Moments in Time: A Model's Book Claudia Rhodes, 2012-08-07 Right now I'm feeling much pain so much so that if I don't write this story I promised my kids would soon be done and always and never materialized which has to be done if only for my own sanity and to ultimately free us all up I will feel lost Now What I didn't expect to write is this other story But that must be told to give a better understanding of why this whole mess happened anyway My dupe heads might come up with better reasons and then maybe someday they'll write their books with fond memories and less pain A bestseller will be yours I'm sure If not in the bookstores it will be in your hearts I started writing my book over thirty years ago and some Smile

The Revealing Moment and Other Plays Oscar W. Firkins, 1932-01-01 The Revealing Moment and Other Plays was first published in 1932. Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions. Sparkling with brilliancy of phrase, vivid character portrayal, erudition, taste, a delicate sense of proportion, and a genuinely felicitous style, these are only a few of the critics' judgments on Mr. Firkins' previously published plays. *A Moment in Time* Bertrice Small, 2011-05-25 In eleventh-century Wales, a land steeped in ancient Celtic lore, two lovers discover a passion that journeys beyond time. Young Wynne of Gwernach has no dreams of marriage. Innocent and pure of heart, she believes that love is an illusion. Instead, she devotes herself to managing the great family estate nestled in the raw beauty of Wales, vowing to protect it and her younger brother until he comes of age to inherit. And then Madoc of Powys enters into her life, claiming his betrothal to Wynne when she was a babe. Madoc is both feared and worshipped throughout the land for his family's power is said to stem from Merlin himself. Yet it is a very human desire he evokes in Wynne: his warm gaze makes her flesh burn with unaccustomed fire. Still, she remains firm in her belief that she can never marry, can never be owned. But Madoc of Powys is a Celt in his heart and soul. He knows Wynne's reluctance to wed is the legacy of another life. In time, she will know everything for which he is both hopeful and desperately afraid. For Wynne and Madoc have been lovers in another time, another place. But what unfinished destiny lays between them?

The Husband Test Betina Krahn, 2001-11-27 She devised her own standards for the perfect man. Now can she resist him? Betina Krahn, the New York Times bestselling author of *Sweet Talking Man* and *The Soft Touch*, is at her most charming and witty in this enchanting tale of unlikely love. She vowed never to be married. Sister Eloise was perhaps the most well-intentioned novice at the Convent of the Brides of Virtue, and the one always in the most trouble. Headstrong and earnest, she was determined to surprise her frustrated abbess and succeed in her latest role as the convent's new husband judge. But to do so, this modest beauty who had forsaken all carnal pleasure must judge a warrior whose mere presence exuded a dangerous, unpredictable, and totally male sensuality. He'd do anything to be a husband. Peril: Earl of Whitmore needed a virtuous wife in the worst possible way. And he could think of no way worse than taking a stubborn, opinionated young novice back to his blighted estate and proving he was husband material. But in the days and nights to come, he finds that the one test he can't pass is resisting this maddeningly irresistible woman. And as the dark secret of the Whitmore estate is revealed and their passion ignited by a single forbidden touch, they find that the perfect
