My House Is Made Of Time:

The Memoir of Joseph Pierce Braud, Md: His Life Journey on the Gravel Road and Beyond Joseph Pierce Braud, 2022-05-12 This memoir highlights a compelling story of tragedy and triumph during the Jim Crow and separate but equal era in the Deep South. The book traces the evolution of Joseph Pierce Braud from his humble birthplace in A Bend in Ascension Parish to his graduation from Howard University Medical School in 1958 and thereafter Braud overcame the death of his father and helped support the family by scrapping rice and potatoes and shining shoes on Carrollton Street in New Orleans. During the 1930s and 1940s his family received only 18¢ per month for seven siblings. Before earning his medical degree from Howard University Medical School in 1958, Braud helped his siblings obtain a college education. Subsequently, he opened his medical practice in New Orleans and held a staff position at Flint Goodridge Hospital of Dillard University. From Brookstown with its 300 residents, Dr. Braud paved the way for six members of his Braud Family Group to become Medical Doctors, including 14 BS degrees, 4 Masters Degrees, 1 Juris Doctorate, 1 Doctor of Philosophy, and 1 nurse. Find out how Braud beat the odds to earn his education and pave the way for other Blacks to enter the medical field. **My House Is Made of Time** Joan Stanford, 1979-01-01 The Law Times, 1853 The Texas court reporter, 1906 The Law Times Reports, 1875 **Supreme Court of the State of New York**, 1897 **Supreme Court Appellate Division**, 1916

Taou Shan Kwan Temple,1879 **The Narrow Way** Vivienne E. Perkins Ph.D.,2013-06-13 The Narrow Way is an honest account of a life fully lived under Gods all seeing eye Although a memoir it is not a conventional one No reader will like everything in this book but every reader struggling with some aspect of lifesexual abuse marriage militarism prison the loneliness of the American experience the failure of democratic institutions the quest for self knowledge the search for Godcan find something interesting and useful in it Opening with an examination of the long term damage done to sexually abused children Part One covers the problems of marriage the significance of dreams art and literature an insight into suffering an approach to understanding Scripture and the social impact Jesus had on His society via teachings that we are still refusing to take seriously In Part Two the author gives an overview of the impact of the so called Enlightenment a period that promised a better human type living in an improved world but that brought the human family instead to non stop high tech war making rampant resource consumption and an on coming social environmental and

economic catastrophe precisely because Christians seduced by the products of the machine have steadily diluted their commitment to Christ who showed us the narrow way that leads to life The Narrow Way the result of fifty years of hard study of the intellectual and social trends of the past 250 years is a challenging book Starting where theologian Reinhold Niebuhr left off it critiques the so called American way of life and calls for change
