Shakespeare: The Living Record Irvin Leigh Matus, 2016-03-07 *Shakespeare, the Living Record* Irvin Leigh Matus, 1991 Shakespeare's House Richard Schoch, 2023-11-16 A page turning story Times Literary Supplement Eye opening Michael Billington A detailed and highly compelling story that involves so much more than bricks and mortar The Stratford Herald In the wide realm of Shakespeare worship the house in Stratford upon Avon where William Shakespeare was born in 1564 known colloquially as the Birthplace remains the chief shrine It s not as romantic as Anne Hathaway s thatched cottage it s not where he wrote any of his plays and there s nothing inside the house that once belonged to Shakespeare himself So why for centuries have people kept turning up on the doorstep Richard Schoch answers that question by examining the history of the Birthplace and by exploring how its changing fortunes over four centuries perfectly mirror the changing attitudes toward Shakespeare himself Based on original research in the archives of the Shakespeare Birthplace Trust in Stratford upon Avon and the Folger Shakespeare Library in Washington DC and featuring two black and white illustrated plate sections which draw on the wide array of material available at the Folger Shakespeare Library and the Victoria and Albert Museum this book traces the history of Shakespeare s birthplace over four centuries Beginning in the 1560s when Shakespeare was born there it ends in the 1890s when the house was rescued from private purchase and turned into the Shakespeare monument that it remains today *SHAKESPEARE STUDIES SEMESTER-I CORE-102 BLOCK-1* DDE NBU, 2019-11-05 This subject helps to understand the various aspects of the life and literary work of Shakespeare This module comprises of seven units related to Shakespeare studies and about his plays with the insight of his life in this module

William Shakespeare have written the apocryphal plays while serving as a front man for the poet in purple robes a hidden court poet who was much admired by a literary coterie in the 1590s And could the poet in purple robes have been the great poet and statesman Thomas Sackville 1536 1608 a previously overlooked authorship candidate who is an excellent fit to the Shakespearean glass slipper Both of these scenarios are well supported by literary and historical records many of which have not been previously considered in the context of the Shakespeare authorship debate
