Their combined works offer a historical capsule of societal anxieties and hopes reflecting on themes of human resilience, the abuse of technology, and the moral dilemmas of progress. **DAWN OF THE APOCALYPSE** is an essential collection for readers eager to dive into the depths of human imagination faced with its own end. It offers an unparalleled opportunity to traverse the vast landscapes of apocalyptic fiction through the eyes of some of the most influential authors in literary history. This anthology not only serves as an academic goldmine for those studying the evolution of speculative fiction and its impact on society but also provides a timeless reflection on humanity's perennial concerns with its own survival and legacy. Readers are invited to witness the end of worlds not just as an exercise in literary exploration but as a mirror to our collective psyche across generations.

Conrad's Shadow Nidesh Lawtoo, 2016-09-01 Western thought has often dismissed shadows as fictional, but what if fictions reveal original truths? Drawing on an anti-Platonic tradition in critical theory, Lawtoo adopts ethical, anthropological, and philosophical lenses to offer new readings of Joseph Conrad's novels and the postcolonial and cinematic works that respond to his oeuvre. He argues that Conrad's fascination with doubles urges readers to reflect on the two sides of mimesis: one side is dark and pathological and involves the escalation of violence, contagious epidemics, and catastrophic storms; the other side is luminous and therapeutic and promotes communal survival, postcolonial reconciliation, and plastic adaptations to changing environments. Once joined, the two sides reveal Conrad as an author whose Janus-faced fictions are powerfully relevant to our contemporary world of global violence and environmental crisis.

Apocalypse the Battlefield Miranda Martin, 2020-01-24 A bond that ties the strings of fate into a thread stronger than steel. We lost her. We failed. Betrayed by one of our own. The world already ended once, but none of us were prepared for what happened. We have to carry on somehow because even though we lost the fate of the world, it still hangs in the balance. This is it. The final battle, our last showdown with the Shadow, and everything is on the line. Including our lives and the souls of everyone on Earth. Yet in this, our darkest hour, hope exists. Her bond with the Twelve. We go to battle and win or lose, we'll do it together. **Apocalypse The Battlefield** is a fantasy romance with magic, dragons, demons, angels, and one headstrong heroine who has to not only save the world but navigate her way through multiple relationships. WHY ANYTHING - WHY NOT NOTHING: THE GOLDBLOCKS PARAGON Captain Robert Cowley, 2019-09-24 Captain Robert Cowley walked a deserted Pacific beach. It was pre-dawn, dark, and chilly. Suddenly, he heard a voice. Robert looked up. He looked up and observed the faint glow of Mars and billions of stars. The voice spoke again. Why anything? Why not nothing? Cowley, an archetypal on-and-off believer, wrote **Why Anything? Why Not Nothing?** for atheists, theists, scientists, evolutionists, and more. He asks: are humans the remnants of a natural big bang that coalesced into a universe, or might we be the creation of a supernatural God? Asking difficult questions and challenging the bounds of human reason, logic, and intelligence, he reviews Biblical science against modern science and the limitations inherent in matter. He seeks to understand how and why we are

here Cowley searches for answers in the cosmos and in the supernatural philosophy of two monotheistic religions Judaism and Christianity He ponders with amazing intelligible lucidity is evolution or God responsible for life *Until the Fires Stopped Burning* Charles B. L. Cooper,2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of his coming Does

Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today s Christians lack a basic understanding of apocalyptic spirituality or do not understand God s mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return *Apocalyptic Ruin and Everyday Wonder in Don DeLillo's America* Michael Naas,2022-10-20 Apocalyptic Ruin and Everyday Wonder in Don DeLillo s America is a fresh and engaging study of last things in Don DeLillo s works things like death mourning and the decline of the American empire but then also the apocalypse the last judgment and the end of the world more generally Michael Naas untangles complex themes in short witty chapters that highlight and celebrate DeLillo s inventive and playful writing employing a novel approach to literary criticism Making no use of secondary sources the book is entirely a discussion of DeLillo s work accessible to any level of readership while maintaining a firm grasp of the theory necessary to make this unique argument And yet this book is also about all the things that double or shadow those last things in the very same works like the wonder of language or the radiance of everyday events From Americana 1971 up through Zero K 2016 and The Silence 2020 and perhaps like no other American author Don DeLillo has created meaning by contrasting juxtaposing or as Naas calls it here contrabanding first and last things conflicting or opposing forces such as life and death creation and destruction consumption and waste everyday wonder and apocalyptic ruin the origins of language and the end of the world In his adept demonstration of how DeLillo has returned repeatedly to these last things Naas shows how the works of Don DeLillo have been there for more than half a century to remind us of one simple and yet profound truth nothing lasts forever
