Natures Ways How Nature Takes Care Of It:

Nature's Ways Philip Sutton Chard, 2010-09-30 There are many paths to the sacred whatever you hold that be And the most ancient and primal of these is communion with the natural world If you long to loosen the restraints of your ego experience the spiritual power of the Creation and embrace its timeless wisdom Nature s Ways can be your companion and guide You will learn to cultivate an intimate bond with nature providing a sanctuary from life s tribulations and a spiritual home for sculpting your soul Whether you are a lifelong nature mystic or someone newly drawn to this time honored spiritual path this book will help shepherd you to the mysteries of the Creation including those residing within your own spirit You will discover how to enter nature s spiritual doorways those that transport us to the miraculous power innervating all of existence Therein we discover a clearer sense of who we are why we are and to what we belong The Creation is a long and mystifying journey a great story told through the majesty beauty and creative power of the natural world We can soulfully embrace this journey by following nature s ways

Lifestyle by Nature Betty Holston Smith Ed.D, 2019-04-06 How are you If your truest first thoughts in pondering this question are something like I could be better this nature based lifestyle change book might help To be healthy you must take care of all of you because the total you is made up of your entire self including your body mind spirit soul your everything If one part of you is not up to par in some way or another it s impossible for your everything else to be totally healthy You have tried everything your friends your doctors and even the advertisement industry recommended for improving your health But nothing has worked except to make you a frustrated person Close your eyes right now and allow your conscious mind to contemplate your health situation Be honest You are not the healthiest that you can or should be In fact you are in dire straits according to how you feel and what your medical team says about your health I know all of this about you because I was you so many years ago Like you for years I followed the same type of diet herd that you have been following And like you after trying everything I had no clue about what to try next However I found a clue Over forty years I lived the importance of and learned to replicate nature s wisdom on nutrition and movement in my unhealthy lifestyle Her focus was on naturally changing lifestyles not on temporary quick fixes And in the process she provided me with all types of support to do so I carefully recorded her step by step wisdom and provided the details inside Ditch your next quick fix cosmetic diet and put your trust in nature s simple but trustworthy lifestyle change wisdom
