The Macdowell Colony, 2003 **The MacDowell Colony** Bridget Falconer-Salkeld, 2005 Presenting a musical history of the MacDowell Colony in the fullest sense this work also contains new discoveries in several areas It is a survey of 19th and early 20th century art colonies in the United States and with reference to a French exemplar provides a context for the founding of the MacDowell Colony in 1907 The various formative pressures influences and motivations of the colony are explored and its philosophical basis is identified and discussed **MacDowell** E. Douglas Bomberger, 2013-07-09 A timeless tale of human strength and weakness set in one of the most vibrant periods of American musical history MacDowell traces the composer s rise from humble beginnings in lower Manhattan to the pinnacle of musical fame and the precipitous fall from grace that followed Music and Musical Composition at the American Academy in Rome Martin Brody, 2014 Combining cultural analysis with historical and personal accounts of a century of musical life at the American Academy in Rome this volume provides a history of the AAR s Rome Prize in Composition *Mabel Daniels: An American Composer in Transition* Maryann McCabe, 2017-10-05 Mabel Daniels 1877 1971 An American Composer in Transition assesses Daniels within the context of American music of the first half of the twentieth century Daniels wrote fresh sounding works that were performed by renowned orchestras and ensembles during her lifetime but her works have only recently begun to be performed again The book explains why works by Daniels and other women composers fell out of favor and argues for their performance today This study of Daniels s life and works evinces transition in women s roles in composition the professionalization of women composers and the role that Daniels played in the institutionalization of American art music Daniels s dual role as a patron composer is unique and expressive of her transitional status **The Cultural Sociology of Art and Music** Lisa McCormick, 2022-12-16 This edited collection develops the Strong Program s contribution to the sociological study of the arts and places it in conversation with other cultural perspectives in the field Presenting some of the newest and most original research by both renowned figures and early career scholars the volume marks a new stage in the development of the cultural sociology of art and music The chapters in Part 1 set new agendas by reflecting on the field s history presenting theoretical innovations and suggesting future directions for research Part 2 explores aesthetic issues and challenges in the creation experience and interpretation of art and music Part 3 focuses on the material environments and social settings where people engage with art and music In Part 4 the contributors examine controversies about music and contestation over artistic matters whether in the public sphere in the American judicial system or in an emerging academic discipline The editor s introduction and Ron Eyerman s afterword place the chapters in context and reflect on their collective contribution to meaning centered sociology **Legacies of Power in American Music** Judith A. Mabary, 2022-10-24 This volume honors and extends the contributions of educator and scholar Dr Michael J Budds to the field of musicology particularly the study of American music As the longtime editor of two book series for the College Music Society Budds nurtured a wide

range of scholarship in American music and had a lasting impact on the field This book brings together scholars who worked with Budds as a colleague editor or mentor to carry on his legacy of passionate engagement with America s rich and varied musical heritage Ranging through jazz gospel Americana and film music to American classical and addressing music s social contexts and analytical structure the research gathered here attests to the diversity of the mosaic that is American music and the numerous scholarly approaches that have been taken to the subject *The MacDowell Colony* Bridget

Manzella,2010-09-02 This book documents the wide range of contemporary communes and other intentional communities providing sanctuaries for like minded people to pursue cooperative alternatives to media stoked consumerism and the relentless tempo of change that characterizes mainstream life in 21st century America and Europe Common Purse Uncommon Future The Long Strange Trip of Communes and Other Intentional Communities explores the many new types of communal living being tried in America and Europe today A growing number of people disenchanted with the pressures and

demands of mainstream lifestyles are drawn by the nostalgic appeal of traditional mostly agrarian and artisanal lifestyles as practiced in residential communities where liminal rituals of membership serve to validate pacts to live and work together in cooperative social and economic relations Manzella focuses on the ways in which today's most innovative and controversial ecovillages diverge from the hippie communes of yesteryear's counterculture and from older communal forms such as kibbutzim and arts and crafts colonies and how today's nonsectarian spiritual and volunteer service communities differ from traditional religious communes and ashrams He reports his field investigations of a whole new generation of communal living experiments such as residential land trusts survivalist retreats urban cohousing green housing cooperatives student co-ops and New Age organic agrarian communes **The American Organist** ,2007 *Choice* ,2006 [American Book Publishing Record](#) ,2003 *Book Review Index* ,2006 Every 3rd issue is a quarterly cumulation [The British National Bibliography](#) Arthur James Wells,2009 **Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards** ,2005 Theses on any subject submitted by the academic libraries in the UK and Ireland **The Centennial Directory of the American Academy in Rome** American Academy in Rome,1995 *International Who's who in Music and Musicians' Directory* ,1981
