Lust Kill:

Understanding Sexual Serial Killing Frederick Toates, Olga Coschug-Toates, 2022-06-02 This book provides an integrative and jargon free understanding of the phenomenon of sexual serial killing to a wide readership **Bricktown Beast** Nicole Doherty, 2012-01-15 In the small town of Brick NJ Asmodeus the demon of lust is raised by a teenage girl named Sam Agnes He is a very powerful demon who consumes the souls of the lustful to gain more power so he can leave town and awaken the other 5 demons so they can combine into Lucifer *The Grand Storybook* Heath Pfaff, 2014-03-06 The Grand Storybook is a collection of four fantasy novels including the complete Hungering Saga a set of three books that have been featured on Amazon's top 10 bestselling epic fantasy list This collection also includes a novella Seventh and a collection of short stories making it an incredible value for the price If you love fantasy and have been looking for something new this is what you've been waiting for The Hungering Saga four stars on Amazon Three complete novels The Noble Fool The Vengeful Malice and the The Snow Song chronicling the life of Lowin Fenly a young man who is cursed with a terrible power and must battle to maintain his humanity This story turns the conventional youth rising to power story formula on its end and takes you through the shocking transformation of a man into a monster Servant of Steel four and a half stars on Amazon The story of Xan an angry man with eight fingers and a penchant for perforating those he finds inconvenient When a particular job leads him to an unexpected crossroads in his life Xandrith must decide whether he will perhaps for the first time in his life choose to take the high road Of course nothing can ever be simple and Xan soon finds himself embroiled in a struggle that pits him against dangerous otherworldly elements as he struggles to protect himself and his small collection of friends and SO MUCH MORE Get this amazing deal while the getting is good **Sons of Cain** Peter Vronsky, 2018-08-14 From the author of Serial Killers The Method and Madness of Monsters comes an in depth examination of sexual serial killers throughout human history how they evolved and why we are drawn to their horrifying crimes Before the term was coined in 1981 there were no serial killers There were only monsters killers society first understood as werewolves vampires ghouls and witches or later Hitchcockian psychos In Sons of Cain a book that fills the gap between dry academic studies and sensationalized true crime investigative historian Peter Vronsky examines our understanding of serial killing from its prehistoric anthropological evolutionary dimensions in the pre civilization era c 15 000 BC to today Delving further back into human history and deeper into the human psyche than Serial Killers Vronsky's 2004 book which has been called the definitive history of serial murder he focuses strictly on sexual serial killers thrill killers who engage in murder rape torture cannibalism and necrophilia as opposed to for profit serial killers including hit men or political serial killers like terrorists or genocidal murderers These sexual serial killers differ from all other serial killers in their motives and their foundations They are uniquely human and as popular culture has demonstrated uniquely fascinating **Moving Targets** Helen Birch, 1994-08-08 The rampaging female has become a new cliché in Hollywood cinema a sexy beauty stabbing and shooting her way to box office success Fatal

Attraction Thelma and Louise The Hand That Rocks the Cradle and Single White Female are a few of the recent mainstream films that have attracted huge audiences Meanwhile true accounts of a teenager shooting her lover s wife and a battered woman bludgeoning her husband to death get prime news media coverage and are quickly made into TV movies This pioneering collection of essays looks at our enduring fascination with women who murder The authors explore how both fictional and real women are represented as well as the way society responds to these women The result is an often shocking picture of female violence that covers a vast territory the Australian outback a Florida highway an Austrian hospital a French village and Hollywood The women are as diverse as their settings middle class housewives prostitutes house maids nurses high powered professionals There is much here to provoke controversy Society s uncertainty over the role of premenstrual syndrome the fear of lesbianism female violence as self defense against patriarchy and appropriate female behavior are issues that push buttons on several levels Moving Targets is must reading for anyone concerned with violence and representations of women in our culture
