Shades Of Noir 2:

Black Mirror Eric Lott, 2017-09-25 Blackness is a prized commodity in American pop culture. Marketed to white consumers, it invites whites to view themselves in a mirror of racial difference while remaining wholly white. From sports to literature, film, and music to investigative journalism, Eric Lott reveals the hidden dynamics of this self and other racial mirroring.

Take Two John E. Davidson, Sabine Hake, 2007 This anthology offers an account of German cinema in the fifties, focusing on popular genres, famous stars, and dominant practices, taking into account the complicated relationships between East and West Germany and by paying attention to the economic and political conditions of film production and reception during this period.

Thrillers, Chillers, and Killers Frank Krutnik, 2025-05-13 Film noir is one of the most exciting and most debated products of studio era Hollywood, but did you know that American radio broadcast many programs in the noir vein through the 1940s and 1950s? These included adaptations of such well-known films as *The Maltese Falcon*, *Murder My Sweet*, and *Double Indemnity*, detective series devoted to the adventures of private eyes Philip Marlowe and Sam Spade, and the spine-tingling anthology programs *Lights Out* and *Suspense*. *Thrillers, Chillers, and Killers* is the first book to explore in detail noir storytelling on the two media, arguing that radio's noir dramas played an important role as a counterpart to influence on or a spin-off from the noir films. Besides shedding new light on long-neglected radio dramas and a medium that was cinema's major rival, this scrupulously researched yet accessible study also uses these programs to challenge conventional understandings of the much-debated topic of noir.

Reimagining Delilah's Afterlives as Femme Fatale Caroline Blyth, 2017-10-05 The story of Samson and Delilah in Judges 16 has been studied and retold over the centuries by biblical interpreters, artists, musicians, filmmakers, and writers. Within these scholarly and cultural retellings, Delilah is frequently fashioned as the quintessential femme fatale, the shamelessly seductive fatal woman whose sexual treachery ultimately leads to Samson's downfall. Yet these ubiquitous portrayals of Delilah as femme fatale tend to eclipse the many other viable readings of her character that lie underexplored within the ambiguity-laden narrative of Judges 16. Interpretations that offer alternative and more sympathetic portrayals of her biblical persona. In *Reimagining Delilah's Afterlives as Femme Fatale*, Caroline Blyth guides readers through an in-depth exploration of Delilah's afterlives as femme fatale in both biblical interpretation and popular culture, tracing the social and historical factors that may have inspired them. She then considers alternative afterlives for Delilah's character, using as inspiration both the Judges 16 narrative and a number of cultural texts which deconstruct traditional understandings of the femme fatale, thereby inviting readers to view this iconic biblical character in new and fascinating lights.

Criminal Femmes Fatales in American Hardboiled Crime Fiction Maysaa Husam Jaber, 2016-02-02 This book fills a gap in both literary and feminist scholarship by offering the first major study of femme fatales in hardboiled crime fiction. Maysaa Jaber shows that the criminal literary figures in the genre open up powerful spaces for imagining female agency in direct opposition to the constraining forces of patriarchy and

misogyny *Refiguring American Film Genres* Nick Browne,1998-04-22 This collection of essays by leading American film scholars charts a whole new territory in genre film criticism Rather than assuming that genres are self evident categories the contributors offer innovative ways to think about types of films and patterns within films in a historical context Challenging familiar attitudes the essays offer new conceptual frameworks and a fresh look at how popular culture functions in American society The range of essays is exceptional from David J Russell s insights into the horror genre to Carol J Clover s provocative take on trial films to Leo Braudy s argument for the subject of nature as a genre Also included are essays on melodrama race film noir and the industrial context of genre production The contributors confront the poststructuralist critique of genre head on together they are certain to shape future debates concerning the viability and vitality of genre in studying American cinema

Legal Reelism John Denvir,1996 Law and and justice are important themes in film not only in courtroom dramas but also in the western the film noir even the documentary In the Godfather trilogy Francis Ford Coppola shows that the Mafia possesses its own strict codes even though they are in conflict with those of the criminal justice system In Woody Allen s Crimes and Misdemeanors the protagonist also gets away with murder but with a different dramatic intent by the director and a different effect on the audience Shedding light on myriad facets of the law film relationship fourteen contributors to Legal Reelism analyze films ranging from The Man Who Shot Liberty Valance It s a Wonderful Life and Drums Along the Mohawk to Do the Right Thing Basic Instinct The Thin Blue Line and Thelma and Louise The first volume to contain work by both humanists and legal specialists Legal Reelism is a landmark text for those concerned with depictions of justice in the media and the impact of those depictions on society at large

Framing the Fifties John Davidson,Sabine Hake,2009 This anthology offers an account of German cinema in the fifties focusing on popular genres famous stars and dominant practices taking into account the complicated relationships between East and West Germany and by paying attention to the economic and political conditions of film production and reception during this period

Feeling Revolution Anna Toropova,2020-05-20 Stalin era cinema was designed to promote emotional and affective education The filmmakers of the period were called to help forge the emotions and affects that befitted the New Soviet Person ranging from happiness and victorious laughter to hatred for enemies Feeling Revolution shows how the Soviet film industry s efforts to find an emotionally resonant language that could speak to a mass audience came to centre on the development of a distinctively Soviet cinema Its case studies of specific film genres including production films comedies thrillers and

melodramas explore how the genre rules established by Western and prerevolutionary Russian cinema were reoriented to new emotional settings Sovietising audience emotions did not prove to be an easy feat The tensions frustrations and missteps of this process are outlined in *Feeling Revolution* with reference to a wide variety of primary sources including the artistic council discussions of the Mosfilm and Lenfilm studios and the Ministry of Cinematography Bringing the limitations of the Stalinist ideological project to light Anna Toropova reveals cinema's capacity to contest the very emotional norms that it was entrusted with crafting

The End of Cinema as We Know it Jon Lewis, 2002 In *The End of Cinema As We Know It* contributors well known in the movie field talk about the movie industry and look at the variety of new ways we are viewing films They query whether or not we are getting different better movies

National Imaginaries, American Identities Larry J. Reynolds, Gordon Hutner, 2021-03-09 From the American Revolution to the present the United States has enjoyed a rich and persuasive visual culture These images have constructed sustained and disseminated social values and identities but this unwieldy sometimes untidy form of cultural expression has received less systematic attention than other modes of depicting American life Recently scholars in the humanities have developed a new critical approach to reading images and the cultural work they perform This practice American cultural iconography is generating sophisticated analyses of how images organize our public life The contributions to this volume exhibit the extraordinary scope and interpretive power of this interdisciplinary study while illuminating the dark corners of the nation's psyche Drawing on such varied texts and visual media as daguerreotypes political cartoons tourist posters and religious artifacts these essays explore how pictures and words combine to teach us who we are and who we are not They examine mimesis in elegant portraits of black Freemasons industrial age representations of national parks and postwar photographs of atomic destruction They consider how visual culture has described and disclosed the politics of racialized sexuality whether subconsciously affirming it in the shadows of film noir or deliberately contesting it through the interethnic incest of John Sayles's *Lone Star* Students of literature film and history will find that these essays extend the frontier of American studies The contributors are Maurice Wallace Dennis Berthold Alan Trachtenberg Shirley Samuels Jenny Franchot Cecelia Tichi Eric Lott Bryan C Taylor and Jos E Limón

Rockstar Games and American History Esther Wright, 2022-08-22 For two decades Rockstar Games have been making games that interrogate and represent the idea of America past and present Commercially successful fan beloved and a frequent source of media attention Rockstar's franchises are positioned as not only game changing ground breaking interventions in the games industry but also as critical cultural histories on America and its excesses But what does Rockstar's version of American history look like and how is it communicated through critically acclaimed titles like *Red Dead Redemption* 2010 and *L.A. Noire* 2011 By combining analysis of Rockstar's games and a range of official communications and promotional materials this book offers critical discussion of Rockstar as a company their video games and ultimately their attempts at creating new narratives about U.S. history and culture It explores the ways in which Rockstar's brand identity

and their titles coalesce to create a new kind of video game history how promotional materials work to claim the authenticity of these products and assert the authority of game developers to perform the role of historian By working at the intersection of historical game studies U S history and film and media studies this book explores what happens when contemporary demands for historical authenticity are brought to bear on the way we envisage the past and whose past it is deemed to be Ultimately this book implores those who research historical video games to consider the oft forgotten sources at the margins of these games as importance spaces where historical meaning is made and negotiated Watch our book talk with the author Esther Wright here https://youtu.be/AaC_9XsXCQ

the most memorable characters in cinema We often view these detectives as lone wolves who confront and try to make sense of a violent and chaotic modern world Bran Nicol challenges this stereotype in *The Private Eye* and offers a fresh take on this iconic character and the film noir genre Nicol traces the history of private eye movies from the influential film noirs of the 1940s to 1970s neonoir cinema whose slow and brilliant decline gave way to the fading of detectives into movie mythology today Analyzing a number of classic films including *The Maltese Falcon* *The Big Sleep* *Chinatown* and *The Long Goodbye* he reveals that while these movies are ostensibly thrillers they are actually occupied by issues of work and love The private eye is not a romantic hero Nicol argues but a figure who investigates the concealments of others at the expense of his own private life Combining a lucid introduction to an underexplored tradition in movie history with a new approach to the detective in film this book casts new light on the private worlds of the private eye

From Eileen Chang to Ang Lee Peng Hsiao-yen, Whitney Crothers Dilley, 2014-01-10

In 2007 Ang Lee made an espionage thriller based on the short story *Lust Caution* by Eileen Chang China's most famous female author of the twentieth century The release of the film became a trigger for heated debates on issues of national identity and political loyalty and brought unexpectedly harsh criticism from China where Ang Lee was labelled a traitor in scathing internet critiques whilst the film's leading actress Tang Wei was banned from appearing on screen for two years This book analyses Ang Lee's art of film adaptation through the lens of modern literary and film theory as well as featuring detailed readings and analyses of different dialogues and scenes directorial and authorial decisions and intentions while at the same time confronting the intense political debates resulting from the film's subject matter The theories of Freud Lacan Deleuze Bataille and others are used to identify and clarify issues raised by the film related to gender sexuality eroticism power manipulation and betrayal the themes of lust and caution are dealt with in conjunction with the controversial issues of contemporary political consciousness concerning patriotism and the Sino Japanese War complicated by divided historical experiences and cross Taiwan Strait relationships The contributors to this volume cover translation and adaptation loyalty and betrayal collaboration and manipulation playing roles and performativity whilst at the same time intertwining these with issues of national identity political loyalty collective memory and gender As such the book will appeal to students and scholars of Chinese and Asian cinema and literature as well as those interested in modern Chinese history and cultural studies
