Shadow Of Glory Reading New Testament After Holocaust:

The Aryan Jesus Susannah Heschel, 2010-10-03 Was Jesus a Nazi During the Third Reich German Protestant theologians motivated by racism and tapping into traditional Christian anti-Semitism redefined Jesus as an Aryan and Christianity as a religion at war with Judaism In 1939 these theologians established the Institute for the Study and Eradication of Jewish Influence on German Religious Life In The Aryan Jesus Susannah Heschel shows that during the Third Reich the Institute became the most important propaganda organ of German Protestantism exerting a widespread influence and producing a nazified Christianity that placed anti-Semitism at its theological center Based on years of archival research The Aryan Jesus examines the membership and activities of this controversial theological organization With headquarters in Eisenach the Institute sponsored propaganda conferences throughout the Nazi Reich and published books defaming Judaism including a de-judaized version of the New Testament and a catechism proclaiming Jesus as the savior of the Aryans Institute members professors of theology bishops and pastors viewed their efforts as a vital support for Hitler's war against the Jews Heschel looks in particular at Walter Grundmann the Institute's director and a professor of the New Testament at the University of Jena Grundmann and his colleagues formed a community of like-minded Nazi Christians who remained active and continued to support each other in Germany's postwar years The Aryan Jesus raises vital questions about Christianity's recent past and the ambivalent place of Judaism in Christian thought Jewish Exiles and European Thought during the Third Reich David Weinstein, Avihu Zakai, 2017-07-06 A study of how forced exile from 1930s Germany informed the scholarship of four German-speaking Jewish intellectuals *T&T Clark Handbook of Children in the Bible and the Biblical World* Sharon Betsworth, Julie Faith Parker, 2019-05-16 This ground-breaking volume examines the presentation and role of children in the ancient world and specifically in ancient Jewish and Christian texts With carefully commissioned chapters that follow chronological and canonical progression a sequential reading of this book enables deeper appreciation of how understandings of children change over time Divided into four sections this handbook first offers an overview of key methodological approaches employed in the study of children in the biblical world and the texts at hand Three further sections examine crucial texts in which children or discussions of childhood are featured presented along chronological lines with sections on the Old Testament Hebrew Bible the Intertestamental Literature and the New Testament and Early Christian Apocrypha Relevant not only to biblical studies but also cross-disciplinary scholars interested in children in antiquity **"True and Holy"** Leo Lefebure, 2014-04-10 When believers read the sacred texts of other religions through a hermeneutic of hostility the consequences can be deadly Christian history shows that the Bible is no exception In recent decades however many Christian traditions have radically refashioned their approach to other religious traditions and to biblical interpretation This new hermeneutics of generosity seeks to uncover what can be learned from other holy texts and the communities that treasure them and also seeks to find common ground on important issues such as human rights and religious liberty Lefebure offers

Christian readings of Jewish Muslim Hindu and Buddhist holy texts that suggest new bases for friendship and understanding Noting the challenges and tensions in the relationship between Christians and these four other religious communities he also examines the specific issues involved in interpreting the Christian Bible in interreligious dialogue He concludes with a reflection on the experience of conversion in light of the theology of Bernard Lonergan and the mimesis theory of Rene Girard

Christianity in Hitler's Ideology Mikael Nilsson,2024-06-27 This ambitious study analyses Hitler's ideological relationship to Jesus and reconsiders the core beliefs of National Socialism

Promising Nothing Neal J. Anthony,2021-02-23 Can the categories of classical Lutheran Christology be unleashed to express the vitality of christological existence an existence situated between Promise and experience If as Martin Luther famously asserted in his Heidelberg Disputation 1518 true theology and recognition of God are in the crucified Christ then such a theological point of departure not only bore radical implications for his Christology but indeed also bears profound significance for theological discussions around the Word of Promise its structure its experience its plurality With regard to the elaboration of the two natures of Jesus Christ such a point of departure permits a delineation of Promise the body of Promise who is bound to who suffers the nihil of human existence Which means such a point of departure affords us equally the opportunity to consider and probe the implications of the nihil as the medium of both threat and Promise Is this a promising threat Or a threatening Promise Ultimately Promise is delineated from within hermeneutical origins the christological function of Scripture the text and developed through to its diverse expression as the body of Promise translated into christological existence Within this context categories of classical Lutheran Christology begin to express new vitality Along the way the Word of Promise as developed within the trajectory of Luther's theology of the cross and his radical delineation of the two natures of Jesus Christ receives further sharpening within the context of discussion with such theological voices as John Caputo and Jacques Derrida Hans Holbein the Younger Albert Schweitzer Matthias Grunewald Carl Braaten Karl Barth Michael Welker and Samuel Terrien Ultimately we are permitted to confess There is one Crucified And he is plural

In God's Time Craig C. Hill,2002-09-27 Hill's new book includes chapters on the nature of the Bible the history of prophecy the meaning of apocalyptic writings the interpretation of Daniel and Revelation the expectations of Jesus and the hopes of the early Christians It also includes an appendix Not Left Behind on the subject of the rapture October

Theologies of the Gospel in Context David Schnasa Jacobsen,2017-08-25 Many preachers and teachers of preaching talk about the gospel few name it Theologies of the Gospel in Context assembles a gifted group of homileticians who think that preachers need to be able to articulate the gospel not in general but in a certain time and place in context They consider what gospel sounds like for people under oppression in capitalist economies in neocolonial contexts for survivors of trauma and for disestablished mainline churches marred by racism Preachers will appreciate these preacher scholars desire to articulate the gospel with clarity especially since the term is so often left unexplained Homileticians will see a new genre of doing their work as teachers and researchers in preaching a vision that

helps preaching see itself not just as an adjunct to exegesis or communication but a place of doing theology In these pages homiletics is more than technique it is a truly theological discipline *Ex Auditu - Volume 19* Klyne Snodgrass, 2004-06-23

Ex Auditu began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today's Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors

Hebrews in Contexts Gabriella Gelardini,Harold Attridge,2016-05-09 Scholars of Hebrews have repeatedly echoed the almost proverbial saying that the book appears to its reader as a Melchizedekian being without genealogy For such scholars the aphorism identified prominent traits of Hebrews its enigma its otherness its marginality Although Franz Overbeck might unintentionally have stimulated such correlations they do not represent what his dictum originally meant Writing during the high noon of historicism in 1880 Overbeck lamented a lack of historical context one that he had deduced on the basis of flawed presuppositions of the ideological frameworks prevalent of his time His

assertion made an impact and consequently Hebrews was not only othered within New Testament scholarship its context was neglected and by some even judged as irrelevant altogether Understandably the neglect created a deficit keenly felt by more recent scholarship which has developed a particular interest in Hebrews contexts Hebrews in Contexts edited by Gabriella Gelardini and Harold W Attridge is an expression of this interest It gathers authors who explore extensively on Hebrews relations to other early traditions and texts Jewish Hellenistic and Roman in order to map Hebrews historical cultural and religious identity in greater and perhaps surprising detail

A Jew to the Jews David J. Rudolph, 2011 David Rudolph's primary aim is to demonstrate that scholars overstate their case when they maintain that 1 Cor 9 19 23 is incompatible with a Torah observant Paul A secondary aim is to show how one might understand 1 Cor 9 19 23 as the discourse of a Jew who remained within the bounds of pluriform Second Temple Judaism Part I addresses the intertextual contextual and textual case for the traditional reading of 1 Cor 9 19 23 Weaknesses are pointed out and alternative approaches are considered The exegetical case in Part II centres on interpreting 1 Cor 9 19 23 in light of Paul's recapitulation in 1 Cor 10 32 11 1 which concludes with the statement Be imitators of me as I am of Christ Given the food related and hospitality context of 1 Cor 8 10 and Paul's reference to dominical sayings that point back to Jesus example and rule of adaptation it is argued that 1 Cor 9 19 23 reflects Paul's imitation of Jesus accommodation oriented table fellowship with all As Jesus became all things to all people through eating with ordinary Jews Pharisees and sinners Paul became all things to all people through eating with ordinary Jews strict Jews those under the law and Gentile sinners This Cambridge University dissertation won the 2007 Franz Delitzsch Prize from the Freie Theologische Akademie

A Jew to the Jews David Rudolph, 2016-10-21 David J Rudolph raises new questions about Paul's view of the Torah and Jewish identity in this post supersessionist interpretation of 1 Corinthians 9 19 23 Paul's principle of accommodation is considered in light of the diversity of Second Temple Judaism and Jesus example and rule of accommodation
