending the woman in the next bed in her hospital room she becomes distressed when the woman vanishes Alerting the hospital staff they tell her that the woman never existed Has Gladie lost her mind or is something more sinister happening at West Side Hospital Scareplane Gladie is nervous about her upcoming vacation with hottie police chief Spencer Bolton She's never flown before and she's not looking forward to the experience Her fear is heightened when a plane crashes into the house across the street But there's little time to think about it because their town is hosting a law enforcement conference where Southern California's finest
