Ancient Highway Bret Lott,2008-07-08 From the bestselling author of Jewel and The Difference Between Women and Men comes a haunting novel of home family and the pursuit of lost dreams Ancient Highway brilliantly weaves together the hopes and regrets of three characters from three generations as they reconcile who they are and who they might have been In 1925 a fourteen year old boy leaves his family s farm and hops a boxcar in a dusty Texas field heading for Hollywood and a life in the flickers In 1947 a ten year old girl aches for a real home with a real family in a wide open space far from the crowded Los Angeles streets where her handsome cowboy father chases stardom and her mother holds a secret In 1980 a young man just out of the Navy visits his elderly yet colorful grandparents in Los Angeles eager to uncover his family s silent history For the Holmeses a longing for something else another place a second chance seems to run in the family DNA From Earl s journey west toward Hollywood glory to his daughter Joan s wish for a normal existence away from the bright lights to his grandson Brad s yearning for truth this deep rooted desire sustains them no matter how much the goal eludes them But
