Macau Iêda Siqueira Wiarda, Lucy M. Cohen, 2004 **Macau History and Society** Zhidong Hao, 2011-01-01 Macau History and Society illuminates the early Portuguese maritime exploration along China's south coast political and economic development in Macau and current social problems The book makes significant contributions to a political sociology of Macau emphasizing how different civilizations and cultures interacted with one another and explores how a new Macau identity can be constructed Democratization has been a never ending process in Macau since the 1500's Macau's experience indicates that sovereignty has been shared rather than exclusive Although civilizations and cultures do clash they also cooperate But the Macau model is deeply flawed Hao contends that Macau needs to build a new multicultural identity and a cosmopolitan political and economic identity **Culture of Metropolis in Macau** Arthur H. The Heaviest Blow Patrick A. Smythe, 2004 The author examines responses within the international Catholic community to the annexation and rule of East Timor by Indonesia from 1975-1999. Theoretically the Catholic Church is committed to prioritise the needs of the poorest and weakest members of the human family but the evidence put forward here reveals that there were significant shortcomings in its reaction to the plight of the East Timorese. Yet the Church also played a crucial role in their eventual achievement of independent nationhood. This study scrutinises the disposition of the Catholic community in several countries closely involved in the issue of East Timor: Indonesia, Portugal, Australia, Japan, Britain, the United States and of the Vatican and calls upon the Church to live up to its own social doctrine. Bishop Carlos Belo, Apostolic Administrator emeritus of the Diocese of Dili, East Timor, comments in an Afterword to the book: 'This excellent study carries concrete lessons for the global community as we face the many challenges of the new millennium. In essence, how can we best help our brothers and sisters who often suffer in silence? This book helps to answer that question.'

Brazil, Lyric, and the Americas Charles A. Perrone, 2017-03-15 This is Perrone at his most brilliant. Erudite but accessible, thorough but playful. Brazil, Lyric, and the Americas is the latest contribution by the most knowledgeable U.S.-based scholar of the Brazilian lyric, Severino Joao Albuquerque, University of Wisconsin. Perrone retraces the dialogue of the Brazilian lyric with the poetry of the Americas in the generous spirit that the poets' utopia of solidarity will serve as a counterpoint to the harsher side of globalization. Luiza Moreira, Binghamton University. In this highly original volume, Charles Perrone explores how recent Brazilian lyric engages with its counterparts throughout the Western Hemisphere in an increasingly globalized world. This pioneering tour de force study focuses on the years from 1985 to the present and examines poetic output from song and visual poetry to discursive verse across a range of media. At the core of Perrone's work are in-depth examinations of five phenomena: the use of the English language and the reception of American poetry in Brazil; representations and engagements with U.S. culture, especially with respect to film and popular music; epic poems of hemispheric solidarity; contemporary dialogues between Brazilian and Spanish American poets; and the innovative musical, lyrical, and commercially successful work that evolved from the 1960s movement *Tropicalia*.
