Shadowmancer G.P. Taylor, 2010-08-19 *Shadowmancer* takes you into a world of superstition magic and witchcraft where the ultimate sacrifice might even be life itself Obadiah Demurral is a sorcerer who is seeking to control the highest power in the Universe He will stop at nothing The only people in his way are Raphah Kate Thomas and the mysterious Jacob Crane Packed full of history folklore and smuggling *Shadowmancer* is a tale of an epic battle that will grip both young and old The thrills suspense and danger are guaranteed to grab the attention and stretch imaginations to the limit G. P. Taylor: Sin, Salvation and Shadowmancer Zondervan, 2009-08-30 Booted out of school for trying to set fire to a teacher's desk Graham Taylor became a roadie for the Sex Pistols and other punk rock bands It's unlikely that someone savoring a life of sex drugs and rock music would end up on a police force but it happened After a decade on the force Taylor was attacked and beaten and his injuries forced him out of service So Taylor topped one surprise twist in his life with another he became an Anglican priest Assigned to a church on the northeast coast of England Taylor delved into the fascinating history of the region tales of smugglers storms at sea and people lost out on the moors This curiosity would propel him in yet another new direction as the landscape started to inspire him with ideas for settings and stories of his own When he gave a speech about his concern over a growing occult presence in children's literature someone asked Taylor why he didn't write a children's book himself The seed was planted and soon Taylor was hard at work on *Shadowmancer* a breathtaking tale of the battle between good and evil It was a safe bet that when Taylor sold his motorcycle to print his first novel the self-published book would sell only to friends and relatives But once again Taylor's course roared away from the predictable *Shadowmancer* rocketed to the top of the bestseller lists on both sides of the Atlantic But then what had been predictable about Taylor's life Laced with humor and filled with incredible twists and turns the life story of G P Taylor is equal to the plot of any one of his bestselling novels This entertaining inspiring and engaging autobiography is a book you won't want to put down **The Shadowmancer Returns:**

The Curse of Salamander Street G. P. Taylor, 2007-05-10 In this thrilling much anticipated sequel to the runaway hit *Shadowmancer* G P Taylor once again takes readers on a gripping journey Kate and Thomas have barely escaped the evil sorcerer Demurral and are sailing to London to make a fresh start But someone knows they are coming and is lying in wait to lure them into the darkest heart of the city Meanwhile Raphah who has had a narrow escape of his own sets out on a terrifying journey to find his friends all the time haunted by a shadowy beast Eventually the friends' paths meet on a cursed street hidden from the world a place where fates are decided and old enemies seek revenge They thought it was over but can evil ever be destroyed *The Joy of Self-Publishing* Mike Buchanan, 2013-02 Self-publishing can be more rewarding than being published creatively financially and in other respects if you go about it the right way You could well be confused as many self-publishers are by the multiplicity of options available to you The good news is that you can now make your books visible and available to book buyers around the world at minimal cost An ebook PDF edition of this book was made available

worldwide at no cost an edition for the Kindle iPad Nook Sony eReader and other e readers made available for GBP95 00 a paperback edition made available worldwide for GBP42 00 As a self publisher what are your options for new books Should you choose an offset lithography print run a digital print run or maybe print on demand POD Hardback or paperback or other formats Possibly an ebook too And crucially how will you get your books distributed cost effectively to buyers around the world This book will take you through the options and explain their relative advantages and disadvantages It provides guidance on selecting book topics with strong sales potential writing distinctively obtaining a professional critique of your work writing content rich non fiction writing in a number of genres choosing between hardback and paperback and other formats choosing the optimal printing method book content formatting book specifications colour plate section options distribution print on demand POD order fulfilment dealing with Amazon Lightning Source Nielsen and Bowker printers copy editors and proofreaders typesetters cover designers photographers pricing and marketing your books and a whole lot more besides The book includes a sample chapter from the author s international bestseller *Two Men in a Car* a businessman a chauffeur and their holidays in France along with the plate section from the book *Mike Buchanan* a British writer and former business consultant is the author of eight books since 2008 He s been published internationally by a leading publisher in English and Chinese editions and he s self published He much prefers self publishing for a variety of reasons In January 2010 at the age of 52 he took early retirement and now writes and self publishes full time He developed the model of commercial self publishing outlined in this book The model has been designed to help self publishers enjoy their writing more increase their output of strong titles and maximise their profits
