Shadows Son:

The House of Mountfathom Nigel McDowell, 2017-03-09 THE HOUSE OF MOUNTFATHOM is the kind of book that turned me into a reader in the first place It has the same clever interweaving of history and fantasy that I so admired in Nigel McDowell's previous books but is also filled with an utterly infectious kind of delight The characters are so vivid and the world brims with the most gorgeous detail And if this wasn't enough the language itself is a pure joy Nigel McDowell has left an extraordinary legacy behind something of the imagination and something of the soul Eimear McBride multi award winning author of A GIRL IS A HALF FORMED THING Lyrical ominous and utterly original with a passionate sense of place and history THE HOUSE OF MOUNTFATHOM is one of those books that pushes strange roots down into your mind Frances Hardinge Costa Award winning author of THE LIE TREE Luke Mountfathom knows he is special and odd He is told so by everyone he knows His parents are special and odd too they are the keepers of the House of Mountfathom a magnificent stately home where the wrong door could take you to a far away land and strange animals appear to stalk the grounds at midnight The house is his home but it is also the headquarters of the Driochta a magic weaving group of poets artists politicians and activists charged with keeping the peace in Ireland They have many powers have mastered Mirror Predicting and Smoke Summoning and Storm Breaching and a final ability that of Mogrifying taking on a unique animal form But Luke's idyllic existence at Mountfathom cannot last Word reaches the House of protests across Ireland There is a wish for independence a rising discontent and scenes of violence that even the Driochta cannot control In Dublin death and disease is running rife in the tenements a darkness is clogging the air and is intent on staying And when things quickly spin out of control for the Driochta it is up to Luke his cat Morrigan and his best friend Killian to worm out the heart of the evil in their land

The Archetypal God John C' de Baca PhD, 2016-12-01 True baptism requires repentance Why then was Jesus baptized Did he need to repent Or was he merely pretending to repent These simple yet profound questions strike at the very core of Christianity and the church's traditional answers are not only insufficient but can rattle the very heart of the gospel message Thankfully the answer lies hidden in the startling truth that Jesus was following a pattern an archetype and that God himself began this pattern right from the beginning God is metamorphosing in order to reconcile the world to himself Since Genesis he has been leading the way in repentance and undergoing a baptism himself As the great Archetype God has left believers an archetypal pattern in the example of Jesus the true image of God and it is an example that is meant to be followed Our own baptism should then be like his and a clear understanding of his baptism will shed light on our own The baptism of Jesus shatters the glass ceiling that tradition has placed over the saints God's children will follow him all the way to the throne All this and more of God's astonishing and mind boggling plans for the world and for himself are revealed in the baptism of Jesus The Archetypal God will ready you for flight it will give you eagle's wings and a strong burst of spiritual insights to help you soar with angels
