

Shakespeare In Perspective

Roger Sales

Shakespeare In Perspective:

Shakespeare in Perspective Roger Sales,1982

Shakespeare Robert Elliot Fitch,1969

Shakespeare's Marlowe

Robert A. Logan,2016-04-01 Moving beyond traditional studies of sources and influence Shakespeare s Marlowe analyzes the uncommonly powerful aesthetic bond between Christopher Marlowe and William Shakespeare Not only does this study take into account recent ideas about intertextuality but it also shows how the process of tracking Marlowe s influence itself prompts questions and reflections that illuminate the dramatists connections Further after questioning the commonly held view of Marlowe and Shakespeare as rivals the individual chapters suggest new possible interrelationships in the formation of Shakespeare s works Such examination of Shakespeare s Marlovian inheritance enhances our understanding of the dramaturgical strategies of each writer and illuminates the importance of such strategies as shaping forces on their works Robert Logan here makes plain how Shakespeare incorporated into his own work the dramaturgical and literary devices that resulted in Marlowe s artistic and commercial success Logan shows how Shakespeare s examination of the mechanics of his fellow dramatist s artistry led him to absorb and develop three especially powerful influences Marlowe s remarkable verbal dexterity his imaginative flexibility in reconfiguring standard notions of dramatic genres and his astute use of ambivalence and ambiguity This study therefore argues that Marlowe and Shakespeare regarded one another not chiefly as writers with great themes but as practicing dramatists and poets which is where Logan contends the influence begins and ends

Shakespeare: the Perspective of Value, by Robert E. Fitch Robert Elliot Fitch,1969

A New Variorum Edition of

Shakespeare: Twelfth night, or, What you will. 1901 William Shakespeare,1901 V 23 The second part of Henry the Fourth 1940 v 24 25 The sonnets 1924 v 26 Troilus and Cressida 1953 v 27 The life and death of King Richard the Second 1955

Perspective in Shakespeare's English Histories Larry S. Champion,1980

Shakespeare as a Way of Life James

Kuzner,2016-04-01 Shakespeare as a Way of Life shows how reading Shakespeare helps us to live with epistemological weakness and even to practice this weakness to make it a way of life In a series of close readings Kuzner shows how Hamlet Lucrece Othello The Winter s Tale The Tempest and Timon of Athens impel us to grapple with basic uncertainties how we can be free whether the world is abundant whether we have met the demands of love and social life To Kuzner Shakespeare s skepticism doesn t have the enabling potential of Keats s heroic negativity capability but neither is that skepticism the corrosive disease that necessarily issues in tragedy While sensitive to both possibilities Kuzner offers a way to keep negative capability negative while making skepticism livable Rather than light the way to empowered liberal subjectivity Shakespeare s works demand lasting disorientation demand that we practice the impractical so as to reshape the frames by which we view and negotiate the world The act of reading Shakespeare cannot yield the practical value that cognitive scientists and literary critics attribute to it His work neither clarifies our sense of ourselves of others or of the world nor heartens us about the human capacity for insight and invention nor sharpens our ability to appreciate and adjudicate complex problems of ethics

and politics Shakespeare's plays rather yield cognitive discomforts and it is just these discomforts that make them worthwhile

A New Variorum Edition of Shakespeare: Twelfth night, or, What you will. 5th ed. 1901 William Shakespeare, 1901

Shakespeare on Salvation David Anonby, 2024-03-13 This cutting edge book explores Shakespeare's negotiation of Reformation controversy about theories of salvation While twentieth century literary criticism tended to regard Shakespeare as a harbinger of secularism the so called turn to religion in early modern studies has given renewed attention to the religious elements in Shakespeare and his contemporaries Nevertheless there remains an aura of uncertainty regarding some of the doctrinal and liturgical specificities of the period This historical gap is especially felt with respect to theories of salvation or soteriology Such ambiguity however calls for further inquiry into historical theology The author explores how the language and concepts of faith grace charity the sacraments election free will justification sanctification and atonement find expression in Shakespeare's plays In doing so this book contributes to the recovery of a greater understanding of the relationship between early modern religion and Shakespearean drama While the author shares David Scott Kastan's reluctance to attribute particular religious convictions to Shakespeare in some cases such critical guardedness has diverted attention from the religious topography of Shakespeare's plays Throughout this study the author's hermeneutic is to read Shakespeare through the lens of early modern theological controversy and to read early modern theology through the lens of Shakespeare

Shakespeare, Contemporary Critical Approaches Harry Raphael Garvin, Michael Payne, 1980 The study and criticism of Shakespeare has always been of major interest in the literary world but never more than in the last ten years The essays in this volume explore Shakespeare's art that is complementary to the experience of his plays The feelings of the essays create a sensitive atmosphere for creative study

2000 Lectures and Memoirs British Academy, 2001 Volume 111 of the Proceedings of the British Academy contains 12 British Academy lectures and 17 obituaries of Fellows of the British Academy

Shakespeare, Antony and Cleopatra, and the Nature of Fame Robert A Logan, 2018-04-15 Shakespeare Antony and Cleopatra and the Nature of Fame is a characterological study offering new perspectives on Antony and Cleopatra the most ambiguous of Shakespeare's plays It also offers new insights about the origins and nature of Shakespeare's imperishable fame Wide ranging in its concerns this monograph promises to make an essential difference in the way scholars view characterizations fame Shakespeare's reputation and the eminence of the celebrated figures of the play

"The" Works of William Shakespeare William Shakespeare, 1886

Shakespeare's Complete Works William Shakespeare, 1898

Shakespeare's Military Spouses and Twenty-First-Century Warfare Kelsey Ridge, 2021-09-05 This volume presents a fresh look at the military spouses in Shakespeare's Othello 1 Henry IV Julius Caesar Troilus and Cressida Macbeth and Coriolanus vital to understanding the plays themselves By analysing the characters as military spouses we can better understand current dynamics in modern American civilian and military culture as modern American military spouses live through the War on Terror Shakespeare's Military Spouses and Twenty First Century Warfare explains what

these plays have to say about the role of military families and cultural constructions of masculinity both in the texts themselves and in modern America Concerns relevant to today's military families domestic violence PTSD infertility the treatment of queer servicemembers war crimes and the growing civil military divide pervade Shakespeare's works These parallels to the contemporary lived experience are brought out through reference to memoirs written by modern day military spouses sociological studies of the American armed forces and reports issued by the Department of Defence Shakespeare's military spouses create a discourse that recognizes the role of the military in national defence but criticizes risky or damaging behaviours and norms promoting the idea of a martial identity that permits military defence without the dangers of toxic masculinity Meeting at the intersection of Shakespeare Studies trauma studies and military studies this focus on military spouses is a unique and unprecedented resource for academics in these fields as well as for groups interested in Shakespeare and theatre as a way of thinking through and responding to psychiatric issues and traumatic experiences

The Shakespeare North Playhouse Tim Keenan, 2024-04-26 This collection celebrates the opening of the Shakespeare North Playhouse SNP After discussion of its genesis and development by four people pivotal to its progress at different stages of the project this book explores different aspects of the SNP's purpose and functions across three broad categories buildings and spaces practices and performance and community arts and education Various chapters offer answers to fundamental questions about replica theatres including Why do we build them What do they do How do we use them In the course of these discussions the purposes potential and programming of the SNP are discussed in relation to other Globe type replicas in the UK and beyond Contributors to this collection analyse key academic and practice based concerns within their fields of expertise connected to the use and misuse of replica theatres to suggest the ways in which they can be used to drive research and practice in contemporary Shakespearean performance connect with young people and serve local communities This book will appeal to academics students and practitioners interested in historical and contemporary approaches to Shakespeare in the fields covered It should also appeal to general readers with an interest in the topics particularly in Merseyside and the North West region *From Chaucer's Pardoner to Shakespeare's Iago* Maik Goth, 2009 In The Western Canon The Books and School of the Ages the American critic Harold Bloom claims that Shakespeare drew on Chaucer's Pardoner when creating the villain Iago for his Othello This book turns Bloom's observation of influences within the canon of Western literature into a more complex intermedial analysis of dramatic and literary traditions at the waning of the Middle Ages and the dawn of the Renaissance The discussion of verbal and non verbal codes in Chaucer's presentation of the Pardoner and Shakespeare's depiction of Iago sheds light on the various strands of the Vice's development and shows that Chaucer's pilgrim who descends obliquely from the stage Vices stands at the very beginning of the Vice tradition while Iago is a late development of him who adapts his role to new dramatic challenges *Glossary to the works of William Shakespeare* Alexander Dyce, 1894 Shakespeare's Political Imagination Philip Goldfarb Styrt, 2021-11-04 Shakespeare's

Political Imagination argues that to better understand Shakespeare's plays it is essential to look at the historicism of setting how the places and societies depicted in the plays were understood in the period when they were written This book offers us new readings of neglected critical moments in key plays such as Malcolm's final speech in Macbeth and the Duke's inaction in The Merchant of Venice by investigating early modern views about each setting and demonstrating how the plays navigate between those contemporary perspectives Divided into three parts this book explores Shakespeare's historicist use of medieval Britain and Scotland in King John and Macbeth ancient Rome in Julius Caesar and Coriolanus and Renaissance Europe through Venice and Vienna in The Merchant of Venice Othello and Measure for Measure Philip Goldfarb Styrer argues that settings are a powerful component in Shakespeare's worlds that not only function as physical locations but are a mechanism through which he communicates the political and social orders of the plays Reading the plays in light of these social and political contexts reveals Shakespeare's dramatic method how he used competing cultural narratives about other cultures to situate the action of his plays These fresh insights encourage us to move away from overly localized or universalized readings of the plays and re-discover hidden moments and meanings that have long been obscured

Shakespeare William Shakespeare, 1880

When somebody should go to the book stores, search introduction by shop, shelf by shelf, it is truly problematic. This is why we provide the ebook compilations in this website. It will very ease you to look guide **Shakespeare In Perspective** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you strive for to download and install the Shakespeare In Perspective, it is utterly simple then, back currently we extend the connect to buy and create bargains to download and install Shakespeare In Perspective suitably simple!
