Shadow Kills:

Shadow Stitcher Misha Handman, 2019-08-05 Selected as one of the year's most compelling debut novels for Kobo's Emerging Writer Prize *Shadow Stitcher* is guaranteed to delight. This fast-paced Noir mystery has a great cast of easily identifiable characters, a plot both easy to follow and intriguing, and an ending that will leave you satisfied. A rollicking mystery with a fascinating setting, a magical world with a hardboiled edge. For a novel with noir leanings, it's a surprisingly bright read, light, airy, and joyous, as if it's been sprinkled with fairy dust. Ilana Lucas About the book Basil Stark isn't the man he once was. A reformed pirate and private detective, he walks the line between criminal and hero, living in the corners of what was once the island of Neverland, its magic slowly fading into the new world of the 1950s. But when a routine missing person's case turns into a murder investigation, Basil finds himself pulled into a tale of organized crime, murder, unstitched shadows, and dangerous espionage. With only a handful of fellow outcasts and a stubborn determination to bring a killer to justice, will he survive the many people who want him dead? A mystery that was complex and satisfying without being convoluted, just for the sake of it. A twist that felt earned and didn't come entirely out of left field. Characters who were interesting and whose motivations slowly unspooled in a really satisfying way, and just the right balance of magic and grime. Wren Handman About the Author Misha Handman has been involved in writing for most of his life. He started by writing comics for his friends in elementary school and was promptly drawn into the artistic world by their approval, moving on to produce short stories and collaborative works. He has lived in cities across Canada, including Victoria, Ottawa, and Toronto, and refuses to pick a favourite, no matter how much his friends bother him about it. For now, Victoria is his home. Praise: I would wholeheartedly recommend this book to anyone looking for an easy-to-read story that blends mystery, fantasy, action, and a little splash of romance. I eagerly await the next. Everland Mystery Jonathan Miller *Shadow Stitcher* is a must-read Noir Fantasy Novel. *To Kill a Shadow* Katherine Quinn, 2023-11-28 The instant New York Times bestseller *Britannia* meets *The Mist* with a touch of *Evil Dead* in this illusory fantasy horror about a kingdom left to darkness. Jude Maddox knows nothing of love or even light. He knows only his grim duty as the Hand of Death to lead the Knights of the Eternal Star into a land filled with nightmares and certain demise. It's only when he sees her, a young woman with wild amber eyes, who's as fierce, defiant, and swift as the shadow beasts themselves, that he feels the warmth of life in his blood. The other Knights may fear their lethal commander with his hard, merciless demeanor. Outcast Kiara Frey sees only a leader, a man who knows how to survive. Someone like her. But wanting him is as treacherous as the shadows themselves and just as seductive. With a kingdom on the verge of collapse, the Knights must now venture into the darkest heart of the land and uncover the secrets of the misted shadows where evil will prey upon their minds and feast on their flesh. It will betray their senses. It will surpass their nightmares. Most of them will die. But they have no other choice. Because the only way to fight the darkness is to become it. The *Mistlands Duology* is best enjoyed in order. Reading Order: Book 1 *To Kill a Shadow*, Book 2 *To Shatter the Night*.
