Shakespeare and Cultural Appropriation Vanessa I. Corredera, L. Monique Pittman, Geoffrey Way, 2023-03-24. *Shakespeare and Cultural Appropriation* pushes back against two intertwined binaries: the idea that appropriation can only be either theft or gift, and the idea that cultural appropriation should be narrowly defined as an appropriative contest between a hegemonic and marginalized power. In doing so, the contributions to the collection provide tools for thinking about appropriation and cultural appropriation as spectrums constantly evolving and renegotiating between the poles of exploitation and appreciation. This collection argues that the concept of cultural appropriation is one of the most undertheorized yet evocative frameworks for Shakespeare appropriation studies to address the relationships between power users and uses of Shakespeare. By robustly theorizing cultural appropriation, this collection offers a foundation for interrogating not just the line between exploitation and appreciation but also how distinct values, biases, and inequities determine where that line lies. Ultimately, this collection broadly employs cultural appropriation to rethink how Shakespeare studies can redirect attention back to power structures, cultural ownership, and identity, and Shakespeare's imbrication within those networks of power and influence. Throughout the contributions in this collection, which explore twentieth and twenty-first century global appropriations of Shakespeare across modes and genres, the collection uncovers how a deeper exploration of cultural appropriation can reorient the inquiries of Shakespeare adaptation and appropriation studies. This collection will be of great interest to students and scholars in theatre and performance studies, Shakespeare studies, and adaptation studies.

literary culture and politics from the sixteenth to the twenty first century Chapters address the intricate two way exchange between Shakespeare and Italy how the artistic and intellectual culture of Renaissance Italy shaped Shakespeare s drama in his own time and how the afterlife of Shakespeare s work and reputation in Italy since the eighteenth century has permeated Italian drama poetry opera novels and film Responding to exciting recent scholarship on Shakespeare and Italy as well as transnational theatre this volume moves beyond conventional source study and familiar questions about influence location and adaptation to propose instead a new evolving paradigm of cultural interchange Essays in this volume ranging in methodology from archival research to repertory study are unified by an interest in how Shakespeare s works represent and enact exchanges across the linguistic cultural and political boundaries separating England and Italy Arranged chronologically chapters address historically contingent cultural negotiations from networks intertextual dialogues and exchanges of ideas and people in the early modern period to questions of authenticity and formations of Italian cultural and national identity in the eighteenth and nineteenth century They also explore problems of originality and ownership in twentieth and twenty first century translations of Shakespeare s works and new settings and new media in highly personalized revisions that often make a paradoxical return to earlier origins This book captures defines and explains these lively shifting currents of cultural interchange *Shakespeare and the Translation of Identity in Early Modern England* Liz Oakley-Brown,2011-04-14

Encounters Geraldo U. De Sousa,2016-01-13 In this highly entertaining study De Sousa argues that Shakespeare reinterprets refashions and reinscribes his alien characters Jews Moors Amazons and gypsies In this way the dramatist questions the narrowness of a European perspective which caricatures other societies and views them with suspicion De Sousa examines how Shakespeare defines other cultures in terms of the interplay of gender text and habitat Written in a provocative style this readable book provides a wealth of fascinating information both on contemporary stage productions and on race and gender relations in early modern Europe **Shakespeares Asian Journeys** Bi-qi Beatrice Lei,Judy Celine
