101: Pilot Cherilyn Korber,2020-10-09 Not like the others Bonfire Beach South Carolina The exclusive beachfront community is old money the best of everything and its genteel residents don't take kindly to those who aren't like them And to say that Stacy Storm isn't like them is an understatement For one thing he's a disgraced reality TV star and tabloid fodder For another he's a world renowned psychic proven to be a fraud at least in part For a third he's moved into the notorious McClean mansion the very mansion whose relevance in Bonfire Beach history all would prefer to forget And that's just what the people of Bonfire know about From childhood on Stacy has been different Neglected by his mother and bullied by his peers he learned in his teens that he is in fact very much wanted in another realm of which very few others are even aware His gift is a double edged sword bringing him validation and approval by way of a daily nightmare that stars only Stacy and them He hates them He fears them He needs them And he's come to Bonfire Beach to find them This is the beginning

Gypsum Chris Rellim,2019-08-30 When Steven Dobrowski and his family move into their new home strange things happen At first the hauntings perpetuated by the angry spirit are innocuous but soon turn malicious and dangerous Keisha Steven's wife insists the family move for the sake of the family's safety but Steven's obsession with the spirit overshadows his judgement and he refuses to turn his back on the house he believes he and his family deserve As events unfold eventually Steven is taunted by an entity that persuades him to perform evil acts on the ones closest to him Not only are the Dobrowskis affected by an entity of the spiritual world but also by someone of the physical world who is furious Steven moved into the community with his African American wife and three mixed race children The family is victimized with threats and vandalism Who will win the fight between good and evil
