## **Shakespeare And The Theatrical Event:**

*Shakespeare and the Theatrical Event* John Russell-Brown, 2017-03-11 In his latest book John Russell Brown offers a new and revealing way of reading and studying Shakespeare's plays focusing on what a play does for an audience as well as what its text says By considering the entire theatrical experience and not only what happens on stage Brown takes his readers back to the major texts with a fuller understanding of their language and an enhanced view of a play's theatrical potential Chapters on theatre going playscripts acting parts to perform interplay stage space off stage space and the use of time all bring recent developments in Theatre studies together with Shakespeare Studies Every aspect of theatre making comes into view as a dozen major plays are presented in the context for which they were written making this an adventurous and eminently practical book for all students of Shakespeare

*Shakespeare and the Theatrical Event* John Russell-Brown, 2017-03-11 In his latest book John Russell Brown offers a new and revealing way of reading and studying Shakespeare's plays focusing on what a play does for an audience as well as what its text says By considering the entire theatrical experience and not only what happens on stage Brown takes his readers back to the major texts with a fuller understanding of their language and an enhanced view of a play's theatrical potential Chapters on theatre going playscripts acting parts to perform interplay stage space off stage space and the use of time all bring recent developments in Theatre studies together with Shakespeare Studies Every aspect of theatre making comes into view as a dozen major plays are presented in the context for which they were written making this an adventurous and eminently practical book for all students of Shakespeare

Theatrical Events, 2022-06-08 Theatrical Events Borders Dynamics and Frames is written to develop the concept of Eventness in Theatre Studies The book as a whole stresses the importance of understanding theatre performances as aesthetic communicative encounters of a wide range of agents and aspects The Theatrical Event concept means not only that performers and spectators meet but also that the specific mental sets backgrounds and cultural contexts they bring in strongly contribute to the character of a particular event Moreover this concept gives space to the study of the role societal developments such as technological political economical or educational ones play in theatrical events

*Shakespeare's Theatre: A History* Richard Dutton, 2018-01-02 Shakespeare's Theatre A History examines the theatre spaces used by William Shakespeare and explores these spaces in relation to the social and political framework of the Elizabethan era The text journeys from the performing spaces of the provincial inns guild halls and houses of the gentry of the Bard's early career to the purpose built outdoor playhouses of London including the Globe the Theatre and the Curtain and the royal courts of Elizabeth and James I The author also discusses the players for whom Shakespeare wrote and the positioning or dispositioning of audience members in relation to the stage Widely and deeply researched this fascinating volume is the first to draw on the most recent archaeological work on the remains of the Rose and the Globe as well as continuing publications from the Records of Early English Drama project The book also explores the contentious view that

the plot of *The Seven Deadly Sins* part II provides unprecedented insight into the working practices of Shakespeare's company and includes a complete and modernized version of the plot. Throughout the author relates the practicalities of early modern playing to the evolving systems of aristocratic patronage and royal licensing within which they developed. Insightful and engaging Shakespeare's Theatre is ideal reading for undergraduates, postgraduates and scholars of literature and theatre studies.

**Prologues to Shakespeare's Theatre** Douglas Bruster, Robert Weimann, 2004-08-02 This remarkable study shows how prologues ushered audience and actors through a rite of passage and how they can be seen to offer rich insight into what the early modern theatre was thought capable of achieving.

**Shakespeare's English Histories and Their Afterlives** Peter Holland, 2010 Shakespeare Survey is a yearbook of Shakespeare studies and production. Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism. Each volume is devoted to a theme or play or group of plays; each also contains a section of reviews of that year's textual and critical studies and of the year's major British performances. The theme for volume 63 is Shakespeare's English Histories and their Afterlives. The complete set of Survey volumes is also available online at <http://www.cambridge.org/online/shakespearesurvey>. This fully searchable resource enables users to browse by author, essay and volume, search by play, theme and topic, and save and bookmark their results.

**Shakespeare and Digital Performance in Practice** Erin Sullivan, 2022-10-18 Shakespeare and Digital Performance in Practice explores the impact of digital technologies on the theatrical performance of Shakespeare in the twenty-first century, both in terms of widening cultural access and developing new forms of artistry. Through close analysis of dozens of productions, both high profile and lesser known, it examines the rise of live broadcasting and recording in the theatre, the growing use of live video feeds and dynamic projections on the mainstream stage, and experiments in born-digital theatre-making, including social media, virtual reality, and video conferencing adaptations. In doing so, it argues that technologically adventurous performances of Shakespeare allow performers and audiences to test what they believe theatre to be, as well as to reflect on what it means to be present with a work of art with others in an increasingly online world.

**Writing Performative Shakespeares** Rob Conkie, 2016-02-24 This original and innovative study offers the reader an inventive analysis of Shakespeare in performance.

**Shakespearean Arrivals** Nicholas Luke, 2018-01-11 In this distinctive study, Nicholas Luke explores the abiding power of Shakespeare's tragedies by suggesting an innovative new model of his character creation. Rather than treating characters as presupposed beings, Luke shows how they arrive as something more than functional *dramatis personae*; how they come to life as subjects through Shakespeare's orchestration of transformational dramatic events. Moving beyond dominant critical modes, Luke combines compelling close readings of *Romeo and Juliet*, *Othello*, *Hamlet*, *Macbeth*, and *King Lear* with an accessible analysis of thinkers such as Badiou, Lévinas, Bergson, Whitehead, and Latour, and the adventist Christian tradition flowing from Saint Paul through Luther to Kierkegaard. Representing a significant intervention into the way we encounter

Shakespeare's tragic figures the book argues for a subjectivity which is not singular or abiding but perilous and leaping

The Framing Text in Early Modern English Drama Brian W. Schneider, 2016-03-03 Though individual prologues and epilogues have been treated in depth very little scholarship has been published on early modern framing texts as a whole The Framing Text in Early Modern English Drama fills a gap in the literature by examining the origins of these texts and investigating their growing importance and influence in the theatre of the period This topic led discussion of prologues and epilogues deals with the origins of these texts the difficulty of definition and the way in which many prologues and epilogues appear to interact on such subjects as the composition of the theatre audience and the perceived place of women in such an audience Author Brian Schneider also examines the reasons for and the evidence leading to the apparently sudden burgeoning of these texts after the Restoration when prologues and epilogues grace nearly all the dramas of the time and become a virtual cottage industry of their own The second section a comprehensive list of prologues and epilogues details play titles playwrights theatres and theatre companies first performance and the earliest edition in which the framing text appears It quotes the first line of the prologue and or epilogue and uses the printer's signature to denote the page on which the texts can be found Further information is provided in notes appended to the relevant entry A final section deals with free floating and free standing framing texts that appear in verse collections manuscripts and other publications and to which no play can be positively ascribed Combining original analysis with carefully compiled comprehensive reference data The Framing Text in Early Modern English Drama provides a genuinely new angle on the drama of early modern England

*Shakespeare and Chekhov in Production and Reception* John Tulloch, 2009-05 With a focus on the canonical institutions of Shakespeare and Chekhov John Tulloch brings together for the first time new concepts of the theatrical event with live audience analysis Using mainstream theatre productions from across the globe that were highly successful according to both critics and audiences this book of case studies ethnographies of production and reception offers a combined cultural and media studies approach to analyzing theatre history production and audience Tulloch positions these concepts and methodologies within a broader current theatrical debate between postmodernity and risk modernity He also describes the continuing history of Shakespeare and Chekhov as a series of stories currently and locally told in the context of a blurring of academic genres that frames the two writers Drawn from research conducted over nearly a decade in Australia Britain and the U S Shakespeare and Chekhov in Production and Reception will be of interest to students and scholars of theatre studies media studies and audience research

Performing Restoration Shakespeare Amanda Eubanks Winkler, Claude Fretz, Richard Schoch, 2023-01-26 The first book on Restoration Shakespeare in performance drawing on theatre history musicology and literary criticism

**Shakespeare's Audiences** Matteo Pangallo, Peter Kirwan, 2021-03-28 Shakespeare wrote for a theater in which the audience was understood to be and at times invited to be active and participatory How have Shakespeare's audiences from the sixteenth century to the present responded to that invitation In what ways have consumers

across different cultural contexts periods and platforms engaged with the performance of Shakespeare's plays What are some of the different approaches taken by scholars today in thinking about the role of Shakespeare's audiences and their relationship to performance The chapters in this collection use a variety of methods and approaches to explore the global history of audience experience of Shakespearean performance in theater film radio and digital media The approaches that these contributors take look at Shakespeare's audiences through a variety of lenses including theater history dramaturgy film studies fan studies popular culture and performance Together they provide both close studies of particular moments in the history of Shakespeare's audiences and a broader understanding of the various often complex connections between and among those audiences across the long history of Shakespearean performance *The Cambridge History of British Theatre* Jane Milling, Peter Thomson, Baz Kershaw, Joseph Walter Donohue (Jr.), 2004-12-09 Publisher Description *Shakespeare Performance Studies* W. B. Worthen, 2014-06-26 Taking a performance studies perspective on Shakespearean theatre W B Worthen argues that the theatrical event represents less an inquiry into the presumed meanings of the text than an effort to frame performance as a vehicle of cultural critique Using contemporary performances as test cases Worthen explores the interfaces between the origins of Shakespeare's writing as literature and as theatre the modes of engagement with Shakespeare's plays for readers and spectators and the function of changing performance technologies on our knowledge of Shakespeare This book not only provides the material for performance analysis but places important contemporary Shakespeare productions in dialogue with three influential areas of critical discourse texts and authorship the function of character in cognitive theatre studies and the representation of theatre and performing in the digital humanities This book will be vital reading for scholars and advanced students of Shakespeare and of performance studies **Shakespeare and the Japanese Stage** Takashi Sasayama, J. R. Mulryne, Margaret Shewring, 1998 Leading Japanese and Western Shakespeare scholars study the interaction of Japanese and Western conceptions of Shakespeare **Shakespearean Tragedy and Its Double** Kent Cartwright, 2010-11-01 *Shakespeare / Play* Emma Whipday, 2024-07-11 What is a play How do Shakespeare's plays engage with and represent early modern modes of play from jests and games to music spectacle movement animal baiting and dance How have we played with Shakespeare in the centuries since And how does the structure of the plays experienced in the early modern playhouse shape our understanding of Shakespeare plays today Shakespeare Play brings together established and emerging scholars to respond to these questions using approaches spanning theatre and dance history cultural history critical race studies performance studies disability studies archaeology affect studies music history material history and literary and dramaturgical analysis Ranging across Shakespeare's dramatic oeuvre as well as early modern lost plays dance notation conduct books jest books and contemporary theatre and film it includes consideration of Measure for Measure A Midsummer Night's Dream Macbeth Titus Andronicus Merchant of Venice Twelfth Night Romeo and Juliet Othello King Lear and The Merry Wives of Windsor among others The subject of this volume is reflected in its structure

Shakespeare Play features substantial new essays across 5 acts interwoven with 7 shorter playful pieces a prologue 4 act breaks a jig and a curtain call to offer new directions for research on Shakespearean playing playmaking and performance In so doing this volume interrogates the conceptions of playing of in Shakespeare that shape how we perform read teach and analyze Shakespeare today Shakespeare's Accents Sonia Massai,2020-04-09 A history of the reception of Shakespeare on the English stage focusing on the vocal dimensions of theatrical performance **Playwriting Playgoers in Shakespeare's Theater** Matteo A. Pangallo,2017-08-02 Using a range of familiar and lesser known print and manuscript plays as well as literary accounts and documentary evidence Playwriting Playgoers in Shakespeare s Theater shows how these playgoers wrote and revised to address what they assumed to be the needs of actors readers and the Master of the Revels how they understood playhouse materials and practices and how they crafted poetry for theatrical effects The book also situates them in the context of the period s concepts of and attitudes toward playgoers participation in the activity of playmaking Publisher description
