intimate details that are made possible through their deep love and dedication to their personal and working relationship. Using Marshall's observations and understanding of his existence in the Afterlife, Patricia draws comparisons between the physical levels of consciousness and the levels of consciousness in the Afterlife so that you will know what to expect and how to function. Practical and easy to understand, you discover what the transition process is like, how the Earth and Afterlife are intertwined, how to determine your place in the Afterlife, and most important, how to communicate with your loved ones who are in the Afterlife while you are still here on Earth. The Definitive Book on the Afterlife transcends religious views of dying to share first-hand direct experience with the process of dying and death, as well as the realities of being in the Afterlife. One thing is for sure: you will never look at dying and death the same way again. Inspirational, transformative, comforting, reassuring—it is a must read.
