Alaska Claus M. Naske,Herman E. Slotnick,2014-10-22 The largest by far of the fifty states Alaska is also the state of greatest mystery and diversity And as Claus M Naske and Herman E Slotnick show in this comprehensive survey the history of Alaska's peoples and the development of its economy have matched the diversity of its land and seascapes Alaska A History begins by examining the region's geography and the Native peoples who inhabited it for thousands of years before the first Europeans arrived The Russians claimed northern North America by right of discovery in 1741 During their occupation of Russian America the region was little more than an outpost for fur hunters and traders When the czar sold the territory to the United States in 1867 nobody knew what to do with Seward's Folly Mainland America paid little attention to the new acquisition until a rush of gold seekers flooded into the Yukon Territory In 1906 Congress granted Alaska Territory a voteless delegate and in 1912 gave it a territorial legislature Not until 1959 however was Alaska's long sought goal of statehood realized During World War II Alaska's place along the great circle route from the United States to Asia firmly established its military importance which was underscored during the Cold War The developing military garrison brought federal money and many new residents Then the discovery of huge oil and natural gas deposits gave a measure of economic security to the state Alaska A History provides a full chronological survey of the region's and state's history including the precedent setting Alaska Native Claims Settlement Act of 1971 which compensated Native Americans for their losses the effect of the oil industry and the trans Alaska pipeline on the economy the Exxon Valdez oil spill and Alaska politics through the early 2000s

Dream World Belinda Weston Gulley,2011-02-10 I grew large yet I shrunk small I rose up yet I shrunk down low I knew this feeling well I was entering the dream world I stood outside of the cave of a thousand eyes and I began to feel rain pouring down on me I lifted my hand and looked at it and it was then that I realized I was not being covered with rain drops I was being covered with blood and this blood was that of my people that was shed during the battle to keep our homeland The legendary battle of the removal of the Cherokee known as the Trail of Tears Although I stand as

one spirit I have lived many lifetimes Past meets present and present meets the past I entered the dream world hoping to find the answer and knowing I had fought many battles with the evil one and it always begins the same way by entering the dream world where my spirit guide Nonauma awaits for the past and the present to merge and become stronger stronger for the battle between good and evil The dream world is universal all beings go there but there are those few who stay longer sometimes hours sometimes days yet have only closed their eyes for a moment Morning Star and Olivia posses this gift and although they are two separate people they have one thing in common they share the same spirit Morning Star is Olivia s past life and Olivia is Morning Stars future life Together they must battle an angry entity simply called the evil one The evil one will do anything to capture and keep the girls gift of sight With this power he can rule many people therefore making it easier to cause chaos and disaster The evil one controls the bees and snakes and he uses them all to try and get an upper hand on the girls He is much like the coyote full of trickery But there is one rule that even he must follow and that is he can not take this gift away from either girl they must give it to him out of their own free will Both girls are born with a marking upon their palm a perfect medicine wheel and this mark holds the key that can destroy the evil one Who is the dream and who is the dreamer Well that is for you the reader to decide Although the girls are from different eras their battle has not changed The dream world is mystical and magical and it is a place with no boundaries At times it is hard for both girls to know whether they are in the good dream world or the world of bad dreams where the evil one lurks waiting for the right time to deceive the girls Their battles are legendary amongst Morning Stars people but in Olivia s world she stands alone isolated within the truth and it is only in the dream world that she finds freedom to use her gift without any worries of being different
