the closest neighbors to the machines Melody Larson's elderly father nearly chokes to death after stuffing dandelion heads into his mouth The Granberrys pregnant cow repeatedly runs headlong into a fence post Tatum Gallagher mourns her young son who vanished more than a year ago presumed swept out to sea by a wave while fishing on the rocky shore but several people claim to see him appear only in the glimmer of the shadow flicker Aerosource the energy corporation that owns the turbines hired Oscar to investigate the neighbors claims but the insurance agent shows no allegiance to the conglomerate especially after learning a previous employee sent to the island a year before has disappeared without a trace When Oscar meets former island school science teacher Norris Squires fired for teaching his students about the harmful effects of shadow flicker he learns a theory regarding Aerosource that sounds too preposterous to believe While it seems the shadow flicker effect has driven some of the island's animals crazy is it possible it's caused an even worse mental breakdown among the human inhabitants Or is something more nefarious at work on the island As Oscar's investigation deepens he discovers the turbines create an unexpected phenomena kept secret by a select group of people on Kidney Island who have made a scientific breakthrough and attempt to harness its dark power

The House on Shadow Lane Robert Heylman, 2009-10-31 Laguna Beach 1973 Hal's life as a liberated gay man has

not gone all that well and after a devastating relationship he sees nothing but gloom hard work and abuse from his restaurant job He wallows in self pity in the darkened rooms of his house and only reluctantly rents out the spare room to the ebullient Mike whose sunny disposition brings Hal up out of despair When Mike meets Tom who moves in too Hal gratefully feels almost like a parent as if he has a family to care for Then he meets Simon with whom he falls in love after a steamy erotic night together and that phenomenon of gay life the gay family becomes a reality Even the selfish and cruel Denise owner of the restaurant where they all work has little effect on their life together but it is not a life without issues Who is the Lurker spying on their house Will Eric s plan to snatch Jean Jacques restaurant succeed Can Carl finally figure out his sexuality Can Norman keep his housewarming party a secret from Dan and why would he want to Find out who next will drop into the warm and hospitable House on Shadow Lane for a breakfast chat good food and genuine friendship REVIEW of The House on Shadow Lane Peopled with such interesting and varied characters the plot of The House on Shadow Lane required a skillful hand to keep events moving at its almost frantic pace while remaining believable As Robert Heylmun weaves the lives of his characters into the nap of his plot their connections produce the complicated even twisted events that make the novel so intriguing How the reader wonders will the romance developing between Hal and Simon survive the challenges they face How will Carl who is in love two people of different genders decide While readers have likely never know such characters or situations the author s ingenious interplay cements the reader s interest As a result readers will likely share on finishing The House on Shadow Lane a joyful sense of loss that paradoxically occurs whenever I finish a novel I have much enjoyed Good stories like this leave the reader to ponder what will happen next to those characters I knew I would like this book Michael Dryden **The Living Age** ,1895
