Evans, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series The Usefulness of Scripture Daniel Castelo, Sara M. Koenig, David R. Nienhuis, 2018-05-04 Robert Wall began his teaching career at Seattle Pacific University in 1978 Now forty years later and in celebration of his seventieth birthday colleagues and former students have gathered to produce this volume in honor of their friend and teacher The results are sure to delight all of those who have studied under or been friends of Professor Wall The essays are grouped under two general themes theology and methodology with an emphasis on Wesleyan biblical hermeneutics canonical perspectives and the implications of these approaches for church life and work and biblical texts
