Shadows in Jerome Curtis D. Vick, 2003-11-14 Shadows in Jerome is a tale which introduces the reader to the old town of Jerome on Mingus Mountain in its heyday as the center of the world's copper mining industry but it is also a story involving the town's afterlife as a tourist attraction and a historical site a treasure to travelers from all over the world Jerome is a real town and the dynamics and vitality of the things which happened there in years long gone rival those of any old western town in the United States Today it is a so called ghost town Much of what it was has vanished Still it's amazing that so much of it remains At less than two square miles in size and with no more than fifteen thousand residents at any one time and far fewer than that for most of its life it was a mighty midget of a town Some of its one time residents are said to still be present in a few of its old buildings albeit in different form In this story a couple of young wayfarers encounter more adventure and mystery than they bargain for when they find the old town paradoxically in a state of death and decay as well as vibrant activity its streets and shops filled by the bustle and gaiety of tourists who come to walk its quaint up and down sidewalks and see the old buildings that once made up the city of Jerome Arizona the billion dollar copper town The old place was once the center of serious endeavor by men of means men of ambition and authority as well as men who felt nothing should be allowed to block their path toward wealth and power Desire for these things was not the only kind of passion which existed in Jerome love in all of its attendant forms was present as well for beautiful women lived there But there is even more in Shadows in Jerome Mystery and a touch of horror complete this story The wild and grand spectacle of the mountains and the nearby Verde Valley as well as the picturesque charm of the old

town in the clean air high on the side of Mingus Mountain not only help to hide evil but they assist in posing philosophical questions as well is it love or through hate that one finds forever And by what means does one reach it Enter the pages of this novel and you will be able to feel the forgotten years that pervade the old streets of Jerome as the very past seems to rear itself before you here men and women lived and died Haroltry gambling and heavy drinking were not any more unusual here than was the coming of the long shadows at the end of each day What is in store for those who lie for profit and love What happens when young girls are taken too soon How does one pay for transgressions against life and the living Shadows in Jerome addresses these questions in a very unique way At less than two square miles in size and with no more than fifteen thousand residents at any one time and far fewer than that for most of its life it was one mightly midget of a town *The Anglo American* ,1843 The Shadows of God Greg Keyes,2015-12-22 Angels and demons alike watch and wait as the last warriors of old Europe invade the New World in this magnificent conclusion to the Age of Unreason alternate history series The alchemical catastrophe that Sir Isaac Newton inadvertently unleashed late in the seventeenth century has transformed Europe into a cold dead wasteland in the eighteenth much to the delight of the otherworldly malakim who have set humanity at war with itself for the sin of dabbling in the arcane The last inhabitable territory the New World is now the coveted prize of the surviving European warlords From the West Russian forces led by the Sun Boy child of the powerful French sorceress Adrienne de Mornay de Montchevreuil move relentlessly onward leaving a trail of devastation in their wake British troops in the East are equally merciless in their conquests All that stands against them is a motley alliance of colonists Native Americans scientists philosophers displaced Europeans and others led by Ben Franklin now an alchemist of great repute and Red Shoes a Choctaw shaman with questionable motivations But no matter who wins or loses the manipulating angels and demons are always watching and the malakim are determined to be the ultimate victors In The Shadows of God the Age of Unreason Greg Keyes s magnificent alternate history series comes to a stunning and most satisfying conclusion It is the final chapter in a colorful exciting richly detailed and ingeniously imagined chronicle of life on a damaged Earth where magic and science are on equal planes and history s icons inhabit a past that never was Shadows of the Future - Episode II Destiny's Child Robert J. Rubinetti,2023-05-15 When Amanda Stevenson was fifteen her parents took her to XUNANTUNICH an ancient Mayan city While there archeologist working at the site unearthed the tomb of the city s first Mayan leader Taking advantage of this opportunity Daniel Stevenson used his influence to allow his daughter to be present at the opening of the tomb But as fate would have it within the tomb two sets of remains were found Along with the Mayan leader was an alien corpse Although no one had ever seen a being like this the alien writings in the tomb matched those Daniel had seen in the ICON star system but hoped never to see again Years later on Mars a drilling company discovers the remains of an underground alien outpost destroyed thousands of years ago but belonging to the same race of beings as the one found in the Mayan tomb Finishing her Masters degree in Archeology Amanda goes to Mars with Archeologist Aston Farlow to uncover

the secrets buried in the ancient alien outpost Meanwhile on ICON 5 explorers for the United Earth Reconnaissance Organization UERO are assigned to map out the planet s unexplored lands As they traverse great stretches of mountains valleys and thick forests they discover an identical alien outpost to the one on Mars This one however is not so abandoned Eventually Amanda discovers a secret so profound that it causes her to question her own existence Compelled by this knowledge she returns to ICON to communicate with the alien beings Beings that have been hiding for thousands of years from a malevolent evil bent on their complete and utter genocide Beings that have awaited the coming of an ancient prophecy that could mean the difference between their freedom or final extinction A prophecy thousands of years old imparted to their race by their Grand Oracle A prophecy on an intercept course with the human race and coming of Amanda Stevenson
