National Union Catalog ,1973 **The Publishers Weekly** ,1995 *Dictionary Catalog of the Jesse E. Moorland Collection of Negro Life and History, Howard University Library, Washington, D.C.* Moorland Foundation,1970 The American Lawyer Frank Charles Smith,Lucien Brock Proctor,1896 **Watson's Magazine** Thomas Edward Watson,1913

An American Dilemma Gunnar Myrdal,2017-07-12 In this landmark effort to understand African American people in the New World Gunnar Myrdal provides deep insight into the contradictions of American democracy as well as a study of a people within a people The title of the book An American Dilemma refers to the moral contradiction of a nation torn between allegiance to its highest ideals and awareness of the base realities of racial discrimination The touchstone of this classic is the jarring discrepancy between the American creed of respect for the inalienable rights to freedom justice and opportunity for all and the pervasive violations of the dignity of blacks The appendices are a gold mine of information theory and methodology Indeed two of the appendices were issued as a separate work given their importance for systematic theory in social research The new introduction by Sissela Bok offers a remarkably intimate yet rigorously objective appraisal of Myrdal a social scientist who wanted to see himself as an analytic intellectual yet had an unbending desire to bring about change An American Dilemma is testimonial to the man as well as the ideas he espoused When it first appeared An American Dilemma was called the most penetrating and important book on contemporary American civilization by Robert S Lynd One of the best political commentaries on American life that has ever been written in The American Political Science Review and a book with a novelty and a courage seldom found in American discussions either of our total society or of the part which the Negro plays in it in The American Sociological Review It is a foundation work for all those concerned with the history and current status of race relations in the United States *Watson's Jeffersonian Magazine* ,1879 *AB Bookman's Weekly* ,1999 **The American Lawyer** ,1896 *Masculinities and Crime* James W. Messerschmidt,2018-08-06 James W Messerschmidt s *Masculinities and Crime* quickly became a classic text for social scientists examining the relationship between masculinities and crime The book is completely revised and unique in its focus on Messerschmidt s most important research and theorizing accomplished over the last twenty five years as well as for its emphasis on selected studies by other scholars that represent the diversity of contemporary research on masculinities and crime This anniversary edition brings together a combination of the old and the new to examine what insight each have to offer scholars in terms of knowledge about the social construction of masculinities and crime Congressional Record United States. Congress,1967 National Live Stock Journal ,1887

American slavery as it is: Th. Dwight Weld, **American Slavery as it is** ,1839
