Luke Saving A Fallen World:

Twelve Months of Sundays Nan,2008-08-12 **A Thematic Access-Oriented Bibliography of Jesus's Resurrection**
Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *Systematic Theology, Volume One* Stephen J. Wellum,2024-02-15 Stephen Wellum's Systematic Theology Volume One is a Trinitarian reformational and baptistic systematic theology committed to serious evangelical engagement with the Scriptures Building on decades of research Wellum formulates doctrine exegetically covenantally and canonically for a new generation of students pastors church leaders and seasoned theologians as well **A Guide to Biblical Commentaries and Reference Works** John F. Donald Rosen,2014-11-06 Saving Private Weinmann picks up where the author's previous book Reckoning in Normandy ends It chronicles the relationship between the author and an embittered Normandy veteran scarred by the brutality of war The two men develop a symbiotic relationship in which the author gets a personalized view of the fighting in Europe and the elderly veteran gains new hope in salvation he never thought possible The climax comes in an unforgettable description of his liberation of the Dachau concentration camp how it shattered his faith and how he was haunted by it for the rest of his life **A Guide to Biblical Commentaries and Reference Works, 11th Edition** John F. Heaven Christopher W. Morgan,Robert A. Peterson,2014-09-30 Our culture has a lot to say about heaven But too much of it is based more on imaginative speculation or supernatural experiences than on the Bible itself In the latest addition to the Theology in Community series Christopher Morgan and Robert Peterson have assembled an interdisciplinary team of evangelical scholars to explore the doctrine of heaven from a variety of angles Among other contributors Ray Ortlund examines the concept of heaven in the Old Testament Gerald Bray explores the history of theological reflection about heaven and Ajith Fernando looks at persecuted saints special relationship to heaven in the New Testament This team of first rate scholars offers modern readers a comprehensive overview of this often misunderstood topic shedding biblical light on the eternal hope of all Christians Part of the Theology in Community series *The Bible and Poetry* Michael Edwards,2023-08-15 A fresh provocative look at the link between poetry and Christianity both as it relates to the Bible itself as well as to Christian and religious life by an accomplished scholar The Bible is full of poems In the Old Testament there are the Psalms and the Song of Songs the great exhortations and lamentations of the Prophets and passages of poetry woven in throughout In the New Testament Jesus describes the kingdom of heaven with poetic epithets such as a treasure hid in a field calling the Son of God the true vine the light of the world the good shepherd and the way the truth and the life The Gospels reverberate with allusions to the poetry of the Old Testament the last book of all is Revelation a visionary poem The Bible in other words asks to be read poetically from start to end and yet readers have rarely considered what that might mean much less heeded that call In *The Bible and Poetry* the poet and scholar Michael Edwards reshapes our understanding of the Bible and religious belief arguing that poetry is not an ornamental or accidental feature but is central to both He speaks personally of his early unanticipated transformative encounters with scripture He offers close insightful and resonant readings of biblical passages Poetry as he sees it is the vital and necessary medium of the Creator s word and the truth of the Bible is not a question of precepts and propositions but of a direct experience of its poetry its power **The World Is Not Ours to Save** Tyler Wigg-Stevenson,2012-11-28 Daily news of systemic injustice has caused activist rhetoric to balloon Tyler Wigg

Stevenson hopes to slow this trend suggesting that our complex global situation is forcing us to see our limits as world changers He calls Christians to leave aside the heady pursuit of causes and take their rightful place as standard bearers of God's peace
