Lure Of The Labrador:

The Lure Of The Labrador Wild Dillon Wallace, 2023 Together with their Indian tour guide George Elson Leonidas Hubbard and Dillon Wallace set out in 1903 to explore a part of Labrador that had not yet been thoroughly explored by Europeans They followed the Susan Valley instead of the Nascauppee River in their quest to investigate Lake Michikamau which led them into the heart of Labrador and onto a course for which they were unprepared The three guys immediately discovered that their adventure was rapidly turning into a battle for their lives as the chilly winter winds began to blow I was engrossed in this book and wondered how anyone could have made it through this ordeal It is nice to read of Dillon s courage and strength Incredibly they didn t grumble despite having to carry 100 pound loads of gear and a canoe while eating little to no food and walking through snow in only moccasins They also lifted each other s spirits by sharing bible tales and anecdotes about their homes

The Lure of the Labrador Wild Dillon Wallace, 2021-04-22 the lure of the labrador wild From Dillon Wallace *The Lure of the Labrador Wild* Dillon Wallace, 1905 Dillon Wallace 1863 1939 was an American lawyer outdoorsman author of non fiction fiction and magazine articles His first book *The Lure of the Labrador Wild* 1905 was a best seller as were many of his later books In 1900 Dillon Wallace met Leonidas Hubbard an assistant editor with *Outing* magazine 1 Hubbard asked Wallace to join him on an exploratory trip through Labrador the plan was to follow the Naskaupi River to Lake Michikamau a region that had yet to be explored by Europeans They departed in July 1903 but took the wrong river from the very start following the much smaller and more difficult Susan River Short on supplies with winter coming on Hubbard became ill and died of starvation Wallace made it back alive Wikiped June 2014 [The Lure of the Labrador Wild](#) Dillon Wallace, Leonidas Hubbard, 2018-10-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Lure of the Labrador Wild Dillon Wallace, 2004-06-01 Of course I knew it was somewhere in the north eastern part of the continent but so many years had passed since I laid away my old school geography that its exact situation had escaped my memory and the only other knowledge I had retained of the country was a confused sense of its being a sort of Arctic wilderness Hubbard proceeded to enlighten me by tracing with his pencil on the fly leaf of his notebook an outline map of the peninsula *The Lure of the Labrador Wild* Dillon Wallace, 1905 *The Lure of the Labrador Wild* by Dillon Wallace, 2018-07-07 The Lure of the Labrador

Wild by Dillon Wallace Three years have passed since Hubbard and I began that fateful journey into Labrador of which this volume is a record A little more than a year has elapsed since the first edition of our record made its appearance from the press Meanwhile I have looked behind the ranges Grand Lake has again borne me upon the bosom of her broad deep waters into the great lonely wilderness that lured Hubbard to his death We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
