Most Western approaches to dreams are limited to a psychological paradigm Building on Jung's work which was heavily influenced by the transformative model of alchemy a new multidimensional approach to the process of human transformation through dreams has been developed which recognises the interrelationship of the psychological and the spiritual and works with the mirroring body in service of both In the approach presented here dreams are seen as a mixture of worldly impressions and expressions of our individual spirit which is trying to speak to us through the metaphors and narrative of our dreams In this way the spiritual comes through the psychological dimension Though it may seem to be a contradiction our dreams hold the key to our awakening and by actively engaging with them we can unlock their potential for initiating and facilitating our own unfoldment This book is about recognising this process when it occurs in dreams and how to work with them in the service of our growth and self realisation **Our Shattered Dreams** Martha Gutierrez, 2016-04-05

Despite our hurts and disappointments in life we were created with a purpose Each scene we lived regardless of the pain inflicted to our soul in the end when all the pieces of the puzzle are put together we will be able to see the magnificent masterpiece and then we will be able to understand that there was a reason for every shattered dream Have you wondered if anyone can relate to your pain This book will help you to discover the beauty among the thorns will encourage you to continue the fight you are engaged in and to never give up because you are making the difference in the midst of your surroundings There is no victory without a battle Some abandon their dreams for different reasons This book will inspire you to be an overcomer to be the conqueror you were created and equipped to be even before you realized that you are in a battlefield You are not alone There are others like you who are warriors and understand that it doesn't matter the many pieces they have to pick up from the floor and start all over again they keep fighting for the prize It doesn't matter how you feel or how many barriers you have to run over you are not alone Your descendants are your fans and witnesses One day they will reap the fruit of your efforts While the breath of life is still in us there is hope and the sky is the limit Every hurt and every disappointment is a stepping stone to your final destination You are not alone Don't give up
