Cowboys, Creatures, and Classics Chris Enss, Howard Kazanjian, 2018-09-01 Take one well-oiled, effective killing machine, add a familiar hero on the ground, in the air, and on horseback, stir in a ghastly end that's surely impossible to escape, add action, add passion, made on a shoestring budget at breakneck speed, and you've got the recipe for Republic Pictures. Who after all cannot forget *The Atomic Kid* starring Mickey Rooney or *The Untamed Heiress* with an un-Oscar-worthy performance by ingénue Judy Canova? Exploding onto the movie scene in 1935, Republic Pictures brought the pop culture of the 30s and 40s to neighborhood movie houses. Week after week, kids sank into their matinee seats to soak up the Golden Age of the Republic series to ride off into the classic American West. And they gave us visions of the future. Visions that inspire film makers today. Republic was a studio that dollar for dollar packed more movie onto the screen than the majors could believe. From sunrise on into the night, over grueling six-day weeks, no matter how much mayhem movie makers were called upon to produce at Republic Pictures, it was all in a day's work. Republic Pictures was the little studio in the San Fernando Valley where movies were made family style. A core of technicians, directors, and actors worked hard at their craft.

as Republic released a staggering total of more than a thousand films through the late 1950s Republic Pictures was home to John Wayne for thirty three films Always inventing Republic brought a song to the West It featured the West s first singing cowboy Republic brought action adventure and escape to neighborhood movies houses across America And they brought it with style Scene from westerns such as The Three Mesquiteers and the Lawless Range gave screaming kids at the bijou a white knuckle display of expert film making Republic Pictures became a studio where major directors could bring their personal vision to the screen Sometimes these were projects no other studio would touch such as The Quiet Man which brought director John Ford an Oscar and Macbeth Killer Bs Cowboys Creatures and Classics The Story of Republic Pictures is for anyone who likes B movies magic It is the honest account of an extraordinary production house one whose ability to turn out films quickly boded well for its transition into television production Not only were its sets used for such shows as Leave it to Beaver and Gilligan s Island stock footage from Republic s movies was used on such shows as Gunsmoke and The Life and Legend of Wyatt Earp

Pistol Packin' Madams Chris Enss,2006-07-01 Between 1840 and 1870 hundreds of thousands of enthusiastic dreamers embarked on a 2 000 mile journey into the wide open frontier of the United States in search of free land gold adventure and a better life Although only a few women were numbered among the very first pioneers those who did take the risk changed the face of the United States forever The western woman left the restrictions and conventions of her way of life behind and carried the struggle of emancipation into areas sacred to the male She competed in business and politics bronco busting smoking drinking gambling and gun toting This book celebrates the stories of the nonconforming gun toting pioneers who settled the West

Hearts West Chris Enss,2005-06-01 Complete with actual advertisements from both women seeking husbands and males seeking brides Hearts West includes twelve stories of courageous mail order brides and their exploits Some were fortunate enough to marry good men and live happily ever after still others found themselves in desperate situations that robbed them of their youth and sometimes their lives Desperate to strike it rich during the Gold Rush men sacrificed many creature comforts Only after they arrived did some of them realize how much they missed female companionship One way for men living on the frontier to meet women was through subscriptions to heart and hand clubs The men received newspapers with information and sometimes photographs about women with whom they corresponded Eventually a man might convince a woman to join him in the West and in matrimony Social status political connections money companionship or security were often considered more than love in these arrangements

Thunder over the Prairie Chris Enss,Howard Kazanjian,2009-06-02 Dora Hand was in a deep sleep Her bare legs were exposed despite her thick blankets and a mass of

long auburn hair stretched over her pillow and flowed off the side of her flimsy mattress A framed charcoal portrait of an elderly couple hung above her bed on the faded wallpaper and kept company with her slumber The air outside the window next to the picture was still and cold The distant sound of voices back slapping laughter profanity and a piano s tinny repetitious melody wafted down the main thoroughfare in Dodge City Kansas and into the small room Dodge was an all night town the wickedest little city in America The streets and saloons were always busy Residents learned to sleep through the giggling growling and gunplay of the cowboys and their paramours for hire Dora s dreams were seldom disturbed by the commotion but the smack of a pair of bullets cutting through the walls of the tiny room cut through the routine nightly noises The first bullet stuck in the dense plaster partition The second struck Dora on the right side just under her arm There was no time for her to object to the injury no moment for her to cry out or recoil in pain In the near distance a horse squealed and its galloping hooves echoed off the street and faded away Future legends of the Old West Charlie Bassett Bat Masterson Wyatt Earp and Bill Tilghman were the lawmen who patrolled the unruly streets When a cattle baron s son fled town after the shooting of the popular saloon singer named Dora Hand the four men all experts with a gun who knew the harsh desertlike surrounding terrain hunted him down like Thunder Over the Prairie The posse s ride across the desolate landscape to seek justice influenced the men s friendship their careers and their feelings about the justice system This account of that event is a fast paced cinematic glimpse into the Old West that was
