Shakespeare, Law, and Marriage

CAMBRIDGE

Shakespeare Law And Marriage

Cristina León Alfar

Shakespeare Law And Marriage:

Shakespeare, Law, and Marriage B. J. Sokol, Mary Sokol, 2003-12-08 This interdisciplinary study combines legal historical and literary approaches to the practice and theory of marriage in Shakespeare's time. It uses the history of English law and the history of the contexts of law to study a wide range of Shakespeare's plays and poems. The authors approach the legal history of marriage as part of cultural history. The household was viewed as the basic unit of Elizabethan society but many aspects of marriage were controversial and the law relating to marriage was uncertain and confusing leading to bitter disagreements over the proper modes for marriage choice and conduct. The authors point out numerous instances within Shakespeare's plays of the conflict over status, gender relations, property, religious belief, and individual autonomy versus community control. By achieving a better understanding of these issues, the book illuminates both Shakespeare's work and his age.

Shakespeare's Law Mark Fortier, 2022-05-30 Shakespeare's Law is a critical overview of law and legal issues within the life, career, and works of William Shakespeare as well as those that arise from the endless array of activities that happen today in the name of Shakespeare. Mark Fortier argues that Shakespeare's attitudes to law are complex and not always sanguine; that there exists a deep and perhaps ultimate move beyond law, very different from what a lawyer or legal scholar might recognize. Fortier looks in detail at the legal issues most prominent across Shakespeare's work: status, inheritance, fraud, property, contract, tort, especially slander, evidence, crime, political authority, trials, and the relative value of law and justice. He also includes two detailed case studies of *The Merchant of Venice* and *Measure for Measure*, as well as a chapter looking at law in works by Shakespeare's contemporaries. The book concludes with a chapter on the law as it relates to Shakespeare today. The book shows that the legal issues in Shakespeare are often relevant to issues we face now, and the exploration of law in Shakespeare is as germane today, though in sometimes new ways, as in the past. *The Oxford Handbook of Shakespeare*

Arthur F. Kinney, 2012 Contains forty original essays. Shakespeare and the Law Bradin Cormack, Martha C. Nussbaum, Richard Strier, 2016-07-11 William Shakespeare is inextricably linked with the law. Legal documents make up most of the records we have of his life; trials, lawsuits, and legal terms permeate his plays. Gathering an extraordinary team of literary and legal scholars, philosophers, and even sitting judges, Shakespeare and the Law demonstrates that Shakespeare's thinking about legal concepts and legal practice points to a deep and sometimes vexed engagement with the law's technical workings, its underlying premises, and its social effects. Shakespeare and the Law opens with three essays that provide useful frameworks for approaching the topic, offering perspectives on law and literature that emphasize both the continuities and the contrasts between the two fields. In its second section, the book considers Shakespeare's awareness of common law thinking and practice through examinations of *Measure for Measure* and *Othello*. Building and expanding on this question, the third part inquires into Shakespeare's general attitudes toward legal systems. A judge and former solicitor general rule on Shylock's demand for enforcement of his odd contract, and two essays by literary scholars take contrasting views on whether

Shakespeare could imagine a functioning legal system The fourth section looks at how law enters into conversation with issues of politics and community both in the plays and in our own world The volume concludes with a freewheeling colloquy among Supreme Court Justice Stephen G Breyer Judge Richard A Posner Martha C Nussbaum and Richard Strier that covers everything from the ghost in Hamlet to the nature of judicial discretion Jacket

Shakespeare and Law Andrew Zurcher, 2014-09-26 Readers of Shakespeare's language from the playhouse to the classroom have long been aware of his peculiar interest in legal words and concepts Richard II's two bodies Hamlet's quiddities and quillets Pandarus' *peine forte et dure* In this new study Andrew Zurcher takes a fresh historically sensitive look at Shakespeare's meticulous resort to legal language texts concepts and arguments in a range of plays and poems Following a preface that situates Shakespeare's life within the various legal communities of his Stratford and London periods Zurcher reconsiders the ways in which Shakespeare adapts legal language and concepts to figure problems about being knowing reading interpretation and action In challenging new readings of plays from King John and Henry IV to *As You Like It* and Hamlet Shakespeare and Law reveals the importance of early modern common legal thinking to Shakespeare's representations of inheritance possession gift giving oath swearing contract sovereignty judgment and conscience and finally to our own reception and interpretation of his works

Women and Shakespeare's Cuckoldry Plays Cristina León Alfar, 2017-02-10 How does a woman become a whore What are the discursive dynamics making a woman a whore And more importantly what are the discursive mechanics of unmaking In *Women and Shakespeare's Cuckoldry Plays* Shifting Narratives of Marital Betrayal Cristina León Alfar pursues these questions to tease out familiar cultural stories about female sexuality that recur in the form of a slander narrative throughout William Shakespeare's work She argues that the plays stage a structure of accusation and defense that unravels the authority of husbands to make and unmake wives While men's accusations are built on a foundation of political religious legal and domestic discourses about men's superiority to and rule over women whose weaker natures render them perpetually suspect women's bonds with other women animate defenses of virtue and obedience fidelity and love work loose the fabric of patrilineal power that undergirds masculine privileges in marriage and signify a discursive shift that constitutes the site of agency within a system of oppression that ought to prohibit such agency That women's agency in the early modern period must be tied to the formations of power that officially demand their subjection need not undermine their acts In what Alfar calls Shakespeare's cuckoldry plays women's rhetoric of defense is both subject to the discourse of sexual honor and finds a ground on which to shift it as women take control of and replace sexual slander with their own narratives of marital betrayal

The Law in Shakespeare C. Jordan, K. Cunningham, 2006-12-12 Leading scholars in the field analyze Shakespeare's plays to show how their dramatic content shapes issues debated in conflicts arising from the creation and application of law Individual essays focus on such topics such as slander revenge and royal prerogative these studies reveal the problems confronting early modern English men and women

Shakespeare's Letters Alan Stewart, 2008-11-13

Shakespeare's plays are stuffed with letters 111 appear on stage in all but five of his dramas But for modern actors directors and critics they are frequently an awkward embarrassment Alan Stewart shows how and why Shakespeare put letters on stage in virtually all of his plays By reconstructing the very different uses to which letters were put in Shakespeare's time and recapturing what it meant to write send receive read and archive a letter it throws new light on some of his most familiar dramas Early modern letters were not private missives sent through an anonymous postal system but a vital sometimes the only means of maintaining contact and sending news between distant locations Penning a letter was a serious business in a period when writers made their own pen and ink letter writing protocols were strict letters were dispatched by personal messengers or carriers often received and read in public and Shakespeare exploited all these features to dramatic effect Surveying the vast range of letters in Shakespeare's oeuvre the book also features sustained new readings of Hamlet King Lear Antony and Cleopatra The Merchant of Venice and Henry IV Part One Law and Literature Richard A. Posner, 2009-04-30 First edition published in 1988 Law and literature a misunderstood relation revised and enlarged edition published in 1998 **Shakespeare and the Lawyers** O Hood Phillips, 2013-04-15 First published in 1972 Shakespeare's writing abounds with legal terms and allusions and in many of the plays the concept and working of the law is a significant theme Shakespeare and the Lawyers gives a comprehensive survey of what Shakespeare wrote about the law and lawyers and what has been written particularly by lawyers about Shakespeare's life and works in relation to the law The book first reviews the recorded facts about Shakespeare's life and works and his connection with the Inns of Court It then discusses legal terms allusions and plots in the plays Shakespeare's treatment of the problems of law justice and government his description of lawyers and officers of the law his references to actual legal personalities and his trial scenes Two further chapters consider the criticisms that have been made of Shakespeare's law and the contribution to Shakespeare studies by lawyers Culture-blind Shakespeare Maryam Beyad, 2015-11-25 This collection of essays offers a panoramic plethora of responses to Shakespeare by both Western and Eastern critics indicating that the Bard crosses all nationalities and deserves to be defined as a global writer which is why he is easily appreciated manipulated translated adapted and interpreted by everyone everywhere Divided into three parts this volume deals with a wide range of issues on culture and multiculturalism and hammers home the idea that the works of Shakespeare can be not only universally understood but also fully integrated into other cultures **Shakespeare's Reading Audiences** Cyndia Susan Clegg, 2017-06-26 This book asks what Shakespeare's contemporary audiences read and how their reading shaped their reception of his work **Unruly Audiences and the Theater of Control in Early Modern London** Eric Dunnum, 2019-09-18 Unruly Audiences and the Theater of Control in Early Modern London explores the effects of audience riots on the dramaturgy of early modern playwrights arguing that playwrights from Marlowe to Brome often used their plays to control the physical reactions of their audience This study analyses how out of anxiety that unruly audiences would destroy the nascent industry of professional

drama in England playwrights sought to limit the effect that their plays could have on the audience They tried to construct playgoing through their drama in the hopes of creating a less reactive more pensive and controlled playgoer The result was the radical experimentation in dramaturgy that in part defines Renaissance drama Written for scholars of Early Modern and Renaissance Drama and Theatre Theatre History and Early Modern and Renaissance History this book calls for a new focus on the local economic concerns of the theatre companies as a way to understand the motivation behind the drama of early modern London Literature and Intellectual Disability in Early Modern England Alice Equestri,2021-08-30 Fools and clowns were widely popular characters employed in early modern drama prose texts and poems mainly as laughter makers or also as ludicrous metaphorical embodiments of human failures Literature and Intellectual Disability in Early Modern England Folly Law and Medicine 1500 1640 pays full attention to the intellectual difference of fools rather than just their performativity what does their total partial or even pretended irrationality entail in terms of non standard psychology or behaviour and others perception of them Is it possible to offer a close contextualised examination of the meaning of folly in literature as a disability And how did real people having intellectual disabilities in the Renaissance period influence the representation and subjectivity of literary fools Alice Equestri answers these and other questions by investigating the wide range of significant connections between the characters and Renaissance legal and medical knowledge as presented in legal records dictionaries handbooks and texts of medicine natural philosophy and physiognomy Furthermore by bringing early modern folly in closer dialogue with the burgeoning fields of disability studies and disability theory this study considers multiple sides of the argument in the historical disability experience intellectual disability as a variation in the person and as a difference which both society and the individual construct or respond to Early modern literary fools characterisation then emerges as stemming from either a realistic or also from a symbolical or rhetorical representation of intellectual disability

Taking Exception to the Law Donald Beecher, Travis DeCook, Andrew Wallace, Grant Williams, The Oxford Handbook of English Law and Literature, 1500-1700 Lorna Hutson,2017-06-15 This Handbook triangulates the disciplines of history legal history and literature to produce a new interdisciplinary framework for the study of early modern England Scholars of early modern English literature and history have increasingly found that an understanding of how people in the past thought about and used the law is key to understanding early modern familial and social relations as well as important aspects of the political revolution and the emergence of capitalism Judicial or forensic rhetoric has been shown to foster new habits of literary composition poetry and drama and new processes of fact finding and evidence evaluation In addition the post Reformation jurisdictional dominance of the common law produced new ways of drawing the boundaries between private conscience and public accountability Accordingly historians critics and legal historians come together in this Handbook to develop accounts of the past that are attentive to the legally purposeful or fictional shaping of events in the historical archive They also contribute to a transformation of our understanding of the place of forensic modes of inquiry in

the creation of imaginative fiction and drama Chapters in the Handbook approach from a diversity of perspectives topics including forensic rhetoric humanist and legal education Inns of Court reveals drama poetry emblem books marriage and divorce witchcraft contract property imagination oaths evidence community local government legal reform libel censorship authorship torture slavery liberty due process the nation state colonialism and empire **Shakespeare's Foreign Worlds** Carole Levin, John Watkins, 2012-06-15 In *Shakespeare's Foreign Worlds* Carole Levin and John Watkins focus on the relationship between the London based professional theater preeminently associated with William Shakespeare and an unprecedented European experience of geographic social and intellectual mobility Shakespeare's plays bear the marks of exile and exploration rural depopulation urban expansion and shifting mercantile and diplomatic configurations He fills his plays with characters testing the limits of personal identity foreigners usurpers outcasts outlaws scolds shrews witches mercenaries and cross dressers Through parallel discussions of *Henry VI* *The Taming of the Shrew* and *The Merchant of Venice* Levin and Watkins argue that Shakespeare's centrality to English national consciousness is inseparable from his creation of the foreign as a category asserting dangerous affinities between England's internal minorities and its competitors within an increasingly fraught European mercantile system As a women's historian Levin is particularly interested in Shakespeare's responses to marginalized sectors of English society As a scholar of English Italian Studies and Medieval Studies Watkins situates Shakespeare in the context of broadly European historical movements Together Levin and Watkins narrate the emergence of the foreign as portable category that might be applied both to strangers from other countries and to native born English men and women such as religious dissidents who resisted conformity to an increasingly narrow sense of English identity Shakespeare's *Foreign Worlds* will appeal to historians literary scholars theater specialists and anyone interested in Shakespeare and the Elizabethan Age *Shakespeare's Law* Sir George Greenwood, 1920 *Shakespeare's Marriage, His Departure from Stratford and Other Incidents in His Life* Joseph William Gray, 1905 **Shakespeare's Law and Latin** Sir Granville George Greenwood, 1916

Shakespeare Law And Marriage Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Shakespeare Law And Marriage**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve in to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Shakespeare Law And Marriage Introduction

In today's digital age, the availability of Shakespeare Law And Marriage books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shakespeare Law And Marriage books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shakespeare Law And Marriage books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shakespeare Law And Marriage versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shakespeare Law And Marriage books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shakespeare Law And Marriage books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shakespeare Law And Marriage books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shakespeare Law And Marriage books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shakespeare Law And Marriage books and manuals for download and embark on your journey of knowledge?

FAQs About Shakespeare Law And Marriage Books

What is a Shakespeare Law And Marriage PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shakespeare Law And Marriage PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Shakespeare Law And Marriage PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shakespeare Law And Marriage PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shakespeare Law And Marriage PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
