Shadows Of A Vietnam Veteran Silent Victims:

Shadows of a Vietnam Veteran Alicia J. Boyd, 2000 *Soldiers Once* Catherine Whitney, 2009-05-12 From a bestselling author the poignant story of her Vietnam veteran brother whose circumstances in death echo the dismal condition of countless veterans

Memories of a Lost War Subarno Chattarji, 2001 In this unique and significant addition to Vietnam studies *Memories of a Lost War* analyzes the poems written by American veterans protest poets and Vietnamese within political aesthetic and cultural contexts Drawing on a wealth of material often published in small presses and journals the book highlights the horrors of war and the continuing traumas of veterans in post Vietnam America In its inclusion of Vietnamese perspectives the book marks a departure from earlier works that have largely concentrated on Vietnam as a war rather than a country

Tangled Memories Marita Sturken, 1997-02-28 Analyzing the ways U S culture has been formed and transformed in the 80s and 90s by its response to the Vietnam War and the AIDS epidemic Marita Sturken argues that each has disrupted our conventional notions of community nation consensus and American culture She examines the relationship of camera images to the production of cultural memory the mixing of fantasy and reenactment in memory the role of trauma and survivors in creating cultural comfort and how discourses of healing can smooth over the tensions of political events Sturken's discussion encompasses a brilliant comparison of the Vietnam Veterans Memorial and the AIDS Quilt her profound reading of the Memorial as a national wailing wall one whose emphasis on the veterans and war dead has allowed the discourse of heroes sacrifice and honor to resurface at the same time that it is an implicit condemnation of war is particularly compelling The book also includes discussions of the Kennedy assassination the Persian Gulf War the Challenger explosion and the Rodney King beating While debunking the image of the United States as a culture of amnesia Sturken also shows how remembering itself is a form of forgetting and how exclusion is a vital part of memory formation

Moments of Silence Arta Khakpour, Mohammad Mehdi Khorrami, Shouleh Vatanabadi, 2016-12-06 Explores how writers filmmakers and artists have attempted to reckon with the legacy of a devastating war The Iran Iraq War was the longest conventional war of the 20th century The memory of it may have faded in the wake of more recent wars in the region but the harrowing facts remain over one million soldiers and civilians dead millions more permanently displaced and disabled and an entire generation marked by prosthetic implants and teenage martyrdom These same facts have been instrumentalized by agendas both foreign and domestic but also aestheticized defamiliarized readdressed and reconciled by artists writers and filmmakers across an array of identities linguistic Arabic Persian Kurdish religious Shiite Sunni atheist and political Iranian Iraqi internationalist Official discourses have unsurprisingly tried to dominate the process of production and distribution of war narratives In doing so they have ignored and silenced other voices Centering on novels films memoirs and poster art that gave aesthetic expression to the Iran Iraq War the essays gathered in this volume present multiple perspectives on the war's most complex and underrepresented narratives These scholars do not naively claim to represent an authenticity lacking in

official discourses of the war but rather they call into question the notion of authenticity itself Finding deciding upon and creating a language that can convey any sort of truth at all collective national or private is the major preoccupation of the texts and critiques in this diverse collection *The People's Wars* Mark Hewitson,2017 The second of three volumes from Mark Hewitson which explore the experiences of conflict in modern Germany and the resounding impact of these across Europe and the world The People s War takes a new look at the wars of unification and charts the rise of nationalism and the breakdown of the existing state system in the 1850s and 1860s **The Shadow of Evil** Jeffrey Davis,2018-02-16 The Shadow of Evil Where is God in a Violent World is a must read for every person who is struggling to cope with adversity and loss Do you battle everyday with the realization that a senseless tragedy has altered the course of your life Do you feel overwhelmed by hardship and yet powerless to overcome your circumstances Have you ever felt abandoned by friends and family who cannot seem to understand what you are going through Has your faith in God suffered from the nagging doubt that even He has somehow forsaken you in your time of need If you can answer yes to any of these questions then you must read this book the author has written it with you in mind The Shadow of Evil chronicles the events surrounding the murder of the author s mother in 1991 by Wichita s BTK serial murderer Jeff describes his own painful emotional and spiritual struggles in a brutally honest manner which takes the reader with him through his long journey of emotional recovery from deepest despair to eventual hope By sharing his experiences in such a candid manner readers are able to relate their own sense of loss emptiness isolation or anger to the author s ordeals allowing the reader to connect with his message on a cognitive emotional and spiritual level Those reading this work can come to understand that their own turbulent mix of emotions and questions of faith are normal even to be expected It is the author s hope that once readers have accompanied him on this journey to recovery they too will find a renewed sense of meaning in their lives and a brighter hope for the future *Trauma and Memory Studies: Responses from India and Beyond* Simi Malhotra,Sheikh Sana Assad,Farhana Tasnim,Somya Charan Pahadi,Sango Bidani,2025-09-20 This edited volume offers a comprehensive revaluation of Trauma and Memory Studies foregrounding perspectives from India and beyond It critically interrogates the prevailing Euro centric paradigm within the field advocating for the amplification and contextualization of voices originating from South Asian spatial and temporal contexts Departing from conventional West North centric narratives the text prioritizes the narratives of historically marginalized survivor groups encompassing individuals affected by pivotal events such as the 26 11 terror attacks in Mumbai the Bengal famine the dispersion of the Indian diaspora and the experiences of incarcerated populations in Iran Kenya Palestine etc Through an in depth exploration of societal mechanisms for remembrance and coping strategies vis vis traumatic episodes such as the Jallianwala Bagh massacre the book unveils the intricate interplay of political cultural and social dynamics It explores the complicated dynamics of post colonial and post conflict societies in India by using a range of interdisciplinary methodologies such as examining artistic expressions oral histories and digital media It discusses the

ongoing debate between hegemonic historical narratives and the often marginalized voices of subaltern communities This book serves as an indispensable resource for academics students and researchers committed to the exploration of trauma and memory within non Western contexts

Practicing Oral History with Military and War Veterans Sharon Raynor, 2022-12-30 Practicing Oral History with Military and War Veterans focuses predominantly on conducting oral history with men and women of

relegated to a shadowy existence in the marginalized immigrant community standing on the periphery of an alien culture looking in and experiencing loneliness hopelessness helplessness and lacking a sense of belonging Refer to the poem in this book entitled Living in a place where you were not born for some insights on this issue Stories such as Hunting birds with slingshots in Guyana Making and flying kites in Guyana Catching mullet at No 73 waterside Notorious fowl thieves of the village and When you really know it was Christmas time can elicit strong nostalgia and sentimental memories of youthful experiences so pleasurable and engrossing that it could cause you to yearn for a past life that was simple care free full of wonderful remembrances and recollections When I think of the wonderful life I once lived at Clonbrook I am a young lad all over again and I am happy Those who lived that life and had fond memories of it should certainly share these stories with their children and grandchildren Make these stories more real and fascinating by adding your own memories and experiences as you read them to your descendants After all everybody has a story to tell There are forty eight poems in this compilation that are sure to evoke emotions and nostalgia Many deal with subject matters pertaining to the Corentyne The reason for that is simple I was born and raised in the Upper Corentyne and I hold lots of treasured an

Gendered Wars, Gendered Memories Ayşe Gül Altınay, Andrea Pető, 2016-04-06 The Introduction of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license available at <http://www.taylorfrancis.com/books/e/9781315584225> The twentieth century has been a century of wars genocides and violent political conflict a century of militarization and massive destruction It has simultaneously been a century of feminist creativity and struggle worldwide witnessing fundamental changes in the conceptions and everyday practices of gender and sexuality What are some of the connections between these two seemingly disparate characteristics of the past century And how do collective memories figure into these connections Exploring the ways in which wars and their memories are gendered this book contributes to the feminist search for new words and new methods in understanding the intricacies of war and memory From the Italian and Spanish Civil Wars to military regimes in Turkey and Greece from the Armenian genocide and the Holocaust to the wars in Abkhazia East Asia Iraq Afghanistan former Yugoslavia Israel and Palestine the chapters in this book address a rare selection of contexts and geographies from a wide range of disciplinary perspectives In recent years feminist scholarship has fundamentally changed the ways in which pasts particularly violent pasts have been conceptualized and narrated Discussing the participation of women in war sexual violence in times of conflict the use of visual and dramatic representations in memory research and the creative challenges to research and writing posed by feminist scholarship Gendered Wars Gendered Memories will appeal to scholars working at the intersection of military war memory and gender studies seeking to chart this emerging territory with feminist curiosity

Discovering the Religious Dimension of Trauma Caralie Cooke, 2022-09-19 This book reads the Joseph novella alongside contemporary trauma novels in order to analyze the loss of the assumptive world of the writer and readers of the Joseph novella In turn it re-thinks trauma theory in light of the

religious understood as the belief in and relationship to a God who orders the universe Thus this book argues that when we read the Joseph novella alongside contemporary trauma novels we see a story written by people trying to reconstruct their assumptive world after the shattering of their old one highlighting the significance of the religious dimension in trauma theory

Japan's Quiet Transformation Jeff Kingston,2004-08-02 The 1990s have been termed as Japan's lost decade to describe how the phenomenal growth in the Japanese economy ground to a halt and the country was crippled by enormous and ongoing political economic and social problems In responding to these unprecedented difficulties wide ranging reforms have been adopted including NPO information disclosure and judicial reform legislation Controversially this book argues that such reforms are creating a more robust civil society and demonstrate that Japan is far more dynamic than is generally recognized

Moments of Silence Thongchai Winichakul,2020-03-31 The massacre on October 6 1976 in Bangkok was brutal and violent its savagery unprecedented in modern Thai history Four decades later there has been no investigation into the atrocity information remains limited the truth unknown There has been no collective coming to terms with what happened or who is responsible Thai society still refuses to confront this dark page in its history Moments of Silence focuses on the silence that surrounds the October 6 massacre Silence the book argues is not forgetting Rather it signals an inability to forget or remember or to articulate a socially meaningful memory It is the unforgetting the liminal domain between remembering and forgetting Historian Thongchai Winichakul a participant in the events of that day gives the silence both a voice and a history by highlighting the factors that contributed to the unforgetting amidst changing memories of the massacre over the decades that followed They include shifting political conditions and context the influence of Buddhism the royal nationalist narrative of history the role played by the monarchy as moral authority and arbiter of justice and a widespread perception that the truth might have devastating ramifications for Thai society The unforgetting impacted both victims and perpetrators in different ways It produced a collective false memory of an incident that never took place but it also produced silence that is filled with hope and counter history Moments of Silence tells the story of a tragedy in Thailand its victims and survivors and how Thai people coped when closure was unavailable in the wake of atrocity But it also illuminates the unforgetting as a phenomenon common to other times and places where authoritarian governments flourish where atrocities go unexamined and where censorship imposed or self directed limits public discourse The tensions inherent in the author's dual role offer a riveting story as well as a rare and intriguing perspective Most of all this provocative book makes clear the need to provide a place for past wrongs in the public memory

War Stories Philip Dwyer,2016-11-01 Although war memoirs constitute a rich varied literary form they are often dismissed by historians as unreliable This collection of essays is one of the first to explore the modern war memoir revealing the genre's surprising capacity for breadth and sophistication while remaining sensitive to the challenges it poses for scholars Covering conflicts from the Napoleonic era to today the studies gathered here consider how memoirs have been used to transmit particular views of war even as

they have emerged within specific social and political contexts **South Africa's 'Border War'** Gary Baines, 2014-02-27

South Africa's Border War provides a timely study of the war of words waged by retired South African Defence Force SADF generals and other veterans against critics and detractors. The book explores the impact of the Border War on South African culture and society during apartheid and in the new dispensation and discusses the lasting legacy or afterlife of the war in great detail. It also offers an appraisal of the secondary literature of the Border War supplemented by archival research, interviews, and an analysis of articles, newspaper reports, reviews, and blogs. Adopting a genuinely multidisciplinary approach that borrows from the study of history, literature, visual culture, memory, politics, and international relations, South Africa's Border War is an important volume for anyone interested in the study of war and memory or the modern history of South Africa.
