Tillett, 2004 In *Authority Control in Organizing and Accessing Information* Definition and International Experience international experts examine the state of the art and explore new theoretical perspectives With contributions from 17 countries on three continents this essential resource addresses standards exchange formats and metadata covering authority control for names works and subjects Twenty fascinating case examples show how authority control is practiced at libraries and other institutions around the world **In Difer Hoffnung Verwurzelt** Barbara Hoster, Dirk Kuhlmann, Zbigniew Wesolowski, 2017-04-07 This Festschrift is dedicated to the former Director and Editor in chief of the Monumenta Serica Institute in Sankt Augustin Germany Roman Malek S V D in recognition of his scholarly commitment to China The two volume work contains 40 articles by his academic colleagues companions in faith confreres as well as by the staff of the Monumenta Serica Institute and the China Zentrum e V China Center The contributions in English German and Chinese pay homage to the jubilarian s diverse research interests covering the fields of Chinese Intellectual History History of Christianity in China Christianity in China Today Other Religions in China Chinese Language and Literature as well as the Encounter of Cultures 中国, 日本, 中国和日本关系史 中国和日本关系史 (Japan), 2002 Four Quartets in the Light of the Chinese Jar Shudong Chen, 2020-12-04 *Four Quartets in the Light of the Chinese Jar* discusses how *Four Quartets* should be explored afresh with a prosodic philosophically sustained interdisciplinary and cross cultural literary approach in ways as the often overlooked pivotal image of the Chinese jar so indicates in the great sequence the pivotal image suggests the subtle but vital elixir from both The shores of Asia and the Edgware Road which are brought together as they had been brought together to The Waste Land With a steady focus on the function words mediated and phonemes facilitated and autochthonously void suggesting verbal transformation the book shows how the verbal transformation especially of the cases with parts of speech in the live context makes *Four Quartets* truly a rhythmical creation of meaningful beauty it demonstrates how the meaningful poetic beauty culminates in a quintessential state or being of poetry not merely being poetic particularly in terms of its prosodically sustained philosophical tenets which are often so serendipitously transformed into virtuoso mastery of verbal music As genuine poetry the great sequence flows freely from inside out at once in accordance with and in spirit of any given rhythmical form or rhyming pattern The Serials Directory, 1994 The Chinese Typewriter Thomas S. Mullaney, 2018-10-09 How Chinese characters triumphed over the QWERTY keyboard and laid the foundation for China s information technology successes today Chinese writing is character based the one major world script that is neither alphabetic nor syllabic Through the years the Chinese written language encountered presumed alphabetic universalism in the form of Morse Code Braille stenography Linotype punch cards word processing and other systems developed with the Latin alphabet in mind This book is about those encounters in particular thousands of

Chinese characters versus the typewriter and its QWERTY keyboard Thomas Mullaney describes a fascinating series of experiments prototypes failures and successes in the century long quest for a workable Chinese typewriter The earliest Chinese typewriters Mullaney tells us were figments of popular imagination sensational accounts of twelve foot keyboards with 5 000 keys One of the first Chinese typewriters actually constructed was invented by a Christian missionary who organized characters by common usage but promoted the less common characters for Jesus to the common usage level Later came typewriters manufactured for use in Chinese offices and typewriting schools that turned out trained typewriter girls and typewriter boys Still later was the Double Pigeon typewriter produced by the Shanghai Calculator and Typewriter Factory the typewriter of choice under Mao Clerks and secretaries in this era experimented with alternative ways of organizing characters on their tray beds inventing an input method that was the first instance of predictive text Today after more than a century of resistance against the alphabetic not only have Chinese characters prevailed they form the linguistic substrate of the vibrant world of Chinese information technology The Chinese Typewriter not just an object history but grappling with broad questions of technological change and global communication shows how this happened A Study of the Weatherhead East Asian Institute Columbia University

Ezra Pound's Chinese Friends Ezra Pound, 2008-02-21 No literary figure of the past century in America or perhaps in any other Western country is comparable to Ezra Pound in the scope and depth of his exchange with China To this day scholars and students still find it puzzling that this influential poet spent a lifetime incorporating Chinese language literature history and philosophy into Anglo American modernism How well did Pound know Chinese Was he guided exclusively by eighteenth to nineteenth century orientalist in his various Chinese projects Did he seek guidance from Chinese peers Those who have written about Pound and China have failed to address this fundamental question No one could do so just a few years ago when the letters Pound wrote to his Chinese friends were sealed or had not been found This book brings together 162 revealing letters between Pound and nine Chinese intellectuals eighty five of them newly opened up and none previously printed Accompanied by editorial introductions and notes these selected letters make available for the first time the forgotten stories of Pound and his Chinese friends They illuminate a dimension in Pound's career that has been neglected his dynamic interaction with people from China over a span of forty five years from 1914 until 1959 This selection will also be a documentary record of a leading modernist's unparalleled efforts to pursue what he saw as the best of China including both his stumbles and his triumphs

Gu Hongming's Eccentric Chinese Odyssey Chunmei Du, 2019-04-02 Known for his ultraconservatism and eccentricity Gu Hongming 1857-1928 remains one of the most controversial figures in modern Chinese intellectual history A former member of the colonial elite from Penang who was educated in Europe Gu in his late twenties became a Qing loyalist and Confucian spokesman who also defended concubinage footbinding and the queue Seen as a reactionary by his Chinese contemporaries Gu nevertheless gained fame as an Eastern prophet following the

carnage of World War I often paired with Rabindranath Tagore and Leo Tolstoy by Western and Japanese intellectuals Rather than resort to the typical conception of Gu as an inscrutable eccentric Chunmei Du argues that Gu was a trickster sage figure who fought modern Western civilization in a time dominated by industrial power utilitarian values and imperialist expansion A shape shifter Gu was by turns a lampooning jester defying modern political and economic systems and at other times an avenging cultural hero who denounced colonial ideologies with formidable intellect symbolic performances and calculated pranks A cultural amphibian Gu transformed from an imitation Western man to a Chinaman again and reinterpreted performed and embodied authentic Chineseness in a time when China itself was adopting the new identity of a modern nation state Gu Hongming's *Eccentric Chinese Odyssey* is the first comprehensive study in English of Gu Hongming both the private individual and the public cultural figure It examines the controversial scholar's intellectual and psychological journeys across geographical national and cultural boundaries in new global contexts In addition to complicating existing studies of Chinese conservatism and global discussions on civilization around the World War I era the book sheds new light on the contested notion of authenticity within the Chinese diaspora and the psychological impact of colonialism
