

The background of the book cover is a painting of a path leading through a dense forest. The path is made of reddish-brown earth and is flanked by green grass and dark, shadowed areas. In the distance, a bright, glowing light emanates from the path, creating a strong contrast with the dark surroundings. The trees are dark and dense, with some light filtering through the canopy. The overall mood is mysterious and hopeful.

## **Shadow Of The Path Clearing The Psycholo:**

*The Shadow on the Path* Fedorschak VJ., V. J. Fedorschak, 2015-02-25 Psychology and spiritual healing meet in this important book that explores the nature of the human psychological shadow      **Clearing the Path** Stephen Parker, 2015-05-15 Stephen Parker has produced a profound explication of the psychological dimension of Yoga from the standpoint of classical Raja yoga I would recommend *Clearing the Path* for all students of Yoga and meditation who truly aspire to a deeper level of practice David Frawley      **You Don\_t Know Anything...** Nadir Psy. D. Baksh, 2013-05-22 In *You Don t Know Anything A Manual for Parenting Your Teenagers* we will take into consideration those ages between twelve and eighteen ending at the general time at which most teens matriculate to college or independent living although twenty years of age is more commonly thought of as the demarcation into adulthood The teen years are filled with many intellectual and physiological changes involving growth spurts developmental achievements the appearance of secondary sex characteristics and questions of sexual identity Equally as important but less often mentioned is the recognition that adolescence is also a time of feeling unparalleled in any other stage Your son or daughter is feeling the possibilities that exist in a world just opening up to him or her and suffering the fears that come with breaking away from the warm dependency of the core family to venture into the un known Your child s adolescence will be marked by the longing to turn back to simpler times without responsibility together with the urge to march forward armed with little more than dreams of what might be This book is designed to encourage in you a deeper appreciation of their challenges      **Yoga Morality** Georg Feuerstein, 2022-09-01 It is impossible to be a good yogi or yogini without also being a morally mature individual writes internationally known Yoga authority and author Georg Feuerstein *Yoga Morality* looks at our present world situation primarily from the viewpoint of a spiritually committed person especially a practitioner of Yoga It addresses the question How are we to live consciously responsibly authentically and without fear in the midst of mounting global crises This book is a hard hitting critique of the media hype surrounding Yoga and an exploration of Yogic philosophy and practice to discover what it really means to be a mature and moral person Topics Include Moral Law and Cosmic Law Interconnectedness and the Web of Life Universal Morality and Personal Virtues Truthfulness Compassion Generosity Death Freedom and Moral Spontaneity      [Radiant Joy Brilliant Love](#) Clinton Callahan, 2020-11-05 This hard hitting and innovative book about man woman relationship immediately challenges the deceptions about love and intimacy rampant in today s patriarchal culture At the same time *Radiant Joy Brilliant Love* reveals a step by step process for discovering and living out alternative possibilities The author claims that even the best of our relationships are still generally basic level what he calls Ordinary Human Relationship He asserts that two more domains remain to be explored namely Extraordinary Human Relationship and Archetypal Love The book shows exactly how to enter these new domains and how to stay there long enough to cultivate genuine intimacy nurturance excitement and satisfaction together The material for this book is startlingly original and fresh directly distilled from over

thirty years of trial error and reevaluation within seminars and trainings conducted by the author in the U S and Europe The essential teaching tools are Thought Maps that illustrate and guide the dynamics of evolving relationship coupled with a series of experiments explorations to be undertaken alone or with one s partner Topics include What your mother never told you and your father didn t know about love and relationships Making the leap from Defensive Learning to Expansive Learning Breaking out of the relationship Box The lie of being unlovable Navigating in the realm of feelings Communication skills for explorers

**Widening the Circle** Debora Hogeland,2000 Debora Hogeland interweaves stories and interviews collected from over 17 years of community living She covers issues such as realistic and unrealistic expectations for community living philosophy and ethics of group work raising children in community and the whys and hows of sharing resources

**The Guru Question** Mariana Caplan,2011-06-01 The spiritual journey is perhaps the most personal experience of our lives but does that mean we have to go it alone With The Guru Question award winning author Mariana Caplan brings you a unique and much needed guide for deciding whether you need a dedicated mentor to help illuminate your path to awakening and if so how to navigate the deep complexities of the guru disciple relationship For those seeking a teacher worthy of their trust and devotion or anyone who has been frustrated by their experiences with a spiritual teacher Caplan offers a candid practical and daringly personal examination of the student teacher dynamic including Are you ready to be a student If and when you should consider making a commitment to a spiritual teacher The path of the conscious learner how to retain your power and autonomy while accepting a mentor s authority Tips for the wounded seeker the valuable lessons we learn from our encounters with false teachers Spiritual scandals and predatory gurus guidance for avoiding the inherent pitfalls in the student teacher relationship How to recognize the inner light of divinity as it manifests in the imperfect human guise of your teacher and yourself In a time when a distrust of authority has been proven to be a healthy trait we tend to be justifiably suspicious of those who present themselves as gurus and spiritual masters Drawing upon her knowledge as both a scholar of mysticism and lifelong practitioner of spiritual traditions Mariana Caplan helps readers develop the discernment that is crucial when seeking an authentic teacher and reveals the immeasurable rewards that can come from having a trustworthy guide on the spiritual path
