Personnl Experiences of the Machine Gun Corps , British Generalship on the Western Front 1914-1918** Simon Robbins, 2004-12-17 This book explores how British Army learnt from the pyrrhic victories of 1915 17 and developed the new tactics leadership and doctrine of combined arms to overcome the tactical stalemate hitherto bedevilling Allied offensives to defeat the Science and Technology in World History William E. Burns, 2020-02-07 This encyclopedia offers an interdisciplinary approach to studying science and technology within the context of world history With balanced coverage a logical organization and in depth entries readers of all inclinations will find useful and interesting information in its contents Science and Technology in World History takes a truly global approach to the subjects of science and technology and spans the entirety of recorded

human history Topical articles and entries on the subjects are arranged under thematic categories which are divided further into chronological periods This format along with the encyclopedia's integrative approach offers an array of perspectives that collectively contribute to the understanding of numerous fields across the world and over eras of development Entries cover discussions of scientific and technological innovations and theories historical vignettes and important texts and individuals throughout the world From the discovery of fire and the innovation of agricultural methods in China to the establishment of surgical practices in France and the invention of Quantum Theory this encyclopedia offers comprehensive coverage of fascinating topics in science and technology through a straightforward historical lens *Action at Badama Post* Paul Macro,2019-02-19 A thrilling account of the rescue of RAF crewmen after their aircraft crashes in Afghanistan in 1919 This is the story of an unknown incident during the little known Third Afghan War An aircraft from the No 20 Squadron RAF was lost while investigating gathering tribesman The crew were rescued and most of the aircraft was recovered by the Kurram Militia and the 22nd Battery Motor Machine Gun Service It was an all arms action the lives of two airmen were saved at the cost of an Indian Militiaman and an unknown number of Afghan tribesmen It also illustrates the experience of a virtually unknown group of soldiers the 22nd Battery of the Motor Machine Gun Service They had volunteered to serve as Motor Machine Gunners in France had been through an intense competitive and sometimes costly selection process and had now suddenly found themselves dispatched half way round the globe to the heat dust snows and monsoons of India and the North West Frontier This book examines the conflict's background the Kurram Militia the history of the squadron and the lives of the key players While this was not the only action the 22nd Battery of the Motor Machine Gun Service fought during the Third Afghan War this one was recorded in the account of A Sjt Ernest Bill Macro who was in charge of the section of 22nd Battery dispatched to Badama Post in late July 1919 This is his story and the stories of the other men for whom the climax of their experience in the Third Afghan War came during the action at Badama Post *The Gun* C. J. Chivers,2011-09-06 The author a New York Times reporter traces the invention and mass distribution of the AK 47 assault rifle and its effects on war He traces the invention of the assault rifle following the miniaturization of rapid fire arms from the American Civil War through World War I and Vietnam to present day Afghanistan where Kalashnikovs and their knockoffs number as many as 100 million one for every seventy persons on earth It is the weapon of state repression as well as revolution civil war genocide drug wars and religious wars and it is the arms of terrorists guerrillas boy soldiers and thugs From its inception to its use by more than fifty national armies around the world to its role in modern day Afghanistan he discusses how the deadly weapon has helped alter world history *Somme 1916* Gerald Gliddon,2009-11-20 Set out topographically it covers everything from the famous battle sites of High Wood and Mametz Wood to obscure villages on the outlying flanks The British first began to take the Somme sector over from the French Army in June 1915 From this time onwards they built up a very close bond with the local population many of whom continued to live in local villages close to the front line The author

draws on the latest research and analysis as well as the testimony of those who took part to present all aspects of a battle that was to become a symbol of the horrors of the Great War

A Postcard View of Hell: One Doughboy's Souvenir Album of the First World War Frank Jacob, Mark D. Van Ells, 2019-03-31 For many the postcard may seem trivial little more than a mundane souvenir or a way to keep in touch with friends and relatives while on vacation But if we look carefully postcards offer valuable insights into the time periods in which they were created and the mentalities of those who bought or sent them Frank Marhefka while serving in the U S Army Motor Transportation Corps during the First World War amassed a collection of more than 150 postcards and photographs while in France and bound them into a souvenir album Marhefka's collection provides a diverse and vivid look into a period of history that in many soldiers accounts is not usually visualized with all its cruelties Emphasizing the pictorial turn of the Great War this album offers personal insight into a conflict that caused so much death and destruction The book begins with an introduction providing a history of postcards and their extensive use by soldiers during the Great War Then after a biography of Marhefka his postcard collection is presented in its entirety Accompanying the images are brief texts that place them into historical context as well as suggestions for further reading As a visual artifact of the First World War and the perspective of one U S soldier this book is aimed at students scholars postcard collectors and general readers alike who have an interest in military history and popular culture
