Nature , 1896 The Nature of Properties Michael Tooley, 1999 First published in 1999 Routledge is an imprint of Taylor Francis an informa company The Nature of the Future Emily Pawley, 2022-06-07 In the seemingly mundane Northern farm of early America and the people who sought to improve its productivity and efficiency Emily Pawley finds a world rich with innovative practices and marked by a developing interrelationship between scientific knowledge industrial methods and capitalism Agricultural improvers became increasingly scientific driving tremendous increases in the range and volume of agricultural output and transforming American conceptions of expertise success and exploitation Pawley s focus on soil fertilizer apples mulberries agricultural fairs and experimental stations shows each nominally dull subject to have been an area of intellectual ferment and sharp contestation mercantile epistemological and otherwise The Nature of God Edward R. Wierenga, 2018-05-31 The Nature of God explores a perennial problem in the philosophy of religion Drawing upon developments in philosophy most notably those in philosophical logic Edward R Wierenga examines the traditional divine attributes of omnipotence omniscience eternity timelessness immutability and goodness His philosophically defensible formulations of the nature of God are in accord with the views of classical theists The author provides an account of each of the divine attributes by stating in contemporary terms what such classical theists as Augustine Anselm and Aquinas wrote about the nature of God he then seeks to determine whether one can defend the ascription of traditional divine attributes to God against philosophical objections Clearly written and comprehensive The Nature of God contains a wealth of illuminating and original material on a central topic in the philosophy of religion Nature Spy Ken Kreisler, 1992 A child takes a close up look at such aspects of nature as an acorn the golden eye of a frog and an empty hornet s nest **Walking with Grandma** G.
