The Many Faces of Judge Lynch C. Waldrep, 2002-11-08 The U S is the most violent industrialized country in the world and lynching that is murder endorsed by the community may be a key to understanding America's heritage of violence and perhaps point to solutions that can eradicate it While lynchings are predominantly racial in tone and motive Christopher Waldrep's sweeping study of the meaning and uses of lynching from the colonial period to the present reveals that the definition of the term has shifted dramatically over time and that the victims and perpetrators of lynching were as diverse as its many meanings By examining lynching from a comparative and temporal perspective Waldrep teaches us important lessons not only about racial violence in America but about the ways in which communities define and justify crime and the punishment of its criminals

May It Please the Court Brian L. Porto, 2017-07-28 This practical comprehensive and engaging introduction to the American judicial system is designed primarily for undergraduate students in criminal justice liberal arts political science and beginning law It differs from other texts not only by delivering an insider's view of the courts but also by demonstrating how

The Language of Journalism Melvin J.

Lasky, 2018-04-17 The newspaper is to the twentieth century what the novel was for the nineteenth century the expression of popular sentiment In the first of a three volume study of journalism and what it has meant as a source of knowledge and as a mechanism for orchestrating mass ideology Melvin J Lasky provides a major overview His research runs the gamut of material found in newspapers from the trivial to the profound from pseudo science to habits of solid investigation The volume is divided into four parts The first attacks deficiencies in grammar and syntax with examples from newspapers and magazines drawn from the German as well as English language press The second examines the key issues of journalism accuracy and authenticity Lasky provides an especially acute account of differences between active literacy and passive viewing or the relationship of word and picture in defining authenticity The third part emphasizes the problem of bias in everything from racial reporting to cultural correctness This is the first systematic attempt to study racial nomenclature identity labeling and literary discrimination Lasky follows closely the model set by George Orwell a half century earlier The final section of the work covers the competition between popular media and the redefinition of pornography and its language The volume closes with an examination of how the popular culture both influenced and was influential upon literary titans like Hemingway Lawrence and Tynan

Forensic Linguistics Gerald R. McMenamin, 2002-03-28 Ted Kaczynski's manifesto The ransom note for Jon Ben Ramsey The anthrax letters threatening our government and media agencies With the aid of forensic linguistics the words criminals leave behind in their unsigned letters can be as distinctive as a signature or voice Although the linguistic study of language is well established
