Shadow Of The Plantation:

Shadow of the Plantation Charles Spurgeon Johnson, 1996-01-01 A survey of African American life in the South after slavery was abolished and before the civil rights movement Shadow of the Plantation Charles Johnson, 2018-04-24 Shadow of the Plantation focuses on descendants of slaves in one rural Southern community in the early part of this century In the process Johnson reviews the troubled history of race relations in the United States When reread half a century after it was first written Shadow of the Plantation is clearly revealed as a remarkably perceptive and fresh comment on race relations and the triumph of individuals over circumstances Charles Johnson's book is significant for its use of multiple methodologies The research took place in an ecological setting that was a dynamic element of the life of the community The book is a multifaceted interpretive survey of the 612 black families that composed the rural community of Macon County Alabama in the late 1920s and early 1930s Johnson describes and analyzes their families economic situation education religious activities recreational life and health practices Shadow of the Plantation manages to be both historically accurate and foresighted at the same time It is as much a book about today as it is a discussion of yesterday This volume is an important study that will be of value to sociologists anthropologists and black studies specialists *Shadow of the Plantation*, 2017 Shadow of the Plantation focuses on descendants of slaves in one rural Southern community in the early part of this century In the process Johnson reviews the troubled history of race relations in the United States When reread half a century after it was first written Shadow of the Plantation is clearly revealed as a remarkably perceptive and fresh comment on race relations and the triumph of individuals over circumstances Charles Johnson's book is significant for its use of multiple methodologies The research took place in an ecological setting that was a dynamic element of the life of the community The book is a multifaceted interpretive survey of the 612 black families that composed the rural community of Macon County Alabama in the late 1920s and early 1930s Johnson describes and analyzes their families economic situation education religious activities recreational life and health practices Shadow of the Plantation manages to be both historically accurate and foresighted at the same time It is as much a book about today as it is a discussion of yesterday This volume is an important study that will be of value to sociologists anthropologists and black studies specialists Provided by publisher **In the Shadow of the Plantation** Alvin O. Thompson, 2002 Examines the Caribbean experience from slavery through to the post independence period Divided into 4 broad thematic areas the articles demonstrate the impact of colonialism and the plantation system on Caribbean Life and highlight the efforts that Caribbean peoples have made to uplift themselves from the trammels of colonialism **Reassessing the 1930s South** Karen Cox, Sarah Gardner, 2018-05-18 Much of American popular culture depicts the 1930s South either as home to a population that was intellectually morally and physically stunted or as a romantic sentimentalized haven untouched by the nation's financial troubles Though these images stand as polar opposites each casts the South as an exceptional region that stood separate from American norms Reassessing the 1930s

South brings together historians art critics and literary scholars to provide a new social and cultural history of the Great Depression South that moves beyond common stereotypes of the region Essays by Steven Knepper Anthony J Stanonis and Bryan A Giemza delve into the literary culture of the 1930s South and the multiple ways authors such as Sterling Brown Tennessee Williams and E P O Donnell represented the region to outsiders Lisa Dorrell and Robert W Haynes explore connections between artists and the South in essays on New Deal murals and southern dramatists on Broadway Rejecting traditional views of southern resistance to modernization Douglas E Thompson and Ted Atkinson survey the cultural impacts of technological advancement and industrialization Emily Senefeld Scott L Matthews Rebecca Sharpless and Melissa Walker compare public representations of the South in the 1930s to the circumstances of everyday life Finally Ella Howard Nicholas Roland and Robert Hunt Ferguson examine the ways southern governments and activists shaped racial perceptions and realities in Georgia Texas and Tennessee Reassessing the 1930s South provides an interpretation that focuses on the region's embrace of technological innovation promotion of government sponsored programs of modernization rejection of the plantation legend of the late nineteenth century and experimentation with unionism and interracialism Taken collectively these essays provide a better understanding of the region's identity both real and perceived as well as how southerners grappled with modernity during a decade of uncertainty and economic hardship

Leisure, Plantations, and the Making of a New South Julia Brock, Daniel Vivian, 2015-10-01 *Leisure Plantations and the Making of New South* investigates the social architectural and environmental history of sporting plantations in the South Carolina lowcountry and the Red Hills region of southeast Georgia and northern Florida Although plantations figure prominently in histories of the post emancipation South historians have paid little attention to the redevelopment of plantations for non agricultural use By examining the two largest concentrations of sporting plantations on the south Atlantic coast this collection explores questions about historical memory of slavery race relations material culture and the environment during the first half of the twentieth century

Tuskegee's Truths Susan M. Reverby, 2012-12-01 Between 1932 and 1972 approximately six hundred African American men in Alabama served as unwitting guinea pigs in what is now considered one of the worst examples of arrogance racism and duplicity in American medical research the Tuskegee syphilis study Told they were being treated for bad blood the nearly four hundred men with late stage syphilis and two hundred disease free men who served as controls were kept away from appropriate treatment and plied instead with placebos nursing visits and the promise of decent burials Despite the publication of more than a dozen reports in respected medical and public health journals the study continued for forty years until extensive media coverage finally brought the experiment to wider public knowledge and forced its end This edited volume gathers articles contemporary newspaper accounts selections from reports and letters reconsiderations of the study by many of its principal actors and works of fiction drama and poetry to tell the Tuskegee story as never before Together these pieces illuminate the ethical issues at play from a remarkable breadth of perspectives and offer an unparalleled look at

how the study has been understood over time **Captivating Technology** Ruha Benjamin, 2019-06-07 The contributors to *Captivating Technology* examine how carceral technologies such as electronic ankle monitors and predictive policing algorithms are being deployed to classify and coerce specific populations and whether these innovations can be appropriated and reimagined for more liberatory ends

Driven to the Field David A. Davis, 2023-02-21 *Driven to the Field* traces the culture of sharecropping crucial to understanding life in the southern United States from Emancipation to the twenty first century By reading dozens of works of literature in their historical context David A Davis demonstrates how sharecropping emerged endured for a century and continues to resonate in American culture Following the end of slavery sharecropping initially served as an expedient solution to a practical problem but it quickly developed into an entrenched power structure situated between slavery and freedom that exploited the labor of Blacks and poor whites to produce agricultural commodities Sharecropping was the economic linchpin in the South s social structure and the region s political system race relations and cultural practices were inextricably linked with this peculiar form of tenant farming from the end of the Civil War through the civil rights movement *Driven to the Field* analyzes literary portrayals of this system to explain how it defined the culture of the South revealing multiple genres of literature that depicted sharecropping such as cotton romances agricultural uplift novels proletarian sharecropper fiction and sharecropper autobiographies important works of American literature that have never before been evaluated and discussed in their proper context *The Myth of The Negro Past* Melville Herskovits, 1990-03-01 Almost fifty years ago Melville Herskovits set out to debunk the myth that black Americans have no cultural past Originally published in 1941 his unprecedented study of black history and culture recovered a rich African heritage in religious and secular life the language and arts of the Americas *Library of Congress Subject Headings* Library of Congress, 2009 **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2009 *Slavery and Its Aftermath* Peter I. Rose, **Songsters and Saints** Paul Oliver, 1984-09-27 Paul Oliver rediscovers the wealth of neglected vocal traditions represented on Race records *Americans from Africa* Peter I. Rose, 2016-03-23 *Americans from Africa* seeks to convey varying perspectives on the Black Experience in the United States and its controversial history This volume *Slavery and Its Aftermath* deals with four major issues the extent of African influences on the lives of those enslaved and brought to America beginning with an essay on Africanisms in *Everyday Life* by Melville J Herskovits the impact of slavery on personality and social structure sometimes called The Elkins Debate similarities and differences in life for African Americans in the South and in the North and matters of community class and family including the full text of the Moynihan Report and several pointed critiques In addition to the commentaries by and on the works of Herskovits Elkins and Daniel Patrick Moynihan other contributors to Volume I include Kenneth B Clark Mina Caulfield Davis E Franklin Edwards Eugene Genovese Ulf Hannerz Charles S Johnson Leroi Jones and Charles Keil The second volume *Old Memories New Moods* contains essays on the roots of black protest the background and character of the

Civil Rights Movement interpretations of the impact and significance of Black Power and varied views on changing self images of being African American **The Chicago Afro-American Union Analytic Catalog** ,1972 Bad Blood James H. Jones,1993 The modern classic of race and medicine updated with an additional chapter on the Tuskegee experiment s legacy in the age of AIDS **Childhood in America** Paula S. Fass,Mary Ann Mason,2000 Anthology of fiction and nonfiction works presenting society s views of children and childrearing practices in the United States from Colonial times to the present

Changing Woman Karen Anderson,1996 While great strides have been made in documenting the historical experiences and actions of middle class white women in United States scholarship on racial ethnic women has begun to appear only in recent years as women of color and other scholars have broadened the base of inquiry in women s history Without a window into the lives of racial ethnic women our understanding of the meanings and dynamics of various forms of social inequality will be woefully inadequate Now in this illuminating volume Karen Anderson offers the first book to examine the lives of women from three important ethnic groups in the United States Native American Mexican American and African American women revealing the specificities and commonalities of their experiences *Changing Woman* provides the first comparative history of women from these racial ethnic groups explaining changes in the sources and nature of the oppressions in their lives and tracing their progress over time **Philanthropy and Jim Crow in American Social Science** John H. Stanfield,1985-04-18
