Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the  
 defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a  
 significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000  
 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to  
 an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian  
 literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays  
 examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features  
 bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will  
 appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well  
 as to the growing body of Christian readers and bibliophiles     **Orations, Addresses and Club Essays** George A.

 collection considers the task of teaching Shakespeare in general education college courses a task which is often considered  
 obligatory perfunctory and ancillary to a professor's primary goals of research and upper level teaching The contributors  
 apply a variety of pedagogical strategies for teaching general education students who are often freshmen or sophomores non  
 majors and or non traditional students Offering instructors practical classroom approaches to Shakespeare's language  
 performance and critical theory the essays in this collection explicitly address the unique pedagogical situations of today's
