Lurie's Worlds 1970-1980:

Lurie's Worlds, 1970-1980 Ranan R. Lurie, 1980 **Dictionary of British Cartoonists and Caricaturists** Mark Bryant, Simon Heneage, 2022-01-25 Originally published in 1994 this dictionary provides a unique who's who of the major figures in the world of British cartoons and caricatures. It was the first book to encompass the entire field from c. 1730 when Hogarth published the first of his modern moral pictures to 1980. In addition to describing the careers and achievements of the artists and the characteristics of their styles, more than 500 entries give details of their publications, their illustrations to books and periodicals, exhibitions of their work, public collections in which their work is represented, and literature on or referring to them. More than 150 illustrations are included. This is a comprehensive reference work and will be of interest to social and political historians as well as cartoon and caricature enthusiasts.

Dictionary of Twentieth-Century British Cartoonists and Caricaturists Mark Bryant, 2022-07-08 British cartoonists and caricaturists are renowned worldwide. Originally published in 2000, this indispensable handbook offers a unique who's who of all the major artists working in Britain in the twentieth century and contains nearly 500 entries. Extensively illustrated, the book provides information on the work of artists such as Steve Bell, Gerald Scarfe, Posy Simmonds, Ronald Searle, Trog, Mac and Larry, as well as such past masters as David Low, Vicky, H. M. Bateman, Illingworth, Heath Robinson, and more. The dictionary concentrates primarily on political cartoonists, caricaturists, and joke or gag cartoonists actively working for the main Fleet Street national dailies and weeklies from 1900 to 1995. Each entry is cross-referenced and provides a concise biographical outline with an account of the artist's style, influences, and preferred medium. Where relevant, the entry includes suggestions for further reading and notes on solo exhibitions, books illustrated, and works held in public collections. The *Dictionary of Twentieth-Century British Cartoonists and Caricaturists* offers an insight into the lives of satirical artists working during a century that provoked cartoonists and caricaturists to a pitch of comic and artistic invention that has rarely been matched.

Lurie's Worlds, 1970-1980 Ranan R. Lurie, 1980 The cartoonist's scathingly accurate pen draws biting caricatures of world leaders and pointed comments on international events.

Lurie, 2004 *Editorial Cartooning and Caricature* Paul Somers, 1998-02-18 This reference traces the historical background of editorial cartooning and presents works that chronicle the history and criticize the aesthetics of the art. It also describes anthologies and exhibition catalogs that reprint editorial cartoons and provides a list of libraries, museums, and historical societies which house originals and photocopies or clippings of editorial cartoons. This expansive volume examines the American editorial cartoon from its beginnings in 1747 into the second Clinton administration. It fills a gap in the literature, providing comprehensive information on a field of growing interest to scholars and collectors. This reference guide studies the evolution of editorial cartooning and places it in its historical context and provides appreciation and criticism of the cartoons presented. In addition to political cartoons, underground, radical, and propaganda cartoons are also discussed in this volume. The appendixes offer important cross

reference tools such as a chronology and include listings of selected historical periodicals theses and dissertations covering political cartoons This work will be of value to a broad spectrum of readers from collectors to scholars and is suitable for many fields of study **International Journal of Comic Art** ,2009 Subject Catalog, 1980 Library of Congress,1980
