young courtesans angle to take the coveted spot in the king's bed. Indeed Claudette's reputable new position is marked by spying illicit trysts and titanic power struggles. As Athena's becomes ever more desperate to hold on to the king's favour, her innocent love charms begin to delve into the realm of deadly black magic and Claudette is forced to consider a move that will put her life and the family she loves so dearly at risk. Set against the gilded opulence of a newly constructed Versailles and the cut-throat Parisian war of the theatres, *The Shadow Queen* is a seductive gripping novel about the lure of wealth, the illusion of power and the increasingly uneasy relationship between two strong-willed women whose actions could shape the future of France.
