

The Luna Moth

The Luna Moth beats bright green wings
against the dark window—

persistent wings pounding with the force
of fresh spring leaves
opening against a lagging winter wind,

wings driving an ancient messenger
through obscure worlds
towards our brilliant night lights,

wings begging for complete attention
like snare drums played too loud

Luna Moth and Other Poems Steve Luxton, 2004-11-15 The book opens with a poem in which the son recalls an incident at the age of four his father lifted him to the top of a seven foot hedge and left him there for a while The vertiginous experience was frightening but it offered terror and delight what more could we want and the birth of a perspective on the whole world The Montreal Review of Books Spring Summer 2005 *Luna Moth and Other Poems* Steve Luxton, 2004 In his latest collection Steve Luxton navigates the mid passages facing what his favourite character the notorious Doc Holliday terms the wasting diseases Life sonofabitch Fate Love Pieces both lyrical and serio comic weigh sickness and personal mortality the death of a shell shocked father and the shenanigans of this Age s public life In *Luna Moth and Other Poems* the poet by now well tutored in human fragility and frailty discovers that being alive at all in this very odd world seems stranger by far than salvation or personal immortality Nevertheless though Fear may be the only deity first and last Luxton also celebrates the deep beauty in the recesses of nature and redeemingly a little companionship With both formal and experimental elements these vividly figured emotionally compelling poems tantalizingly sing and tartly satirize *Poems of Charles Alan Long* Charles Alan Long, 2017-05-16 This book is a compilation of poems written by inspiration by Professor Emeritus Charles Alan Long that reflect a long career of scholarship with many historical and lyrical expressions hidden by layers of research and teaching A chronology of sorts it begins in Dr Long s youth in college over sixty years ago and continued until he was 80 as a teacher professor of research museum director soldier with success in bio mathematics natural history as a philosopher critic and member of a progressive family Some current practical problems studied from the vantage of evolutionist ecologist biblical critic naturalist and offended American include the sudden rise of marijuana political rhetoric usury beyond decency and by liberals and conservatives alike the erosion of personal liberty especially of speech and universities But the poems from laments to loves to joy to pathos and death poverty to wealth nature art music and poetry itself are presented in almost musical sadness or joy The history of an intellectual s scholarly travels whereas some poems are for children some for society some attacking evils some praising good people with merit even in deference to religions many nations and his beloved homeland The poems are in large part visits into nostalgia and sentiment Cultures of many peoples in many nations are described as are many situations in America There is of course an American core but surely this poet loves good peoples and the history of Greece France Scotland Africa Russia and other places Loves genuine for many women inspired many lovely poems a lot of romance But profound in its argument is love for the poor and unhappy people love for art nature philosophy even sports science and math even religions It becomes unified by reason his active caring and his bursts of singing Much attention is given to geography history science and nature *Modern Poetry After Modernism* James Longenbach, 1997 Reading a diverse range of poets John Ashbery Elizabeth Bishop Amy Clampitt Jorie Graham Richard Howard Randall Jarrell Robert Lowell Robert Pinsky and Richard Wilbur Longenbach reveals that American poets since mid

The Complete Poems of Louis Daniel Brodsky: Volume Four, 1981-1985 Louis Daniel Brodsky, 1996 Tracing the days of the writer edging into middle age the 888 poems presented in volume four of The Complete Poems of Louis Daniel Brodsky offer a glimpse into the frenzied life of a man compelled by his discipline and inner passion to capture the elements of his existence and explode them upon the page Startlingly honest and bristling with the energy of Brodsky's discontent this book records the poet gaining momentum as a writer even as his personal life spirals out of control Time Being Books *Quill & Quire*, 2005
