Shakespeare The Man And His Achievement

J Rink

Shakespeare The Man And His Achievement:

Shakespeare, the Man and His Achievement Robert Speaight,1982 Robert Speaight one of England's top Shakespearean actors brings his experience with Shakespeare's characters to the man himself Shakespeare is as rich a view of the man behind the scenes as history will allow **Shakespeare, the Man and His Work** Morton Luce,1913 **Shakespeare, the Man and His Works**,1904 Shakespeare the Man A.L. Rowse,1988-02-16 **Sexual Shakespeare** Michael Keevak,2001 Shakespeare's sexuality has always been an ambiguous concept despite the pleasant fictions of Shakespeare in Love Now Michael Keevak examines such sources as anecdotes imitations forgeries spurious works and portraits to show that this ambiguity has a long and twisted history **Shakespeare the Man** R. W. Desai,2014-03-13 While over the past four hundred years numerous opinions have been voiced as to Shakespeare's identity these eleven essays widen the scope of the investigation by regarding Shakespeare his world and his works in their interaction with one another Instead of restricting the search for bits and pieces of evidence from his works that seem to match what he may have experienced these essays focus on the contemporary milieu political developments social and theater history and cultural and religious pressures as well as the domestic conditions within Shakespeare's family that shaped his personality and are featured in his works The authors of these essays employing the tenets of critical theory and practice as well as intuitive and informed insight endeavor to look behind the masks thus challenging the reader to adjudicate among the possible the probable the likely and the unlikely With the exception of the editor's own piece on Hamlet Shakespeare the Man New Decipherings presents previously unpublished essays inviting the reader to embark upon an intellectual adventure into the fascinating terrain of Shakespeare's mind and art **Public and Private Man in Shakespeare** J. M. Gregson,2021-03-30 The potential duality of human character and its capacity for dissembling was a source of fascination to the Elizabethan dramatists Where many of them used the Machiavellian picture to draw one fair faced scheming villain after another Shakespeare absorbed more deeply the problem of the tensions between the public and private face of man Originally published in 1983 this book examines the ways in which this psychological insight is developed and modified as a source of dramatic power throughout Shakespeare's career In the great sequence of history plays he examines the conflicting tensions of kingship and humanity and the destructive potential of this dilemma is exploited to the full in the problem plays In the last plays power and virtue seem altogether divorced Prospero can retire to an old age at peace only at the abdication of all his power This theme is central to the art of many dramatists but in the context of Renaissance political philosophy it takes on an added resonance for Shakespeare **The Man Shakespeare and His Tragic Life-story** Frank Harris,1909 **The Man Shakespeare and His Tragic Life Story** Frank Harris,2019-12-03 In The Man Shakespeare and His Tragic Life Story Frank Harris ventures into the enigmatic life of William Shakespeare blending biographical inquiry with dramatic interpretation Harris employs a vivid narrative style rich in personal anecdotes and historical context effectively bringing to life the complexities of

Shakespeare's character and the social milieu of Elizabethan England Through a detailed examination of known facts and educated speculation Harris unveils the emotional turbulence behind the playwright's most enduring works emphasizing the poignant interplay between Shakespeare's personal experiences and his art Frank Harris was an Irish American journalist, novelist and playwright known for his provocative views and passionate engagement with literary topics His bohemian lifestyle and relentless pursuit of truth paired with a series of controversial friendships significantly shaped his perception of literature and its creators This background propelled Harris to explore Shakespeare's life with an intensity that reflects his belief in the intimate connection between an artist's life and their creations drawing upon an extensive range of sources to construct a compelling narrative *The Man Shakespeare and His Tragic Life Story* is an essential read for anyone captivated by the Bard's work or interested in the destructive forces that can shape the human spirit Harris's passionate exploration offers invaluable insights into Shakespeare's life and serves as a profound commentary on the nature of genius amid personal tragedy making it a must have for both scholars and casual readers alike *The Man Shakespeare and His Tragic Life Story* Frank Harris, 2020-07-28 Reproduction of the original *The Man Shakespeare and His Tragic Life Story* by Frank Harris

Shakespeare's God Ivor Morris, 2005 First published in 1972 Shakespeare's God investigates whether a religious interpretation of Shakespeare's tragedies is possible The study places Christianity's commentary on the human condition side by side with what tragedy reveals about it This pattern is identified using the writings of Christian thinkers from Augustine to the present day The pattern in the chief phenomena of literary tragedy is also traced *The Periodical*, 1909 **Methodist Magazine**, 1893 *The Religious Instinct of Man* Frank Milton Bristol, 1904 *The Late Mr. Shakespeare* Robert Nye, 1999-04-23 Our guide to the life of the Bard is an actor called Pickleherring who asserts that as a boy he was an original member of Shakespeare's acting troupe In an attic above a brothel in Restoration London a half century after Shakespeare has departed the stage Pickleherring now an old man sits down to write the full story of his former friend mentor and master Fond faithful Pickleherring has forgotten nothing over the years and using sources both firsthand and far fetched he means to set the record straight Was Shakespeare ever actually in love Did he write his own plays Who was the Dark Lady of the Sonnets Brilliantly in tune with today's Shakespeare renaissance Robert Nye gives us an outrageous language loving and edifying romp through the life and times of the greatest writer who ever lived Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Shakespeare's Lives** Samuel Schoenbaum, 1991 This volume presents a study of the changing images and differing ways that the life of English poet and

playwright William Shakespeare 1564-1616 has been interpreted throughout history. The author takes readers on a tour of the countless myths and legends which have arisen to explain the great dramatist's life and work, bringing the story right up to 1989. He reconstructs as much of the elusive author's life as possible, considering his family history, his economic standing, and his reputation with his peers: the Shakespeare who emerges may not always be the familiar one. Christian Advocate, 1916

Shakespeare as Children's Literature Velma Bourgeois Richmond, 2008-05-14. Although William Shakespeare is widely regarded as the greatest writer in the English language, he traditionally receives little notice in studies of children's literature. However, there is a fascinating relationship between Shakespeare and children's interests, and the Bard's works have been successfully adapted for children's use over several centuries. This book continues and parallels the author's previous study *Chaucer as Children's Literature* as part of a greater endeavor to evaluate the significance of traditional literature retold as children's literature in modern English studies. It examines the ways in which William Shakespeare's stories have been adapted for children, particularly in Mary and Charles Lamb's *Tales from Shakespeare*, which was almost immediately recognized as a classic of children's literature when it was first published in 1807. The author describes the significance of the Lamb's *Tales* as the pre-eminent children's adaptation of Shakespeare's literature, focusing particularly on the lavishly illustrated Edwardian editions which used pictures to convey Shakespeare's stories for children. Other topics include Victorian alternatives to the Lamb's stories, including anthologies from David Murray Smith, Abby Sage Richardson, and Mary Seymour; the lavish illustrations of Shakespeare's stories found in antique English textbooks; Shakespeare in nursery books, including sophisticated collections from Mary Macleod, Thomas Carter, Alice S. Hoffman, and other noted authors; and Shakespeare in multi-volume American collections, including *The Children's Hour*, *Journeys through Bookland*, and *The Junior Classics*. The Statesman, 1976

Stage Representation of Shakespeare's Plays, 1893
