Radically Simple: Brilliant Flavors with Breathtaking Ease Rozanne Gold, 2010-10-26 Throughout her culinary career, chef Rozanne Gold has given much thought to the notions of simplicity and sophistication in cooking. Now, after years of experimentation, she has come to this conclusion: Simplicity is the art of combining a few essential ingredients with a minimum of effort in order to create food that neither looks or tastes like a shortcut food that is authentic enough to serve with pride and savor with pleasure. In *Radically Simple: Brilliant Flavors with Breathtaking Ease*, Gold demonstrates this art to its fullest, manipulating the interplay of time, technique and number of ingredients to create bold, sophisticated dishes bursting with global flavors. She offers an entire chapter of elegant 10-minute salads, delectable soups that take less than 5 minutes to prepare, and others with such depth of flavor they taste like they've been simmering all day. Her opinionated take on roast chicken yields a peerlessly moist and tender bird without so much as a sprinkling of salt and pepper, while her recipe for pineapple flan transforms sugar, eggs and bottled juice into a creamy and decadent taste of the tropics. From a 1-minute mustard sauce for her last-minute gravlax to a Peking pork shoulder that slow roasts under a savory blanket of hoisin and scallions, these dishes are truly stunning in their ease of preparation yet never sacrifice on flavor or presentation. Even Gold's procedures are revolutionary. All are conveyed in 140 words or less. With hundreds of signature recipes that you will return to time and again, *Radically Simple* provides both the tools and the inspiration to make memorable meals on a nightly basis and rediscover the satisfaction that comes from time well spent in the kitchen.
