Love Vol 9:

Love Alan Hines, 2021-05-11 The love of life the love shown love giving within existence Love Poetry **In Love** Alan Hines, Lovely Love Poetry Find me on Facebook under Alan Hines Email me at alan_hines yahoo com **Words I Love** Charles Santiago, 2024-10-01 When death comes to a spouse does the surviving spouse face a lonely sojourn on Earth in which reminiscing becomes the only recourse to experiencing those treasured joys of wedded bliss Must the survivor receive consolation from merely an expected future reunion at death Is the cherished loved one dead and gone or alive in an inaccessible world beyond How the surviving spouse chooses to answer these questions in a way is a matter of life and death Must the surviving spouse languish in a world of perceived loss Or is the departed loved one available and anxious to continue the life of wedded bliss The poems in this book are written with a view to reaching people who find themselves in the situation of pondering these questions Can there really be an Earthly heavenly romance in which the beloved departed is not dead and gone but alive and here The poems in this book answer that question with a resounding Yes As the last couplet of poem 4 A Heavenly Hum says Reminisce my Earthly man Rememb ring THIS We live again **English Spirituality** Gordon Mursell, 2001-01-01 This wide ranging historical survey provides an indispensable resource for those interested in exploring teaching or studying English spirituality In two stand alone volumes it traces the history from Roman times until the year 2000 The main Christian traditions and a vast range of writers and spiritual themes from Anglo Saxon poems to late modern feminist spirituality are included These volumes present the astonishing richness and variety of responses made by English Christians to the call of the divine during the past two thousand years *Permanent Blood Stain* Alan Hines, 2020-06-22 The things that were arranged and rearranged that became the bloodshed of pouring rain poetry **The Reality of Love** Ingvild Rosok, 2018-01-12 Love is one and love is all we need This book argues against the traditional theological view that God s love differs from human love If God is love and love is one we will find God embodied in all kinds of genuine love experiences By analyzing Karl Rahner s theology of love the author explores how God penetrates and embraces the whole of reality suggesting implications for Christian spirituality and spiritual direction **Advocate of Love** Thomas Schirrmacher, 2018-05-10 Evangelicals comprise a movement that spans practically all denominations and even confessions worldwide Now Evangelicals are found on both sides of the old ditch between established mainline churches and free churches between Reformed theology and more recent developments and between traditional structures and all sorts of revivalist movements That is reason enough to take the Reformer who already embodied represented and unified all of these trends in himself during the 16th century as a role model Martin Bucer 1491 1551 was a leading illustration of the attempt to use Scripture to find what is common at a time when Christianity was beginning to experience the fragmentation we see today and to win back erring brothers in a friendly and sustainable manner For a long time Bucer was the least known of the great Protestant Reformers But in his lifetime he was as well known as Luther and Calvin He achieved this status without

establishing a denomination or confession but was forgotten in an age of separatism in Christianity which did not provide space for reformers who loved unity

Love in Modern Japan Sonia Ryang,2006-10-19 Taking an approach in which state formation and vicissitude of power are taken into account in the discussion of intimacy and love Sonia Ryang demonstrates that love as idealization and love as sexuality must be kept analytically separate and places the concept of love in Japan in both a social and historical context

Love Strong as Death J.I. Little,2010-10-30 A transcription of Lucy Peel s wonderfully readable journal was recently discovered in her descendent s house in Norwich England Sent in regular installments to her transatlantic relatives the journal presents an intimate narrative of Lucy s Canadian sojourn with her husband Edmund Peel an officer on leave from the British navy Her daily entries begin with their departure as a young newlywed couple from the

shores of England in 1833 and end with their decision to return to the comforts of home after three and a half years of hard work as pioneer settlers Lucy Peel's evocative diary focuses on the semi public world of family and community in Lower Canada's Eastern Townships and fulfils the same role as Susanna Moodie's writings had for the Upper Canadian frontier Though their perspective was from a small privileged sector of society these genteel women writers were sharp observers of their social and natural surroundings and they provide valuable insights into the ideology and behaviour of the social class that dominated the Canadian colonies during the pre Rebellion era Women's voices are rarely heard in the official records that comprise much of the historical archives Lucy Peel's intensely romantic journal reveals how crucially important domesticity was to the local British officials Lucy Peel's diary like those of such counterparts as Catherine Parr Traill also suggests that genteel women were better prepared for their role in the New World than Canadian historians have generally assumed

Love in the Religions of the World Paul Caringella, Gregory Kaplan, 2011-11-15 The study of comparative religion is no longer a matter merely for those interested in religion it is a matter of concern for everybody For irrespective of whether one believes in God religion is a major characteristic of identity And in the post 9 11 world every educated person is aware of how important it is to understand what others believe This collection of essays by international scholars emerged from an intense and powerful dialogue at the University of Hong Kong about love in the major religions of the world Eschewing the comforting but ultimately erroneous and dangerous idea that all religions believe more or less the same thing each essay examines the role and nature of love in a major religion of the world It is an invaluable guide for students teachers and the general reader wanting to cut through the morass of doctrinal differences and emphases in the world's religions It also makes an important contribution to the urgent issue of dialogue amongst faiths and cultures
