Mabage For Health And Healing:

Crystal Massage for Health and Healing Michael Gienger, 2006 Working with crystals combines the advantages of massage the intensive tactile contact with the powerful healing properties of crystals The results are a subtle rebalancing and harmonizing of the whole being *Ayurvedic Massage* S. V. Govindan, 2000 The book on Massage for Health and Healing The Ayurvedic and Spiritual Energy Approach is a commendable guide to a very important medical aid which reigned with dignity in the past Though it was neglected for many years the art of massage has recaptured its central place amongst the forms of healing prevention of disease and promoting health Massage is the oldest of all techniques for relieving pain shaping the organs regenerating tissues and correcting almost all internal malfunctions Massage has its origin in the natural instincts of animals handed over to the concious man with a mandate to improve it as far as possible with his old wisdom Despite advancements in knowledge and complex techniques massage retains its usefulness and significance even as a method to save a person from immediate death as in heart failure breathlessness and several other fatal ailments In all kinds of therapeutic approaches massage alone can maintain certain links Any method of treatment with a holistic approach cannot leave out massage Ayurveda upholds its psychosomatic benefits Sushruta and other texts explain it classifying various types of massages and instructions on their manipulations and effects In Ayurveda the human body constitutes three functional entities the balance of which maintains health an upset in this balance increases diseases The book serves not only as a guide to novice practioners but also as a manual and refresher guide for those who are experienced ayurvedic masseurs The contents techniques of this book will bring relief and better health to those faithfully apply them in their daily lives
