Hearings, No. 73-N.Y.-18. 43 p** United States. Congress. House. Special Committee on Un-American Activities,1935      *The Lone Cypress* J Collins Kerr,2013-09 Many people probably didn't think that Phyllis was anything special Single lady that lived alone all of her life No kids No husband No grand career But Phyllis had an active inner life along with an adventuresome spirit that led her into all sorts of situations She worked for the American Embassy in Spain and Greece just after World War II biked and skied around Europe with her dog Chispa worked with famous midcentury Modernist architect E Stuart Williams had movie legend Pepe Serna for a landlord and once had to have Jos Greco do her plumbing And on a hair thin budget she managed to survive and weather the storms that one has in life all while supporting those less fortunate She indeed was special to those around her This book of poetry and escapades is a revelation about the uniqueness of us all if we just look hard enough to find it and Phyllis thought to herself Here I am drinking whiskey and dancing with a man who is an almost total stranger in a night club in Basel Switzerland at three in the morning Not bad for a middle aged school teacher from California      *Sufi Bodies* Shahzad Bashir,2013-09-01 Bashir weaves a rich history of Sufi Islam around the depiction of bodily actions in Sufi literature and miniature paintings produced circa 1300 1500 CE Focusing on the Persianate societies of Iran and Central Asia he explores medieval Sufis conception of the human body as the primary shuttle between interior batin and exterior zahir realities with particular attention to three arenas religious activity in the form of rituals rules of etiquette asceticism and a universal hierarchy of saints the deep imprint of Persian poetic paradigms on the articulation of love desire and gender and the reputation of Sufi masters for working miracles which empowered them in all domains of social activity Bashir ultimately offers a new methodology for extracting historical information from religious narratives Cover p 4      **The Friend** ,1879

*Friends in Council — First Series* Sir Arthur Helps,2019-12-11 In *Friends in Council First Series* Sir Arthur Helps presents a captivating exploration of Victorian thought through a series of dialogues among a diverse group of friends The text unfolds in a conversational style rooted in the intellectual traditions of the time reflecting the broader philosophical social and political issues of 19th century England Through these discussions Helps deftly interweaves themes of morality personal duty and the dynamics of friendship offering readers insights into the complexities of human relationships and societal expectations in a rapidly changing world Sir Arthur Helps a prominent figure in Victorian literature and a close associate of notable contemporaries such as Charles Dickens and Alfred Lord Tennyson was profoundly influenced by the intellectual currents of his era His extensive background in sociology and literature coupled with his experience in public service allowed him to establish a nuanced understanding of the human condition which is vividly depicted in this work Helps

penmanship reflects a deep empathy for his characters and a commitment to moral inquiry making *Friends in Council* not just a literary endeavor but a philosophical one as well This book is a must read for those intrigued by the intersection of literature and philosophy Readers seeking a profound examination of friendship ethics and personal growth will find *Friends in Council* both enlightening and engaging Helps eloquent prose and thoughtful insights challenge readers to reflect upon their own lives and relationships making this work a timeless contribution to literary and social discourse The China Environment Yearbook, Volume 2 Dongping Yang, 2008-08-22 This volume of *The China Environment Yearbook* is the second in a series of annual records written commissioned produced and edited by Friends of Nature China s premier environmental non governmental organization This book provides a window on debates and events as they have affected China s struggles toward a more just and sustainable model of development during the year 2006 Courageous essays question policies of fencing Inner Mongolian grasslands in a way that contradicts local culture and ecology probe the wisdom of the South to North water transfer scheme in the upper Yangzi and of a potentially even more ecologically intrusive mega project called the Shuotian Grand Canal Project and analyze shortcomings in government efforts to clean up some of China s most heavily polluted waterways There are candid accounts of new levels of environmental degradation in rural areas and of the difficulties encountered in China s effort to produce a green GDP that would accurately reflect the costs of natural resource extraction and pollution Other hard hitting articles describe China s role in the global trade in illegal logging analyze the problem of cancer villages and make clear the seriousness of problems with widespread groundwater contamination and lack of access to safe drinking water **Wanderlust** Rebecca Solnit, 2001-06-01 A passionate thought provoking exploration of walking as a political and cultural activity from the author of *Orwell s Roses* Drawing together many histories of anatomical evolution and city design of treadmills and labyrinths of walking clubs and sexual mores Rebecca Solnit creates a fascinating portrait of the range of possibilities presented by walking Arguing that the history of walking includes walking for pleasure as well as for political aesthetic and social meaning Solnit focuses on the walkers whose everyday and extreme acts have shaped our culture from philosophers to poets to mountaineers She profiles some of the most significant walkers in history and fiction from Wordsworth to Gary Snyder from Jane Austen s Elizabeth Bennet to Andre Breton s Nadja finding a profound relationship between walking and thinking and walking and culture Solnit argues for the necessity of preserving the time and space in which to walk in our ever more car dependent and accelerated world Lippincott's Monthly Magazine , 1898

The River Runs Black Elizabeth C. Economy, 2011-01-15 China s spectacular economic growth over the past two decades has dramatically depleted the country s natural resources and produced skyrocketing rates of pollution Environmental degradation in China has also contributed to significant public health problems mass migration economic loss and social unrest In *The River Runs Black* Elizabeth C Economy examines China s growing environmental crisis and its implications for the country s future development Drawing on historical research case studies and interviews with officials scholars and

activists in China the author traces the economic and political roots of China's environmental challenge and the evolution of the leadership's response She argues that China's current approach to environmental protection mirrors the one embraced for economic development devolving authority to local officials opening the door to private actors and inviting participation from the international community while retaining only weak central control The result has been a patchwork of environmental protection in which a few wealthy regions with strong leaders and international ties improve their local environments while most of the country continues to deteriorate sometimes suffering irrevocable damage Economy compares China's response with the experience of other societies and sketches out several possible futures for the country This second edition is updated with information about events during the past five years covering China's tumultuous transformation of its economy and its landscape as it deals with the political implications of this behavior as viewed by an international community ever more concerned about climate change and dwindling energy resources

**The Portable Plato** Plato, 1977-03-01 Writing in the fourth century B C in an Athens that had suffered a humiliating defeat in the Peloponnesian War Plato formulated questions that have haunted the moral religious and political imagination of the West for more than 2 000 years what is virtue How should we love What constitutes a good society Is there a soul that outlasts the body and a truth that transcends appearance What do we know and how do we know it Plato's inquiries were all the more resonant because he couched them in the form of dramatic and often highly comic dialogues whose principal personage was the ironic teasing and relentlessly searching philosopher Socrates In this splendid collection Scott Buchanan brings together the most important of Plato's dialogues including Protagoras The Symposium with its barbed conjectures about the relation between love and madness Phaedo and The Republic his monumental work of political philosophy Buchanan's learned and engaging introduction allows us to see Plato both as a commentator on his society and as a shaper of the societies that followed who bequeathed to us a hunger for the ideal as well as a redeeming habit of humane skepticism

**The WPA Guide to New Jersey** Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state's unique flavor The Granite State has a rich history

and varied landscape beautifully presented in the WPA Guide to New Hampshire The driving tours highlight the White Mountains Lake Winnepesaukee and the coast near Portsmouth This New Hampshire guide also has traditional photographs of churches landscapes and colonial houses which give readers a feel for life in New England in the early 20th century
