A Singing Approach to Horn Playing Natalie Douglass Grana, 2022 In *A Singing Approach to Horn Playing* author and renowned teacher musician Natalie Douglass Grana develops the fundamental sense of pitch that is essential to play the horn. The book begins with simple songs to sing on solfège buzz on the mouthpiece and play on the horn followed by inner hearing transposition and polyphonic exercises. Readers learn to fluidly hear the notes on the page before playing them through sequential exercises with songs improvisation stick notation and duets. Training continues with progressively challenging melodies including canons as well as vocal etudes solfeggi like those of Giuseppe Concone. Finally hornists apply their musicianship skills to standard etude solo and orchestral horn repertoire. Horn parts are provided with important lines from the orchestra or accompaniment transposed to also be sung and played on the horn. Accompanying rhythmic and harmonic exercises enable performers to learn to hear the parts together as they play. Through a wide ranging synthesis of theory practical advice and exercises Douglass Grana puts forth a crucial guide for a new generation of horn players and burgeoning musicians seeking to improve and perfect their sense of pitch.

The Musical Classroom Carolynn A. Lindeman, 2018-05-15 *The Musical Classroom: Backgrounds, Models, and Skills for Elementary Teaching* Ninth Edition is designed for students majoring in elementary or music education. Through eight editions this book has been a market leader in its field. Its goal has been to help teachers, some who may only have a limited background in music, prepare to make music a part of the daily lives of their students. The model lessons remain the centerpiece of the book's long lasting success. Supported by a collection of children's songs from around the world, instructional information for learning to play basic instruments and the theoretical pedagogical and practical backgrounds needed for reaching all learners, pre-service and in-service teachers can make their classrooms musical classrooms. NEW to the ninth edition: The 2014 National Core Music Standards; Multiple curricular connections to other subjects; Expanded soprano recorder instruction unit; Addition of the QChord with Autoharp; Chromaharp instruction unit; Updated and expanded prekindergarten section; A significant infusion of technology throughout the text; Mallet instrument ensemble accompaniments; A companion website linking to music sources with numerous resources for both students and instructors.

The Month of Their

Ripening Georgann Eubanks, 2018-07-25 Telling the stories of twelve North Carolina heritage foods each matched to the month of its peak readiness for eating Georgann Eubanks takes readers on a flavorful journey across the state She begins in January with the most ephemeral of southern ingredients snow to witness Tar Heels making snow cream In March she takes a midnight canoe ride on the Trent River in search of shad a bony fish with a savory history In November she visits a Chatham County sawmill where the possums are always first into the persimmon trees Talking with farmers fishmongers cooks historians and scientists Eubanks looks at how foods are deeply tied to the culture of the Old North State Some have

histories that go back thousands of years Garlicky green ramps gathered in April and traditionally savored by many Cherokee people are now endangered by their popularity in fine restaurants Oysters though are enjoying a comeback cultivated by entrepreneurs along the coast in December These foods and the stories of the people who prepare and eat them make up the long standing dialect of North Carolina kitchens But we have to wait for the right moment to enjoy them and in that waiting is their treasure

Mississippi Fiddle Tunes and Songs from the 1930s Harry Bolick, Stephen T. Austin, 2015-11-09 While in the Mississippi State Archives tracking down Abbott Ferriss's beautiful photographic portraits of musicians from 1939 author Harry Bolick discovered to his amazement a treasure trove of earlier fiddle tunes in manuscript form Since then he has worked to understand how this collection came to exist and be set aside With Stephen T Austin Bolick has transcribed the subsequent 1939 audio recordings Mississippi Fiddle Tunes and Songs from the 1930s presents the history of the collecting work with over three hundred of the tunes and songs and a beautiful selection of period photographs In the summer of 1936 over one hundred fiddle tunes many of them unique along with thousands of songs were collected and notated throughout a large part of Mississippi Roughly 130 novice field workers captured beautiful tunes and tantalizing fragments As a body of work it is an unparalleled and fascinating snapshot of vernacular music as heard in Mississippi in the early part of the recorded era However this music was unpublished and forgotten In 1939 building on the contacts made three years earlier Herbert Halpert led one of the last and best executed of the WPA folklore projects which recorded audio performances in Mississippi Some but not all of those distinctive fiddle tune recordings have been published Additionally through cassette tape copies passed hand to hand some of these distinctive tunes have regained currency and popularity among contemporary fiddlers In Mississippi Fiddle Tunes and Songs from the 1930s this great music is at last widely available Selected tunes in this book are available from Document Records Get Harry Bolick's CD with 22 tunes from the book more information a video and free downloads of the sound files at www.mississippifiddle.com

Trees of New England Charles Fergus, 2025-07-01 Taking up where field guides leave off Trees of New England presents the natural history of the native and common non native tree species growing in New England It discusses how and when they reproduce themselves how their physical structure protects them from the elements how animals get food and shelter from them how people use them and how diseases insect pests and environmental degradation are affecting trees today A noted naturalist Charles Fergus communicates his love for trees in every description and gentle detail The splendidly written narrative is enhanced by beautiful line drawings of the leaves needles bark nuts and other features of the trees giving the book an additional function as an identification aid It also includes a range map for each species an index of scientific names and information about how Native Americans and colonists used trees for food and medicine and how trees have appeared in folklore and mythology Trees serve many valuable functions producing oxygen so other organisms can live absorbing carbon dioxide preventing erosion providing wood for countless products and producing fruit nuts and syrup This highly readable book will increase

anyone's appreciation of the majestic trees that populate our landscape Choral Sight Reading Micheál Houlihan, Philip Tacka, 2023-01-31 Choral Sight Reading provides a practical and organic approach to teaching choral singing and sight reading. The text is grounded in current research from the fields of choral pedagogy, music theory, music perception, and cognition. Topics include framing a choral curriculum based on the Kodály concept, launching the academic year for beginning, intermediate, and advanced choirs, building partwork skills, sight reading progressive music theory sequences for middle to college level choirs, teaching strategies, choral rehearsal plans, as well as samples of how to teach specific repertoire from medieval to contemporary choral composers. This volume includes basic and advanced music theory concepts to develop fluent sight reading skills for reading standard choral repertoire, providing examples for the process outlined in Chapters 6-8 of Volume 1: Choral Artistry. This guide provides choral directors with a choral curriculum and choral rehearsal models that place performance, audition, partwork, music theory, and sight singing skills at the heart of the choral experience through a sound thinking approach to teaching that results in greater efficiency in creating independent choral singers with a well rounded repertoire.

The Frank C. Brown Collection of NC Folklore Frank C. Brown, 1977-04-29 Frank C. Brown organized the North Carolina Folklore Society in 1913. Both Dr. Brown and the Society collected stories from individuals. Brown, through his classes at Duke University and through his summer expeditions in the North Carolina mountains, and the Society, by interviewing its members and also leaved on the previous collections made by friends and members of the Society. The result was a large mass of texts and notes assembled over a period of nearly forty years and covering every aspect of local tradition.

The Musical Classroom Patricia Hackett, Carolyn A. Lindeman, 2007 Assuming little or no musical background, this book demonstrates how music works and how to convey this understanding to others. It helps learners develop skills in teaching music while offering them introductory experiences in playing and reading music. **KEY TOPICS** The book features over 170 songs, information on learning instruments, and sample lessons. Presented in a non-technical, user friendly manner. Section I introduces music in the elementary school, the elements of music, music making activities, curricular approaches, and developments, the eclectic world of music, and how to plan and assess music learning. The instrumental instruction section provides information about playing Autoharp, guitar, baritone, ukulele, piano, and soprano recorder, as well as information about the singing voice. It features descriptions of hand and body positions, fingerings, and strums, including keyboard drawings, chord frames, tuning instructions, and fingering charts, lists specific songs that may be used in learning to play each instrument individually or in large or small groups. For individuals teaching or preparing to teach music.
